

Re: Devra Patton West, her cult / criminal racketeering gang and the ongoing campaign of intimidation against me and my family to which you are complicit.

Mr. Williams,

Over the past 5 years or so you have received some 500 to 600 emails from me cataloging the ongoing campaign of intimidation being directed at me and my family by Devra Patton West – the leader of your cult / criminal racketeering gang. This would be the campaign of intimidation that fellow cult / gang member Geoffrey Reynolds announced to the Montana press on August 9 2007. In what he thought was an ‘off the record’ conversation with the reporter, Constance See, Reynolds made the following statement. “Watson would be dead within 12 months or in jail for reacting to what Devra Patton West was going to do to him and his family.” End quote. Constance See took the threat serious enough to pass it on to John Nielson and IRS Criminal Investigator looking into Patton West’s finances at the time. Both these witnesses will confirm Reynolds’ comments.

The motive for my planned murder and the ongoing campaign of intimidation, which you and Reynolds remain complicit in, was me suing Patton West for defrauding me in 2002. Additionally I had put up a website to counter her, your and Reynolds’ lies about me that were posted on her website. Lies posted to discredit other victims of crime at Patton West’s hands most notably Dr. Pat Cole MD who was subject to a campaign of vicious assaults by Patton West whose objective was to extort \$1.3 million from the victim which Patton West succeeded in doing.

The big question is, Why would you and Reynolds, both total strangers to me, intervene against me in a lawsuit I had issued against Patton West after she defrauded me? The big answer is both you and Reynolds, while total strangers to me were / are members of her cult and therefore fully under her control.

Though this email is principally about your past and present role in Patton West’s cult / criminal racketeering gang let us first establish, beyond any doubt that Patton West is the leader of a cult. And by extension, because of the prolific number of serious crimes that have been committed by Patton West over the past 20 years since you joined her cult, the leader of a criminal racketeering gang. In 2008 I received judgment against patton West for defrauding me. That lawsuit was issued against her in 2003 and after countless dirty tricks, defamations from her website, false witnesses, a campaign of intimidation and death threats I won the lawsuit in 2008. In 2010 while attending court in Montana, to see how much I was to be awarded by the court, I was served with two defamation lawsuits by Patton West and senior cult / gang member Geoffrey Reynolds CPA. One of their chief claims was that I was charging Patton West with criminal activity and with **running a cult**.

Below here is a copy of the front page of his pleadings...

Organizations to Avoid Because They Will Only Take Advantage of You.

There's four characteristics to a cult group.

1. **Charismatic leader:** The charismatic leader is the originator of the group. Charismatic leaders are people who are **great manipulators**, they're **charming**. They know how to **read people**. They come along and **offer a message that is going to resonate** with somebody. Once they get a few followers that's all they need and then those people go out, recruit more and they build up an aura around the leader. [This is all based on some philosophy strung together from a variety of sources such as religion, UFOs, Science or mythologies.]

The cult is originated by a charismatic leader who is able to read and manipulate people. As a brain washed member of the cult you are fully employed by Patton West to 'market' her to the public as a **charismatic leader** even though the documentary evidence shows you are fully aware that she is dangerous psychopath, a prolific criminal and perhaps a murderer and serial killer. Your role is to **manipulate** other members of the cult and the public into believing the lies. This is called fraud.

Slide 2. The Transcendent belief System.

Organizations to Avoid Because They Will Only Take Advantage of You.

2. **Transcendent belief system:** Most **religions** and even **political groups** are going to have a transcendent belief system, a means **how to get to some better place**. But what's different in cult groups is they have **their way to get you there**. It is the recipe for change to get to a goal. In order to be part of the group, **you have to go through a transformational process**, which they dictate to you and you can't be there otherwise. **That's the indoctrination program.**

[Marxist-Socialist politics teach this extensively. Eastern religions also use this method. The global warming cult teaches that at the end the earth will be a much better place **if mans population is reduced** so we don't hurt mommy earth.]

