Corinne Coffin - Brazilian 'Coca Cola' Distribution Plant Heiress Featured in Netflix Kidnapped Episode has Financed Racketeering, Terrorism and Multiple Murders in the USA for 30 Years!

Over three decades Corinne Coffin was the largest single funder of Patton West's criminal activities as well as being a student at Patton West's unaccredited school for occult studies.

However before we get into Corinne Coffin's 30 year funding of Patton West's USA based cult / criminal racketeering gang let us review some of the crimes committed by Devra Patton West during Coffin's tenure in the cult between 1991 & 2021. The most serious of which being multiple murders (estimated 5 to 7) that Patton West admitted to in 2023 while being interviewed by New York Times published jouranilst Be Scofield Patton.

Patton West has admitted to several murders: Devra says she has "taken a limited number of earthly lives" for the benefit of humanity (source)

And still the FBI & Police do NOTHING! Why?

Prior to 1990 Devra Patton West was a small time crook and drug dealer who defrauded her victims one at a time taking thousands from each. After acquiring occult (hidden) knowledge between 1990 & 1991 this dangerous psychopath, armed with a hidden weapon went into the big time. Since then we estimate that Patton West has robbed, defrauded, extorted and embezzled between $30M & $50M from scores or hundreds of victims.

During a 35 year career of Racketeering in three western states NM, MT & AZ we estimate that Patton West has used her secret 'weapon' to terrorize scores or hundreds of victims and murdered an estimated 5 to 7 individuals. The murders we attribute to Patton West are not a guess on our parts as Patton West herself admits to murdering several for the good of humanity (see above).

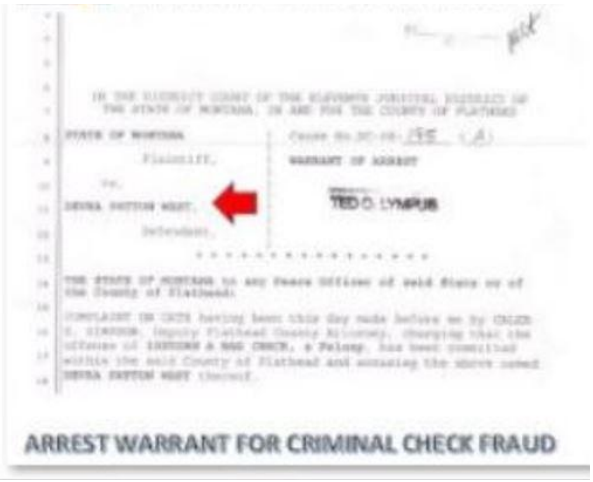

Above: Patton Westr uses Shamanic Visioning and Witchcraft. Victims joining her cult are brainwashed and conditioned into submitting to her will as a prelude to becoming victims of theft, fraud, extortion and embezzlement. Those that go public, go to law or to the police are subject to 'terrorist' attacks and or murder. Because the weapon used is occult (hidden) Patton West acts with plausable deniability although in 2023 she admitted to murdering several...

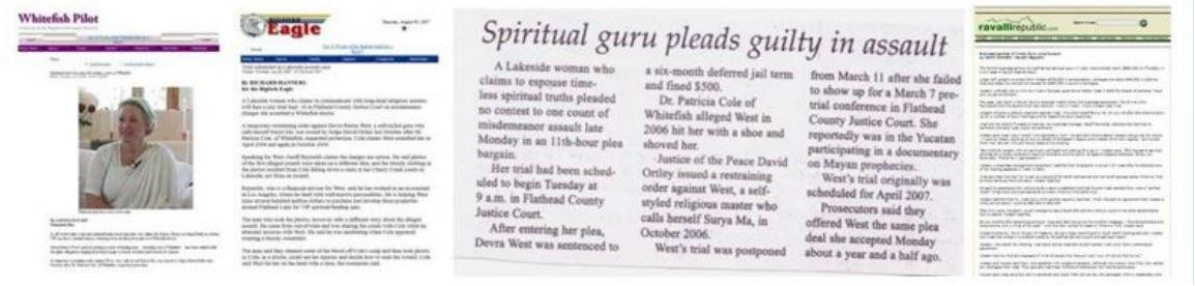

We have collected a mountain of evidence to back up our claims and stand ready to act as states witness for the prosecution. Not just against Patton West but also against the senior members of her cult / criminal racketeering gang that have variously funded her crimes inside the USA for decades, have marketed her to the public as a harmless guru, have threatened 'truthers' that went public and who tell lies in court on behalf of Patton West making it impossible for the victims to get justice. We have catalogued many of her crimes, named many of her victims and the role of her cult / gang members AKA joint US / Brazilian Coca Cola Heiress Corinne Coffin, Julio Williams, Jack West and Geoffrey Reynolds (see below). In other words we have joined most of the dots for you making the prosecution of these criminals relatively easy!

Here is a brief introduction into 30 plus years of organized crime marketed to the public as 'World Service.' First two arrest warrants issued in Montana in 2008 & 2009...

Below here are some newspaper articles from Montana. From left to right the Whitefish Pilot from July 2007. The Bigfork Eagle from August 2007. 'Spiritual Guru pleads guilty in assault from 2008 and the Ravalli Republic from October 2008. And the Guru Magazine from 2023.

The FBI & Law Enforcement should reach out to every victim mentioned below to see if they were the subject of Witchcraft / occult (hidden) TERRORIST attacks prior to or after these judgements being granted.

And there is more. This from Arizona recently...

The only reason Patton West has not been jailed during her three decade plus reign of terror is that both victims and witnesses are subject to terror attacks prior to any court proceedings can be scheduled. Several have been murdered as Patton West admitted in 2023. Fraud victim turned whistleblower John Watson decided to sue Patton West for fraud in 2003 and was the subject of:-

1. Multiple counts of defamation by Patton West and the members of her cult in an attempt by Patton West to drown out news of her crimes with lies, BS and propaganda posted on her websites. Here are links to the sources of some of that negative publicity, the Whitefish Pilot from July 2007. The Bigfork Eagle from August 2007 and the Ravalli Republic from October 2008.

2. In January 2007, approximately a year before Watson won his lawsuit against patton West, senior cult member Dr. Julio E Williams MD sent Watson an expletive laden email in a clumsy attempt to intimidate watson into dropping his lawsuit against Williams' cult / gang leader. Here is an excerpt from that email...