Patton West's claims include 'how she can take followers to a **better place**.' In 2005 she was offering to take followers to Shamballa but only those who could pledge 66% of their net worth to her. Shamballa turned out to be a journey north from Victor MT to Lakeside MT. Patton West is known to use brainwashing and conditioning as part of an **indoctrination process** that results in employees and students 'submitting to her will.' Those employees who do not submit within 90 days of being hired are summarily dismissed. This email from [Rebecca West](#) shows the turnover in employees and this email from [Carlida Finch](#) shows that she was given an ultimatum join Patton West's cult or be fired. Carlida also overheard patton West planning the murder of her business partner Dr. Pat Cole MD a fellow physician which you turned your back on and even published false statements about including denying Patton West's assault on Cole even though you knew it to be true. But let's leave murder aside and focus on proving Patton West was / is running a cult you were and are a willing member of.

Slide 3. Systems of Control.

Organizations to Avoid Because They Will Only Take Advantage of You.

3. **Systems of control:** Followers think they're joining something that's **going to give them purpose and meaning in life**. Slowly they are forced to go through the rituals or the **study sessions** that get you more and more drawn in. As this process goes on, the person begins to adopt **this new worldview that requires new behaviors**, and which most often requires **cutting off from the past [or family and friends]**. Some of the most common control mechanisms these cult leaders use is **purchasing a plot of land and having the followers move there**. Once a core of followers are isolated on that land, the **leader controls the amount of information** that is allowed **into the commune**. The **land is usually in an isolated location** away from friends and relatives or large cities.] The other control mechanisms are **rules and regulations** created by the leader. [All money flows to the top of the organization leaving the followers with little to nothing.]

Patton West had her cult set up as an unaccredited school for occult studies to which you attended and have, as I write been a student of for 20 years. The school had from memory 4 or 5 tiers (5 years of study) during the **study sessions** 'students' were indoctrinated and brainwashed into accepting Patton West as a demi god. Students were required to **cut off from their past which included family and friends**. In 1995, after being chased out of New Mexico at the point of a gun, Patton West **bought a plot of land in Victor MT and had her followers move there**. The land was in a **fairly isolated area** and Patton West definitely **controlled the information** allowed to enter **into her commune**. There were endless **rules and regulations** which often changed on a day to day basis as employees were worked to the bone as part of the system of organized chaos used to break their mental well-being as a prelude to their submitting to Patton West's will. As her Business Manager for six months in 2002 I was witness to the fraud and theft of cash donations by Patton West who used the charities bank account as her own. [AJ White's](#) notarized statement to me is a good example of the criminality rife at the time.

Eventually Patton West bankrupted the charity and in doing so defrauded Mike Hendrickson out of \$200,000 which she put in a personal trust fund for her and her eldest son Rob Meador. She also stole the charities property worth \$1,250,000 and put that in the same trust fund even though it was largely paid for by cash donations from the public! Then there was approximately \$4,000,000 worth of artwork and valuables which she stole from the charity in 2004 and hid in a lock up for ten years until the statute of limitations passed on theft. These items suddenly appearing in Arizona in 2014. The very times she maintained did not exist! At least that is what she said while giving a [statement](#) under oath to my lawyer in 2009!

Slide 4. Systems of Influence.

Organizations to Avoid Because They Will Only Take Advantage of You.

4. Systems of influence: There is also **peer pressure**. Older members will model for the new members how you're supposed to behave. Before you know it, you're so enveloped in this other reality that you don't look to anything else. **You don't allow yourself to be opened to any other explanations. Your mind has completely closed** in on this new worldview. The connections to the belief system is the glue that keeps you there. Belonging to the cult appears the only hope you have.

<http://cultresearch.org/about/dr-lalichs-theory-on-brainwashing/>

Women are more likely to join religious cults.

Peer pressure was always present in the cult as long term members were used to spy on and exert pressure on new members to behave in a way that patton West mandated. Anandra George was a good example of the spy / peer pressure example. As is Patton West's edict entitled '[Protocol to be Observed at the House.](#)' This explains the photographs I see of you kneeling at her feet. Clearly those present in the cult, including yourself, were / are **enveloped in a false reality** created by Patton West and her closest aides / accomplices. Your threatening [email to me](#) of January 2007 clearly sought to convince those who read it that Patton West was a guru (and still espouse that lie). When any cursory review of the evidence over the past 20 years shows her to be a dangerous criminal and you to be a pathological liar and a total fraud. You also dishonestly inferred in your email that I was a student of Patton West's which I never was. However like every employee or business consultant before or since I was subject to daily pressure to join her cult. Clearly you are totally brainwashed and **your mind is completely closed**. The only **other explanation** is that you are totally corrupt and a willing accomplice in racketeering and complicity to commit murder.

Slide 5. Mental Illness.

Organizations to Avoid Because They Will Only Take Advantage of You.

Mental Illness

For decades there have been studies about the various **mental issues that cult leaders and their followers have**. Most cult leaders have **Narcissistic personality disorder**. Symptoms include an **excessive need for admiration, disregard for others' feelings, an inability to handle any criticism, and a sense of entitlement**. As for the followers, most people who join a cult are just going through a mental crisis and that cult seems to offer relief or fulfillment. For the most part, the mental state plays an important role in people who join a cult or is a **cult leader**

Symptoms of psychosis include delusions and hallucinations (seeing or hearing things that others do not see or hear). Other symptoms include incoherent or nonsense speech, and **behavior** that is inappropriate for the situation.

There is little doubt in my mind that both Patton West, as the **leader of her own cult, is mentally ill** and that some of her **followers, you included are mentally ill**. That Patton West is suffering from a **Narcissistic Personality Disorder** is not in doubt. The image below and all the idiot titles and accolades are just a tiny portion of the lies, propaganda and bullshit to be found on her current website. Lies and propaganda you 'market' to the public with your [fake testimonials](#) as truth even though you are well aware from your own experience over the past 20 years this is all a massive fraud.

Titles and Accolades granted to herself since arriving in Arizona from Montana in 2010.

[The Regent of the Spiritual Hierarchy for the Western Hemisphere.](#)

[THE SAGE OF SEDONA and the RISHI OF THE WEST!](#)

[The Rishi \(The Teacher\), The Mataji \(The Divine Mother\) & The Regent \(The Western Regent\).](#)

[The Mother of Ten Thousand Suns.](#)

[She has been preparing for thousands of years to guide humanity](#)

[As the light that shines behind leaders and world servers from across the globe.](#)

[As a Planetary Regent her auspicious presence offers the rare opportunity for private audiences etc...](#)

[As an instrument of mercy she offers the phenomena of Divine Grace Healing and the karmic resolution of divine dispensation.](#)

Symptoms of **mental illness** include **excessive need for admiration**, **disregard for other's feelings**, an **inability to handle any criticism** and a **sense of entitlement**. Nothing describes Patton West's sense of entitlement as the following image taken from a recent bulletin. The image contains the phrase **"It will be your privilege to financially seed my transition. It is not my need but rather your need."**

The above statement in a [missive](#) sent to her entire cult in 2005 entitled 'Financial Form Building.' Go to page 2 and scroll down to paragraph 7. You joined Patton West's cult in 2000, twenty years ago, so I must ask you the question, "At the time you joined were you going through a **mental crisis**?" Does the cult / criminal racketeering gang offer you **relief or fulfilment**?