Mr. Watson,

Over the last few years I have been witness to your continuous attacks to Devra West and the nonprofit. Hear me very clearly now "THE LINE IN THE SAND HAS BEEN DROWN". If what you are after is money (and /or the Victor property) it is going to take a lot of your own personal money to try and get it. I have personally allocated Two million dollars for Dr. West defense and legal expenses.

If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down. Mr. Watson, You will have your date in court. You fuck with me and you will meet your match.

Julio E. Williams, MD

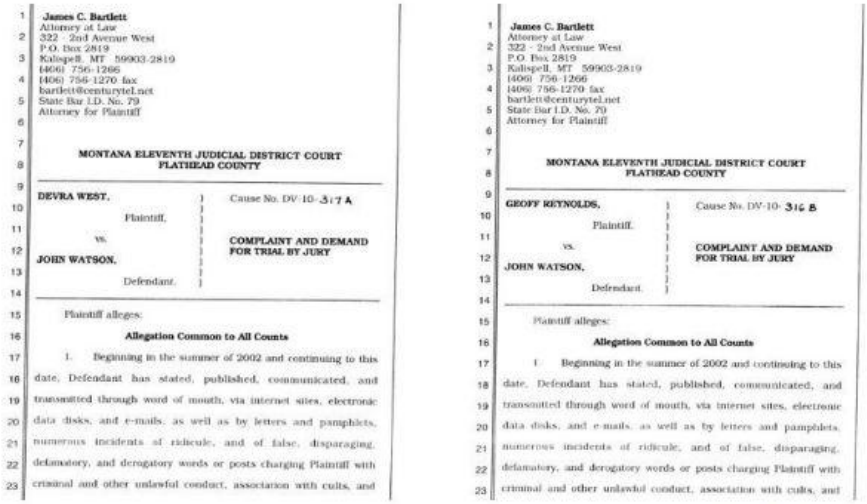

3. The January 2007 threat from Williams failed to stop Watson's quest for justice. So in another coordinated move by Patton West senior cult member Geoffrey Reynolds announced Watson's impending murder to a local newspaper reporter on August 9 2007. What Reynolds said, in what he believed was an 'off the record' comment was that Watson would be dead within 12 months or in jail for reacting to what Patton West was going to do to him, his wife and children! The reporter took the threat seriously and shared it with a federal agent who warned Watson. A week later there was a failed attempt by Patton West to murder Watson. This was the first of 3 or 4 attempts the most recent being in 2023.

4. When the murder plot failed Reynolds agreed to be part of a $10,000,000 extortion scam led by Patton West. This involved Reynolds making totally false pleadings to a Montana court in which Reynolds stated under oath that he had been defamed by Watson between 2002 & 2006. In reality as an excerpt from his own website makes clear Reynolds was employed in California until September 2006 and did not know Watson existed but that was not a problem for Reynolds who is obviously a pathological liar. What he agreed to do was copy Patton West's pleadings and present them to the court as his own even though he did not arrive in Montana until September 2006 and did not know Watson from Adam!

Geoffrey Reynolds CPA perjures himself / makes false pleadings to the court as part of a $10,000,000 extortion scam.

Above: Reynolds' part of the conspiracy to 'silence' Watson was to submit totally false pleadings to the court, which in reality, were an exact copy of Patton West's. If Watson could not defend the case, Patton West gets double the pay out!

On the subject of lies, lies and more lies, on the 12 July 2007, while being questioned under oath in court Patton West claimed that her businesses were "multi billion dollar affairs."

Q. Okay. On the last page of this exhibit -- first of all let me ask you some questions. Is it fair to characterize your company as a multi-billion dollar enterprise?

A. Correct.

Q. And is it part of your philosophy to make philanthropic contributions both nationally, statewide, locally and internationally?

A. Absolutely. I have spent the last 20 years of my life as a highly prolific and successful individual and probably donating well over 70 percent

of my income to various humanitarian, peace projects and efforts and so forth globally.

Q. And the last page, is this a copy of some of your -- or of your philanthropic contributions for 2002 throughout 2005?

A. Correct, correct.

Patton West, like most practicing Satanists, is a pathologicla liar who has no problem with lying under oath as Christianity and the bible mean nothing to this Islamist style terrorist. So on 12 July 2007 Patton West claimed in court that she was the owner of businesses that were multi billion dollar affairs. One month later the ollowing two excerpts from the Bigfork Eagle newspaper proved Patton West was close to bankruptcy for the second time owing $2,287 for failing to pay unemployment taxes.

Out of six businesses mentioned in West's literature, only one remains active and in good standing with the Montana Secretary of State office -- Sacred Environme Two were never registered -- Divine Unity Foundation and Millenium Mind Institution; two were involuntarily dissolved -- Surya Enterprises Unlimited and Global Guardianship Initiative; and one was involuntarily revoked -- Sacred Archive Institute.

And this...

Besides being evicted from her Bayside home in Lakeside and bouncing a check for the purchase of the well-known Osprey House on Angel Point, West has a $2, against her for failing to pay unemployment taxes for her Montana employees.

And the following harrowing email entitled 'Help Me' sent by Patton West's then office manager Rebecca West (no relation to Devra West) confirms the chaos and crimes being committed by Patton West against her employees.

Subject: RE: Help me w/ Devra Patton West

Dear John,

After more than 30 employees coming and going, (16 just since I started May 1, 2006, not counting myself, current employees or contract labor), there are currently three employees remaining. Two of the three are very much in her control due to fear and/or ignorance and have proven to me, I cannot trust them. I have been trying to get the monies she owes me before I end my contact with her, specifically a missing paycheck, overtime, overdraft charges and (wishful thinking) the bonus she promised me for the hundreds of hours of overtime I incurred. She sent her intimidating demand of me through her finance controller last evening, and I have until 5 p.m. today to talk to her. I must return and either give a 2-week notice and/or plan to be demoted from office manager to some other lowly position, (seems from historical accounting, I would become her personal care assistant).

I have written her a letter that I have been hesitant on sending her, as I know it will create a wave of violent behavior and I have little to protect myself. My only safety net per law enforcement is to write a "Letter of No Contact" and mail it. If she stalks me, and I have this letter in hand, law enforcement will respond and then maybe the Judge will order a "no stalking order" against her! I have been hiding in my home for many days now, afraid to go anywhere. This whole situation has been a horrible drain on my relationship with my partner, as he is having a very difficult time trying to understand what I am going through. In fact most "men" think it is no big deal, "if she comes after you "you can kick her ass!', what are you so afraid of?" This attitude is pervasive and includes her current finance controller, whom she has extorted from him over $300,000 since Sept 06'. He is very afraid of losing his money, wife, and children yet does not understand why I cannot come back to work and just let it roll off my back while she relentlessly screams at me and publicly humiliates me before, during and after work, and advises if she comes after me, I should just kick her ass!

I will not return and subject myself to her violent and abusive behavior! I continue to awaken from a sound sleep (on many occasions) at 3:00 a.m. and last night being one of those nights in which I have the feeling of impending doom, and is the reason I finally really took a look at your website and contacted you. I need support in how to deal with her shamanic witchcraft. Can you tell me more?

I have handed over many of the statements made by former employees of which are mostly already posted on your website to Dr. Cole in an effort to assist her. Dr. Cole was severely beaten on several occasions and proof is available. Again the crux is finding a law firm willing to take the case without a hourly payment of services.

And this. Note that Coffin's own son had phoned from Brazil to the cult / gang's offices in the US demanding the money his mother had 'donated' be returned!

With all my heart, I hope and pray, the law firm that is currently reviewing her documents will help Dr. Cole recover her losses and/or dignity, as she has no money left after Devra extorted more than $700,000 from her.

I am aware that the only person still financially supporting Devra (the finance controller is out of money), is Dr. Julio Williams and he gave her $100,000 last week. Devra spends money so fast that this funding will not last long. I know she has hoarded all her expensive jewels, artwork and artifacts and in addition I contemplate how much money/jewels she has stashed in order to bail herself out in the event you are able to take her down completely, or if the funding does not come through.

Tanmayo's (coca-cola heiress) son contacted the finance controller yesterday demanding the monies his mother contributed be returned. This phone call is the straw that broke the camel's back for the finance controller who has finally realized that he can no longer ignore the very bad situation he has gotten himself into by loaning Devra $300,000.

You can see that I, Dr. Cole and many others have much to lose and confidentiality between us is very important. I tried to talk to Dr. Cole about you and she feels you took your case too far...I will not pass judgment until you show me otherwise and beg of you to realize the vulnerable position I am in by living only 5 miles from her! I am more than willing to talk to your Attorney to support the situation, all I ask is for your assistance in attempting to get my hard earned monies owed me through the MT ST Wage and Labor Board. I am aware there are several other former employees that filed claims with the MT ST Wage and Labor Board and any documentation or advice to support me in this endeavor would be greatly appreciated.

I know that unless the $30M comes in this week, the Naka Shela Retreat Center is lost to foreclosure along with the house that Dr. Cole bought in Lakeside, which is where Devra lives (in the basement) with her son Che, his wife Jamie, and their newborn and 7-year daughters living upstairs. Dr. Cole was forced to sign a "Quit Claim Deed" by Devra and will be yet another assault to her credit rating. My credit rating has taken a huge blow due to lack of timely paychecks, missing wages, bounced checks and caused me to be unable to refinance my home last month.

I just spoke with the finance controller this morning, and he is telling me that unless I talk to Devra today, I can forget about the monies owed me. I reminded him that a missing paycheck and overtime are due me even if she calls it a "Bonus" and that several other people have taken her to the labor board and I would be no different. I have asked him to lay me off and to explain to her the repercussions of not paying me before I am forced to file a claim. I also told him I had no intentions of talking to her as I had already sent her a letter requesting the monies owed me, before I would be willing to talk to her. She responded a couple days ago by sending an e-mail to my private address where she stated she would not read my letter. It is obvious that she is afraid of me or she would have fired me already! I know too much, am a local resident, and have worked extensively with local law enforcement as a former Administrator of Emergency Services.

And this...

Dr. Cole and I are very afraid, but this does not preclude me from standing up for what is right even if I lose my life over it! Until last week Dr. Cole thought she was all alone and was happy just to have a normal life again. Upon contacting her for the first time last week, (since the court hearing last November), she realizes and accepts the fact that there are many other victims, including myself and it is unfair for her not to come forward in an effort to stop Devra from continuing her deceit and corruption of innocent people. Unfortunately, it always comes back to a money issue and the fact that she has hidden her assets in her home which is about to be foreclosed on. (This very much alarms me as this may be the only way to get some of the money back to those she has robbed).

I have followed the $30M CPEA funding issue closely and although the monies are earmarked for a 3-Tier Business Plan to develop Spas is the very way to pay off her debt to all of us. If she thought for a moment that she could buy her way out would do so in a heartbeat even though she vindicates herself through the Masters as needing to prove she has done nothing wrong. According to the Masters, Dr. Cole and all the others got their due punishment and their reputations need to be destroyed in the interest of saving ourselves from their evil.

I know that I can never be in the same room with her again, due to her ability to read my mind. I am not sure how she does this and would greatly appreciate any light you can shed on her abilities. I must continue filling out a job application, so I will end for now. You can trust me and I pray you will do the same for us by keeping this information confidential. We are awaiting an answer from the Attorneys as to whether they will take this case without monies being paid upfront. If not, would Jennifer Lint be willing to take our cases based on the additional 30+ people who have suffered? She must have a wealth of knowledge due to the many years of her involvement. It is too bad she quit working for you, and if it would help for me to talk to her, I would be willing to do so, but at this point only if the local attorney's are unable to do so, (we will know tomorrow).

If you align with Hendrickson's Attorney instead, would he be willing to help us? I have the ability to bring to you 30+ former employees and with your 40 former students/employees statements maybe we can stop her! Devra checks your website daily so be careful for our sake. In addition, she has her computer technician check your site daily and at this point he has turned coat, although he has been my friend for 25 years! This only goes to show everyone how powerful her web of influence has on people!