Patton West expresses all the symptoms of someone suffering from psychosis indeed a someone attending a course with Patton West in 1991 made that same claim in correspondence to me. In a 2010 [email to me](#) Satya described Patton West as delusional psycho / socio path. But we need not rely on Satya alone to diagnose Patton West as being psychotic as [her own website](#) is evidence of her delusions. Then there are two other websites put

up by the UK group which contain several hundred documents and audio recordings evidencing her mental illness which includes documents she has issued to her cult which she maintains were channeled to her by long dead Ascended Masters who speak through her because she too is an Ascended Master? A good example of that Julio is the document she issued to her entire mailing list on April 17 2006 days after she viciously assaulted Dr. Pat Cole MD. The missive entitled, '[The Law of Severity on the Path to Purification](#)' was dictated to her by the voices in her head. In this missive, which you got a copy of, Patton West justifies the vicious assault on Cole by asserting she was a Nazi in the WWII death camps in another life time. Evidence of insanity in spades.

In conclusion, and with the aid of the material published by Janja Lalach on the [Cult Research](#) website I have proved beyond all doubt that Patton West was running a cult at the time Patton West and Reynolds launched their defamation lawsuits against me in 2010. Lawsuits you funded.

Which brings me neatly to the email you sent to me in January 2007 as part of Patton West's attempt to intimidate me into dropping my fraud lawsuit against her. Again you and I are total strangers as was / is Reynolds but clearly from Reynolds false pleadings to the court in 2010 and your email to me in January 2007 both you and Reynolds, as members of Patton West's cult, agreed to join her conspiracy against me. Though I have no evidence to prove it as a senior member of her cult I suspect you were briefed about Patton West's plan to murder me. I am 100% sure that you have been aware of Patton West's ongoing attempts to intimidate me by targeting me and my family after all I have sent you between 500 & 600 emails logging those attacks. Neither the intimidation nor the ongoing attempts to murder me will deter me from seeking justice not just for myself but for the scores of other victims of organized crime over the past 30 years.

Above left: Dr. Julio E Williams MD on bended knee before Patton West, the leader of his cult / criminal racketeering gang. Williams a 20 year member of Patton West's cult continues to supply staged photos and fake testimonials designed to suck in more wealthy victims. Above right: recently arrested 'John of God' who was convicted of numerous crimes including rape.

Then there are the ongoing crimes being committed in Arizona where fake cures for cancer are being 'sold' to unwary victims for huge sums of money. You are directly involved in this giant fraud scam and have even provided your own home as a venue at which these crimes are committed presumably with you in attendance as Patton West kneeling, supplicant, brainwashed physician assuring potential victims that she really has been planning to lead humanity for thousands of years!

Finally having proved Patton West is running a cult / criminal gang and that you are a willing and key accomplice in her criminal racketeering gang and complicit in her ongoing attempts to 'silence' me let us now get to your January 2007 email to me. Your email was a clumsy attempt at witness tampering in that you sought to intimidate me, the plaintiff in a lawsuit against your cult leader, into withdrawing that lawsuit. Here is an excerpt from that email our full exchange of emails can be found [here](#).

Subject: The line in the sand has been drowned!

Mr. Watson,

Over the last few years I have been witness to your continuous attacks to Devra West and the nonprofit. Hear me very clearly now "THE LINE IN THE SAND HAS BEEN DROWN". If what you are after is money (and /or the Victor property) it is going to take a lot of your own personal money to try and get it. I have personally allocated Two million dollars for Dr. West defense and legal expenses.

If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down. Mr. Watson, You will have your date in court. You fuck with me and you will meet your match.

Julio E. Williams, MD

Time for some FACTS Julio. You a total stranger to me [defamed me](#) in 2005, shortly after I launched my lawsuit against Patton West. Why would you a total stranger to me do that? In 2007 you sent me the above threatening, expletive laden email whose obvious objective was to intimidate me into dropping my lawsuit against Patton West. Why would you a total stranger to me do that? More to the point why would you risk jail and a heavy fine for witness tampering? Well the obvious answer is that as a member of Patton West's cult you were and still are totally under her control. The fact you are still providing her with idiotic testimonials and the fact that you have received 500 plus emails from me about the ongoing campaign of intimidation against me and my family which you have not reported to the police speaks volumes. But there is more proof of your membership of Patton West's cult / criminal racketeering gang.

Shortly after I announced I was issuing a fraud lawsuit against Patton West she insisted on a private meeting at my ranch. A meeting which I recorded with a digital tape recorder fearing she would pull some stunt to incriminate me. In addition to admitting defrauding me she also stated that if I sued her there would be huge legal costs coming out of my pocket but not hers. Why not hers? Because she would get the members of her cult criminal gang to pay all her legal fees. Do not take my word for it Julio you can listen to her say these things in her own voice.

WARNING
FOUL MOUTHED LANGUAGE FROM
'DIVINE MOTHER'

1. [Devra West refers to John Watson as 'Prince Charming.'](#)
2. [West agrees she has defrauded John Watson but does not see herself paying him!](#)
3. [West says that the truth does not actually matter if she can convince the public that her lies are their truth.](#)
4. [West says she feels stabbed in the back and f*cked up the arse by Watson's insistence that West pay her the \\$50,000 she owes him. West has an emotional melt down and leaves in hysterics!](#)
5. [West threatening to get down and f*cking dirty huge expenses coming out of Watson's pocket not hers.](#)

Julio, see item 5. Above. You were the mentally ill / totally corrupt cult / gang member that stepped in to fund what you knew to be a criminal conspiracy by your mentally ill / corrupt cult / gang leader against me a total stranger to you. You actually wrote to me stating that you were allocating \$2,000,000 toward Patton West's

defense and legal expenses. You did that knowing she was guilty of defrauding me as the above recordings were available on the internet from early 2006. Like you turned your back on fellow physician Dr. Pat Cole MD knowing Patton West had launched a campaign of vicious assaults against Cole whose objective was to extort \$1.3 million from her. Which Patton West did at a cost of a \$500 fine and a six month suspended jail sentence.

You remain a willing accomplice in Patton West's cult / criminal racketeering gang knowing full well that the contents of the web pages below here are 100% true.

[The Fake Life Story](#) [The Lies](#) [The Crimes](#) [Evidence of Insanity](#) [Fake Miracle Cures](#)
[Fake Career Opportunities](#) [Fake testimonials](#)

Your \$2,000,000 was given to hide this information from the public in Sedona. The public that you knowingly market Patton West to as a guru / world server knowing she is a dangerous and violent psychopath. You do this knowing that she is asking the public for six figure donations from her website based on a pack of lies.

Both you and Reynolds, strangers to me, joined with Patton West in a conspiracy to murder me and when that failed you funded Plan 'B' a criminal conspiracy to bankrupt me into silence by mounting multiple frivolous (without merit) lawsuits against me. You, Reynolds and your cult / gang leader Patton West gambled correctly that after the expense of funding a five year lawsuit against Patton West for fraud (which I won) that I would not be able to defend another two defamation lawsuits. The truth is an absolute defense against defamation but only of you can afford to defend the lawsuits. Having moved abroad in 2005 for my own safety I could not afford to defend the lawsuits with the result that Patton West and her stooge Reynolds were awarded summary judgment and my website was forced down. So after being chased out of New Mexico at the point of a gun and forced to leave Montana after countless lawsuits, two arrests and a conviction for assault Patton West was able to re locate her cult / criminal racketeering business to Arizona.

~ Our June 12th ~
Sacred Sunday with Rishi
will be hosted at the home of Dr. Julio Williams
7390 East Stagecoach Pass Carefree, Arizona 85377
~ 10 am to 12 pm ~

Comments from Students:

"I simply cannot imagine a training that gives so much, covers so much and cares so much. After many, many methods over the years, thank God, I have found my path. What a difference!" -

Julio Williams MD, heart surgeon and devoted seeker

"There are simply no words to express the profound nature of sitting with a spiritual master of the Rishi's caliber of presence. This says it all. So, one can try to imagine having a private retreat or intensive with a "virtual wellspring of living divinity," but to actually experience it, leaves one humble, immensely expanded and deeply grateful with few words that suffice that can do such an experience justice."