Rebecca West

So to summerize Coffin was a willing accomplice both in the crimes being committed by Patton West in Montana between 1995 & 2010 and the crimes being committed in Arizona between 2010 & 2021. Coffin was also aware of the CRIMINAL CONSPIRACY against fraud victim John Watson who was also Coffin's business partner in 2002. Here is a 'timeline' of events / crimes that Coffin must have been aware of as they were all posted online on Watson's website.

1. Reynolds announced Watson's impending murder and a campaign of terrorism directed at Watson, his wife and children (by Patton West) to a news paper reporter on August 9 2007. The reporter passed the threat on to John Nielson an IRS criminal investigator who passed it on to Watson. A week later there was a failed attempt by Patton West to murder Watson.

2. When the murder plot failed Patton West came up with Plan 'B' which involved trying to bankrupt Watson into submission. Their opportunity came in 2010 as when Watson turned up for the appeal hearing both Patton West and Reynolds served Watson for defamation. We explained earlier that Reynolds pleadings to the court were a pack of lies which netted him a $5,000,000 undefended summary judgment. The truth is an absolute defense against defamation but only if you acn afford to pay lawyers to defend the truth. Since Watson had moved abroad in 2005 believing he would be safer outside the US he had the additional costs of having to fly inot the US for each hearing. Patton West & Reynolds gambled correctly that he could not afford to defend their frivolous lawsuits (lawsuits without merit AKA 'Law Fare').

3. So Watson served Patton West for fraud in 2003 and won that lawsuit in 2008. Patton West sought to neutralize Watson's win in court by launching two defamation lawsuits against Watson with 'liar for hire' Reynolds behind one of them.

4. After Watson failed to attend court to defend the TRUTH Patton West got a $10,000,000 judgment against Watson ($5M for patton West and $5M for Reynolds who apparently signed his $5M over to Patton West or her husband after the court verdict). More importantly Patton West got an injunction forcing Watson's websites down which were at the time the only warning to the public about Patton West's criminal racketeering business model. If you have come this far you would have noticed the long list of crimes committed in Montana and all the associated publicity. This forced Patton West to move to Arizona where she repeated her crimes there just as she had done in New Mexico between 1991 & 1995 and Montana between 1995 & 2010.

5. Because Patton West is a pathological lairs as well as a Terrorist and serial killer she concocted a completely fictitious story around the defamation lawsuits she had brought against Watson. Instead of admitting that she had been found guilty of defrauding Watson she issued a number of postings on-line that characterized her 'win' in court not as an attempt by Patton West to neutralize watson's win in court but instead presented a story whereby she portrayed herself as the victim of cyber crime. Patton West did not refer to her and Reynolds' frivolous lawsuits AKA 'Lawfare' as a criminal conspiracy to silence Watson where terrorism and attempted murder failed. Instead Patton West claimed that a judge had independantly prosecuted Watson for cyber crime. She also characterized her 'win' as a victory for all women?? This is what psychopaths do they portray their victims as being the perpetrators of their crimes. Go here and here to review a webpage dedicated to explaining Patton West's lies, BS and propaganda.

Image '1' & '3' can be found here. Image '2' can be found here.

Image '1.' Patton West is not a doctor of anything. Yes, she bought an injunction against Watson after he won a fraud lawsuit against her. She needed the injunction to silence him after threats, intimidation against him and his family failed, and after an attempt by Patton West to murder him failed.

Image '2.' How can it possibly be a legal victory for all? Firstly, her 'victory' occurred in Montana in 2010, not in Sedona. However, part of Patton West's propaganda is to portray herself as a victim and to further leverage the 'victim' card she wants the public in Sedona to think they are / were victims of someone trying to tell the truth about a dangerous con artist, murderer and suspected serial killer. As long as Patton West is free, it is a victory for her but not for the community she is embedded within.

Image '3.' As long as Patton West continues to convince the public that her lies are their truth, she 'prevails' against Watson and countless other victims of theft, fraud, extortion, violent assaults and murder.

6. Now we get back to the other senior member of Patton West's cult / criminal racketeering gang Dr. Julio Williams who a) funded Patton West's 'lawfare' against Watson and b) put up a website that Williams paid for which portrayed Patton West as the victim. Here is a link to that webpage and below here are three excerpts from Williams' lies, BS and propaganda 'hit piece.'

And...

And...

We are humbled to witness her dignity and perseverance demonstrated throughout this ordeal. Her focus remains on her service endeavors and meditation programs and enlightened teachings, with many worthy projects in progress. We are grateful for such a positive outcome! Overall, this is a victory for everyone. Please extend this website to anyone who has been a victim of cyber-slander, stalking, and bullying.

So now we have reviewed just a small portion of the crimes being committed in Montana by Patton West aided and abetted by Reynolds and Williams let us:-

1. Give more information to identify Corinne Coffin AKA Tanmayo.

2. Give more information about Coffin's brief realtionship with John Watson her business partner in the Millennia Mind debacle / attempt to defraud Watson.

3. Evidence of brainwashing and conditioning of Corinne Coffin by Patton West.

Firstly, let us identify Corinne Coffin who was kidnapped and held captive by terrorists in Brazil. This from an internet search...

Corinne Coffin was a **Brazilian-born** executive and director of five **Coca-Cola** bottling plants in Brazil, operating under the franchise of the **Coffin Group** (which included entities like Perma Industria de Bebidas S.A. and later NVG/Refrescos). She is widely known as the subject of the 1991 kidnapping case featured in the Netflix docuseries *Captive*, where she was held for ransom by **Ronaldo Monteiro** before her release in June 1991. The search results identify her primary business role as managing the local bottling and distribution network for **Coca-Cola Brasil**, which held a dominant market share (approximately 58.3% in 1991) and was later acquired in part by **Andina Bottling Company** (via its subsidiary Refrescos) in 2000.

Corinne Coffin was the Brazil-born, American-parented head of the family-owned Coffin Group's Coca-Cola bottling operations in the early 1990's She was abducted at gunpoint on May 28, 1991, near the Rio–Niterói bridge, along with her chauffeur, after the kidnappers had surveilled her routine for weeks. Her captors initially demanded $20 million but settled on a $500,000 ransom, paid after roughly 13 days of captivity, during which Coffin reportedly suffered a stroke.

The SEC filings reveal that in March 2000, Andina Bottling's subsidiary Refrescos bought the Coffin Group's NVG franchise license — covering Espírito Santo and parts of Rio de Janeiro and Minas Gerais, previously serviced through Perma — for US $74.5 million, with Russel W. Coffin and Corinne Coffin indemnifying the buyer against pre-acquisition tax liabilities.

Since her release, Coffin has largely vanished from public life, with no social media presence or recent media appearances.

And...

Corinne Coffin Tells Her Scary Tale In 'Captive'
by Alaina Urquhart-White
Dec. 9, 2016

Netflix's newest original series, *Captive* is a true-crime docuseries that dives head first into some of the most famous cases of kidnapping around the globe. The series is told from all angles of the crimes, including the offenders themselves. It gives insight into the mindset of the victim, their families, the police, and the kidnappers during the time of the captivity in question. Episode 2 will focus on what they refer to as, "The Cola Kidnap." Brazilian Coca Cola CEO, Corinne Coffin was kidnapped and her family was extorted for ransom in 1991. But, what is Corinne doing now all these years later?

Well, it is certainly understandable that someone that has been through what she went through would not want their information public ever again. Any searches for her recent activity turn up nothing and she is not available on any social media platforms. She has essentially disappeared from the internet since her release in 1991, and I really can't blame her.

But since approximately from 1991 until 2021 Coffin felt comfortable enough being a member of patton West's cult / criminal racketeering gang and financed Patton West's crimes to an estimated $2,000,000! Here is a link to just one amount of financing amounting to over $700,000 US!

Secondly, let us give more information about Coffin's brief relationship with John Watson her business 'partner' in the Millennia Mind debacle.

In 2022 John Watson was 'hired' as a business consultant in a project which required business consultant Watson setting up multiple non-profit corporations as subsidiaries to a for-profit corporation named Millennia Mind. Watson was 'partnered' with Corinne Coffin who had agreed to inject $1,000,000 US into the project as seed capital. As part of Patton West's attempts to seel this to the rest of the cult both Watson & Coffin were paraded out in front of the entire cult as partners / directors with Patton West in the Millennia Mind project. During this publicity stunt Coffin wispered to John Watson that she was glad he was onboard as without his presence Patton West would probably divert her donation to fund Patton West's luxurious lifestyle costs.

Coffin had good reason to make those comments as in Patton West ahd diverted an $80,000 US 'donation' to Patton West's charity into her personal bank account to pay for her sons legal fees in the first of two child custody cases. Go here to read AJ White's notarized statement about the $80,000 'donation' and go here to read our bulletin about how Patton West subverts courts cases brought against her including the first of two child custody cases this one being Patton West's son Chris Haywood against Kendall Haywood.

So here is proof that in 2002 Watson was partnered with Coffin in the Millennia Mind 'project.' Why would John Watson be signing a personal guarantee with Patton West if he was not a shareholder? Why would Patton West write to her lawyer Mr. Tabarrachi asking him to dissolve all the business agreements between her and Watson if there were none? Then, there were the business cards and stationery that the Cactus Design agency in Colorado were working on for all three shareholders Watson, Patton West and Corinne Coffin...

Above: Business cards for the three Director / Shareholders for the Millennia Mind Corporation that Watson set up while acting as a business consultant for Patton West between January 2002 & August 2002.

Of course the 'Millennia Mind' project was just a 'place holder' to keep Watson on board for 6 months while Patton West tried to brainwash and condition him into joining her cult / criminal gang and donating his wealth to Patton West's lifestyle costs. Once it became obvious that Watson could not be brainwashed and conditioned and had insisted that as a condition of hiscontinued participation was that Patton West brought her activities within the law Watson was constructively dismissed without reason and without the pay and shares he was promised. This all happened in 2002 but in 2007 / 2008 time frame when information about Patton West's many crimes in Montana became public knowledge. This included an announcement by the Ravalli Republic newspaper announcing that John Watson had wion his fraud lawsuit against Patton West. In response to that news Patton West posted the following statement on her website...

Millennia Mind Dispute with John Watson:
Devra Surya Ma's legal team has filed for an appeal for the sanction ruling stemming from a technical error and timing matter. Additionally, contrary to Watson's claims of a "Big Win", lawsuits have been filed against John Watson for his many threats and criminal acts against Dr. West and her family members and will be diligently pursued by Dr. West's legal team.

TRUTH: No business contract between Dr. West and John Watson has ever existed. **The legal dispute was fabricated by Watson to leverage an extortion scam**. Any and all business proposals made by Watson were declined. Dr. West has no intentions of enabling an extortion scam, therefore no settlement of any kind will be entertained.

Why would Patton West write to her lawyer asking him to recover all documents that showed there was a business agreement? Why would Watson sign a personal gurantee if he were not a director / shareholder of Millennia Mind? Why would business cards exist if watson was not a partner / shareholder in the project?