Julio Williams, MD...cardiologist and thoracic surgeon, avid seeker

Currently with your help she is targeting spiritual seekers in Sedona whom she is inviting to 'Private Sessions' and 'Private Audiences' where if the past 20 years is anything to go by they will become victims of fraud, extortion and worse. And, using the same [secret weapon](#) that she uses to intimidate or murder those who oppose her, she will make ill those she believes are wealthy and charge them hundreds of thousands of dollars for the 'cure.' Of course there is no cure having been paid she simply stops targeting them and makes out that her intervention was what 'cured' them. Patton West has been getting away with this for 30 years and like you and Reynolds she relies on the fact that the weapon she uses is not recognized by legal statute as a weapon. Effectively giving her a license to kill which obviously Reynolds is aware of as he announced my impending murder days before patton West made a failed attempt on my life and only two short years after Lisa Swidler was murdered to keep her quiet.

Why am I telling you all this Julio?

Because if we were about to go to court to fight a civil lawsuit all of this information would be shared during the disclosure process. But we are not going to join in a civil lawsuit we already did that and as I found out the side of the argument with the most money wins. So the this information is for the FBI, law enforcement and the Arizona AG's office so that when they launch their criminal investigation into 30 years of racketeering by Patton West in three western states involving several suspected murders they'll have a huge amount of information to go on.

In closing Patton West Patton West has been trying to murder me and or intimidate me for nearly 14 years. As you know Reynolds announced my impending murder to the press in August 2007 and the campaign of intimidation **which is ongoing**. Both you and Reynolds have received 500 plus emails about the ongoing campaign of intimidation. However I suspect that you Reynolds and the criminally insane narcissist leading your cult / gang are relying on the fact that the FBI, law enforcement etc. will continue to ignore the representations they are getting urging them to investigate. A cursory glance at the evidence on these two websites <http://omniawakening.net> & <http://www.therishi.info/> and the several hundred emails sent to the FBI and others from the UK group should convince them to act. After all where there is smoke there is fire. In Patton West's case there smoke extends from horizon to horizon from NM to MT and more recently in AZ.

In closing in your January email to me you made the following statement....

If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down. Mr. Watson, You will have your date in court. **You fuck with me and you will meet your match.**

Julio E. Williams, MD

Julio, you put up \$2,000,000 to fund a criminal conspiracy against me in 2010 orchestrated by patton West and involving lies / false pleadings from Reynolds. Now it is my turn. One way or another you, Reynolds and your cult / gang leader Patton West are going to be the subject of a criminal investigation which, when the evidence has been reviewed result in a criminal trial for racketeering and attempted murder. Proving Patton West's murder of Lisa Swidler may be impossible, proving her attempt to murder me in 2007 which Reynolds announced to the press days before her failed attempt on my life may be impossible. However there is a mountain of evidence against Patton West to prove intent to cause harm and there are, I believe, more than enough victims and witnesses to prove that. Many of them are named on the two UK websites. You promised me my date in court Julio. I am going to promise you the same only this time it will be a criminal court, perhaps under RICO statutes, and when this happens no amount of money is going to 'buy' you the result you want.

If after reading this email and after reviewing the information in the [latest bulletin](#) from the UK (which features you prominently) you still maintain that Patton West is not the leader of a cult / criminal racketeering gang and that you are not aiding and abetting her in criminal activities then what are you worried about? Work with me and deliver the 'day in court' you promised by contacting the FBI, police etc. I have made it easy for you their contact information is at the top of this email. Let a judge and jury review the evidence and let the outcome fall where it may.

John Watson