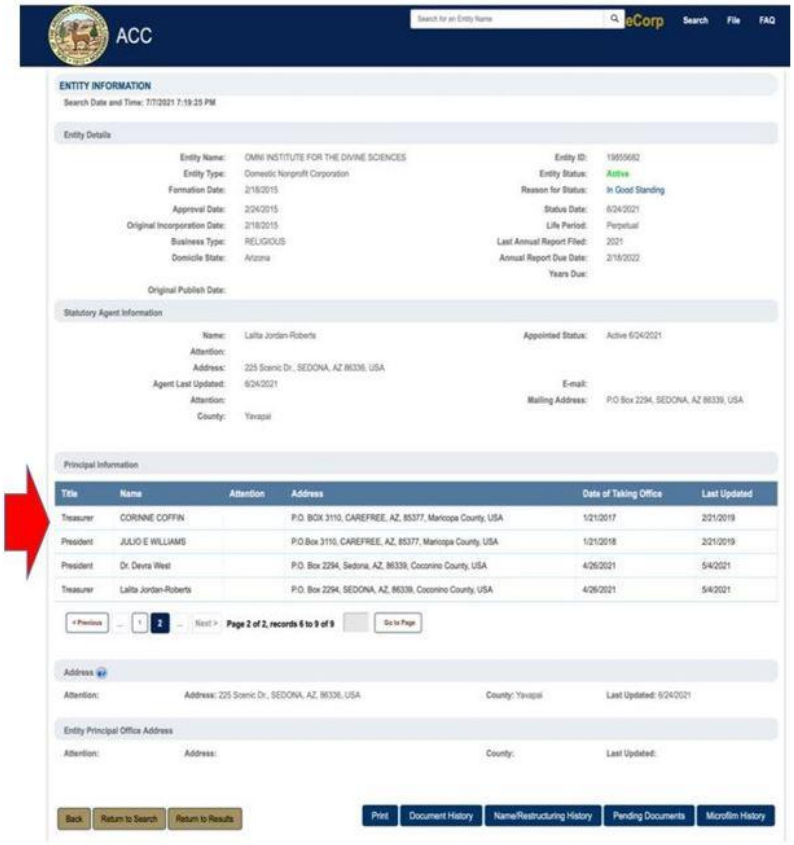

But most importantly throughout the period when all these crimes were being committed and while Patton West was spewing lies about John Watson not being involved in the Millennia Mind project Corinne Coffin said nothing and did nothing. But why would she? The evidence clearly shows that Coffin had gone along with all the crimes being committed by Patton West during her 30 year tenure in the cult / gang. The crimes being committed against Watson (fraud, terrorist attacks and attempted murder) were just par for the course!

But Coffin's treachery was not over. As in 2007, during Watson's court case, a document came to light confirming that Coffin had 'donated' $743,000 to Patton West to fund the 'Millennia Mind' project. The project Patton West had a) dismissed Watson from as a founder shareholder - after he had completed all the tasks assigned to him and b) denied Watson was ever involved with! The roughly three quarters of a million dollars given to Patton West as seed capital was very suspicious. The original amount of seed capital Coffin agreed to put in to the project in 2002 was $1,000,000. Watson's financial interest in the project was to be 22% of the shares which with a million dollars of funding was $220,000. It was perhaps more than a coincidence that after Watson was gotten rid of the seed capital dropped to $743,000. While the reduction in funding did not accurately reflect the value of Watson's shareholding in the project the difference between the original intended amount of $1,000,000 by Coffin and the amount given after Watson's departure is more than a coincidence! By this time it was obvious to Watson that Coffin was awilling accomplice in Patton West's crimes and a willing accomplice in the defrauding of John Watson.

To make Coffin's willing participation in Patton West's crimes obvious to a judge and jury at her forthcoming trial in the USA we present the following document. The corporate filings for Patton West's most recent 'front' corporation through which Patton West money laundered the proceeds of crime clearly indicates that Coffin remained not just a funder of Racketeering , Terrorism and Murder in the USA but was the 'Treasurer' for that corporation. Making Coffin doubly guilty of patton SWest's crimes.

Title	Name
Treasurer	CORINNE COFFIN
President	JULIO E WILLIAMS
President	Dr. Devra West
Treasurer	Lalita Jordan-Roberts

Both Coffin (and Williams) only resigned from Patton West's money laundering corporation in 2021 and only after Patton West defrauded the US government out of $150,000 in SBA (Covid Disaster Loans). Coofin knew that unlike Watson and the scores of other victims of theft, fraud, extortion and embezzlement during Coffin's tenure in the cult / gang the US government could spend unlimited resources to prosecute organized crime.

So to summarize this bulletin being sent to the FBI and Lw Enforcement in the US & Brazil we find it interesting that Coffin was kidnapped by a gang in Brazil in 1991. That would be about the time she joined Patton West's cult / criminal gang. One could say that after being kidnapped and held hostage in Brazil Coffin ended up being kidnapped and held hostage by Patton West for 30 years! We would remind you that while attending the 'Robert Jaffe School for Energy Mastery' between 1990 & 1991 Patton West acquired occult (hidden) knowledge that allowed her to use 'Shamanic Visioning' as a weapon to facilitate crime. That weapon was also used to brainweash and condition welathy targets like Corinne Coffin. Below here is an email Patton West sent to Coffin after Coffin's father dierd leaving the bulk his fortune to Corinne Coffin. See how mant times you can count the word 'gold.'

Dearest Tanmayo,

Greetings Dear One, my thoughts and love have been with you during your time with your father and the days coming out of Los Angeles with Sargam. Soon your father's passing will close a chapter in your life and a way of life that represents the old and the non-serving, for you personally and for the entire planet. I have continued to work with you and your family, to clear and lift the distortions of the past, but more important than this, to also illumine the pure and the positive in the bloodline. By working with the bloodline directly, the purity does reveal itself. It is there. Clearing the bloodline is one of the essential elements to preparing to live a higher order of life and also to build a purer physical body. But one must live an ethical life, the whole family, including the boys. Right use of privilege is the family karma to be cleared.

Within your father's soul and being, despite his outer condition of body and mind, remains the goodness that he seldom was able to express. In the end as he slips away, he is placing value on those he loves in his inner world, rather than on his position of power and money in his outer world. Let him pass to you what he can, but be sure to contain yourself and your own past with him. Watch for numbness and hold yourself at a deeper level. It is time to heal the places where you have had to disconnect from yourself and the outer world just to survive in the past.

With time you will take your father's inherent goodness into your own being and you will benefit from the sacred that he indeed can pass to you. The family bloodline can be cleared and the karma of the past cleared and balanced. It may take several years to fully distill your childhood pain and abuse, to discern that from the true goodness that is inherent in the family line, but there are a number of divine qualities that will eventually be what he leaves you.

Eventually he will leave you the 'Gold', and I use the word gold on many levels of understanding. His past succession of lives involved both the wrong use of power, and the wrong use of wealth and gold. But he also quested for something greater. He did quest for something greater. He once died in the Amazon, not far from where we had been vowing to return to seek the city of gold, and to discover what the native peoples had said existed. Something in him was searching for not only gold but also for the healing power of ancient promise. The old stories told of cities of gold and the fountain of youth. He once quested for this. Let him pass his quest to you.

And so as you lift above the veils of the your family's miasma during the coming months, you will be gaining holy ground of your own making. A number of large decisions remain to be made. Correcting imbalance is crucial. You must make the shift from 'selfish entitlement' to right use. Money is fluid energy under the laws of right use.

Setting new requirements that ignite the process by which your boys grow beyond the old pattern of the abuse of privilege and become responsible men, will prepare the 'family spiritual house' for grandchildren.

Meanwhile, you in the coming months will be preparing to set sail on the beauty and power of your life's work and mission. Right use of the world's resources, gold and water, money and consciousness. To bring forward the pure healing power of gold and water, will open many doors automatically and at molecular levels for planetary life. The work in the Amazon coincides with the work with all the kingdoms, including the animals. We must clear and open the way all the way back to the 'Beginning' to Pass the Sacred into the present.

Don't be afraid to make radical changes. You must take charge of your own life. Your managers are there to serve your wisdom and your higher purpose, even if they cannot now understand it. As you pass the tests that are necessary, the vision that has been given to us can be set into motion. The delays have only caused further concern for your managers.

And...

The problem of delays must be rooted out at the root of your own being. I ask you to review the co-creation formulas and poster board sheets and any notes that have been brought through during the fall. I think this would help you to retain connect in with your line of force during the time of your father's passing.

You have already been given much spiritual gold, through the channeling and downloads that I have witnessed you receive. Follow the goodness of it and the purity of it with faith. Put your faith and your life force on the side of good and in the hands of the Christ. From your demonstration of faith, by following directives and revelations, you will be guided to the "GOLD".

Dear One, much wealth awaits you and desires to be put into your hands. As you clear your relationship with gold and gems they will desire to serve you. But you must let go of past thinking and past relationship with privilege and wealth. **You must take that great step of courage to finally stand on God.**

Trust me as I guide you to the other side. More than anything I desire for you to appreciate yourself and what is your true capacity to make a difference in the world. Let God decide money issues. Truth Witness with your managers present. They need to accept the shift you are making. As you give your wealth to the Christ Universal for complete 're-making', not only will your family karma be healed, but your birthright of abundance will be unleashed. Your managers would indeed be very dedicated to working for the Christ.

But you must open the door and set the tone through your own example. You must take that step beyond the astral quagmire that you have been in recent months. You must desire to come clean. And so I ask that you choose a keynote to work with diligently. Return to your new creation keynote over and over through your day. This will elicit divine synthesis even as you attend to all the practical matters that will be pressing. Everything is asking to be changed. Let the hand of God be that change. Let the light of the Christ be behind every change that you make.

Outer circumstances cannot be allowed to dictate, to alter, to compromise the guidance that is received from the Christ. This is the purpose of faith, to trust that His Word will be the resolution that is needed and the truth that will free the Light of God in any and all situations. This is the test of trust in and of itself. Do you believe that the Christ would ask something of you that does not ultimately liberate you to live in your true Light?

I have waited many months to impart the following. I have waited for the time when your inner light can no longer wait to be ignited. Your inner light, Tanmayo is calling loudly to be released from the bog of past resistance, the fear of letting go of money, of truly giving it to God. Your contact with me on the inner planes via the higher self is very, very active. You have been coming to me asking for impact and release. That part of you knows that there is no time to waste in hesitation and denial. And so I must be frank with you, one part of you is saying yes, I am ready in a very big way …… even as an old part makes a last ditch attempt to hang on to the miasmas. You must claim your ground upon the wheel of Trusted Disciple. Regarding Millennia Mind, Sanctuary, GGI, you must be trusted to do the right thing. You are in your hour of progression!

I will be in touch with you in the days to come. I have been asked to do a channeling for you and of course there is much consulting that will be essential to plotting your course and guiding your life's 'mission ship' out of the harbor and into the wide open spaces of new creation. Use your mediation time to connect with my love and wisdom. It is very much there for you. I am on the high seas already Dear One. There is no need to save me, there is only the need to serve the Divine Plan and do the right thing for yourself, to fulfill your own destiny and highest purpose.

My personal ship is in the hands of God and I have set sail. The high sea only seeks to reflect back to us the benevolence of our own Divine Nature. That reflection has become a blazing white light that extends before my every step. The fact that you are part of the process, that we share the path and the oath and the service is something very sacred and indeed can be our joy and pleasure and delight. Let us live the liberated life. Let this be your goal. Our ashram is moving forward on the wheel.

And...

Set the tone and the new example. Wield your force by directing it into active good. Go beyond the ability to contain, to the next step of cultivation and refinement of expression. Move from tension points to adeptship and claim your ground. Stand on it!

CLAIM YOUR INNER GOLD AND YOUR OUTER GOLD WILL FLOW!

Your large generator crystal can help you to clear many things and also clarify who you are as a Global Guardian at this crucial time in our planet's history. It is time to activate the relationship between the two crystals and establish the new ley lines. Our personal alignment with truth, energizes the lay lines. My mastery is quickly coming on strong. Know that I stand with you and beside you. You are not alone and you are very much loved. I will be in touch. There is more to come.

As you anchor the energetic truth of the next level, then all the practical matters of contracts, business plans, what you commit to bringing to the table of partnership, working from a managed budget etc can rapidly follow. Inner clarity will become outer clarity, outer clarity will become manifestation. The work of Sanctuary will be a work of health and well being, higher consciousness and rejuvenation and the release of the healing union of gold and water. It is also the gateway for returning to the Breath of God as it was in the Beginning. Let us claim our birthright and shine through this work. We are both truly privileged to serve this work of the Immortal Masters.

I know in my heart of hearts, that we all stood together as a single monadic body of being and consciousness before coming here. I know we all took the same oath as sovereign souls. I know that we all swore our allegiance to one another and to the work of serving as guardians of the kingdoms of earth. I do know what is true and what is needed in our response to the Great Work.

I truly pray and consciously formulate that a new period of creation can follow on the heels of the doors that have opened during our time in Los Angeles. There does come a point, I promise you, when the tests of growth become the proving ground of adeptship and thus fulfillment, rather that post-expansion resistance and triggering. You become a 'trusted disciple' when you no longer give your power away to the rhetoric of the ego, when you no longer negotiate, shuffle, drag heels and rationalize, but rather act with certainty from the Christ's directive. This is the making of an initiate and world server. Use your keynote with love and power and faith. Energize and magnify it with your generator crystal! I offer you much light during this time.

As One on the Path,
Devra

P.S. Thank-you dear one for my few brief moments of personal fun time while in L.A., it is indeed a gift of the heart and our femininity.

As proof that this is what Patton West was doing for three plus decades here is a link to an email sent to dallas actres Lynda Gray who Patton West wanted to entrap. Fortunately Lynda Gray had more discernment than Corinne Coffin.

Finally, let us recap a small portion of the evidence against Corinne Coffin and her willing involvement and funding of Patton West's crimes. AKA Racketeering, Terrorism and multiple Murders!

1. In addition to all of the well publicized crimes listed above in this bulletin (the tip of the iceberg as 95% of victims walk away empty handed after becoming the victim of terrorist attacks by Patton West) Coffin remained enganed and continued to fund Patton West's crimes in Montana and Arizona.

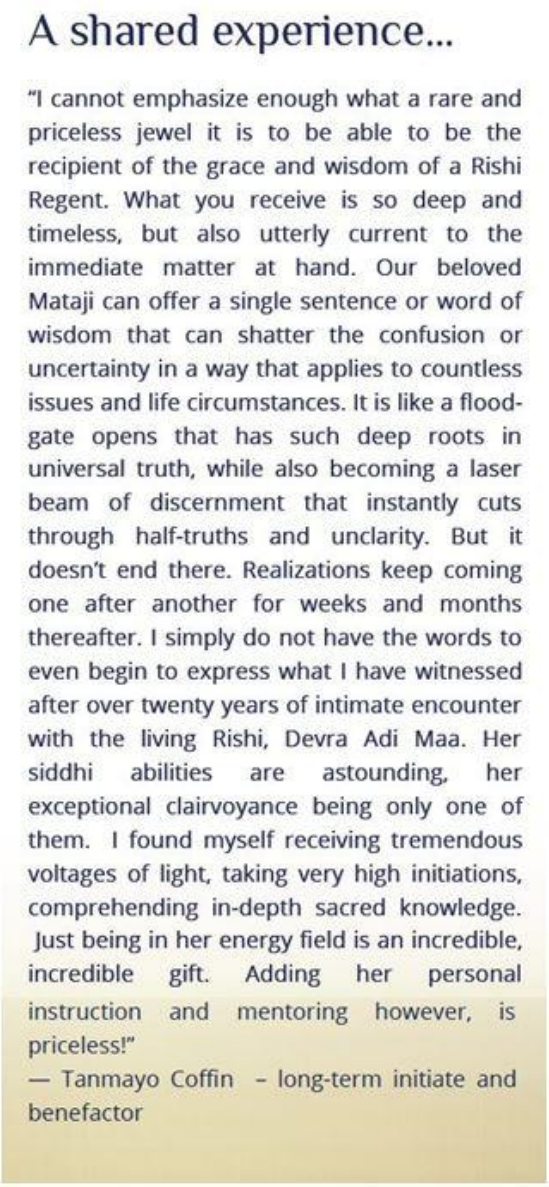

2. In addition to the very negative published articles by three Montana newspapers Coffin remained engaged and continued to fund Patton West's crimes in Montana and Arizona.

3. In addition to knowing about Patton West's failed murder attempt against Coffin's ex-business partner John Watson and the threats against Watson's wife and children Coffin remained engaged and continued to fund Patton West's crimes in Montana and Arizona.

4. In addition to being aware of the criminal conspiracy to extort $10,000,000 from Watson with Patton West, Reynolds and Williams blatantly lying to the courts about Watson Coffin continued to be engaged with Patton West and by definition was a willing accomplice in Patton West's crimes in Montana and Arizona.

5. Indeed Coffin remained engaged until 2021. In fact as the documents above clearly show Coffin acted as the 'Treasurer' of the 'front' corporation that Patton West used to money launder the proceeds of crime through to herself.

As if there were not enough nails in Coffin's coffin (pun intended) here is another...

A shared experience...

"I cannot emphasize enough what a rare and priceless jewel it is to be able to be the recipient of the grace and wisdom of a Rishi Regent. What you receive is so deep and timeless, but also utterly current to the immediate matter at hand. Our beloved Mataji can offer a single sentence or word of wisdom that can shatter the confusion or uncertainty in a way that applies to countless issues and life circumstances. It is like a flood-gate opens that has such deep roots in universal truth, while also becoming a laser beam of discernment that instantly cuts through half-truths and unclarity. But it doesn't end there. Realizations keep coming one after another for weeks and months thereafter. I simply do not have the words to even begin to express what I have witnessed after over twenty years of intimate encounter with the living Rishi, Devra Adi Maa. Her siddhi abilities are astounding, her exceptional clairvoyance being only one of them. I found myself receiving tremendous voltages of light, taking very high initiations, comprehending in-depth sacred knowledge. Just being in her energy field is an incredible, incredible gift. Adding her personal instruction and mentoring however, is priceless!"

For these reasons we ask that the FBI, Law Enforcement in the USA & Brazil to issue an arrest warrant for Corinne Coffin and the rest of Patton West's cult / criminal racketeering gang...

VIDEOS NOW POSTED ON YOUTUBE HERE

PART 13* - THE EVIL SECRET OF PATTON WEST'S POWER OVER OTHERS REVEALED!

Above: A criminally insane narcissist apparently given a license to kill by the authorities. The weapon she used to terrororize and murder her victims is not recognized as a weapon under legal statute. So this serial killing psychopath has been given a free pass - up until now!

Because the occult (hidden) 'weapon' used to facilitate three decades Racketeering, Thousands of acts of Terrorism and Several Murders is not regarded as a weapon under 'Legal Statute' Patton West has gotten away with crimes on an industrial basis (so far) for three decades. As you read this Patton West is carrying out more terrorist attacks against truthers and victims in the belief that she has 'plausable deniability.'

For over 30 years Patton West has stuck up her middle finger against law enforcement and the courts. As we are about to show Patton West subverts every court case she is involved with targeting victims and witnesses a like with terrorist attacks to intimidate them into withdrawing their lawsuits or intimidating victims and witnesses into not giving evidence against her! While the FBI and Law Enforcement looked the other way for three decades this is what Patton West has gotten away with...

1. Multiple Murders (5 to 7). [Devra says she has "taken a limited number of earthly lives" for the benefit of humanity (source)] FBI & Law Enforcement do nothing!

2. Three decades of Racketeering. Numerous examples given below. FBI & Law Enforcement do nothing!

3. Thousands of acts of Terrorism against scores or hundreds of victims. FBI & Law Enforcement do nothing!

4. Evidence indicates that Patton West has acquired $30 to $50 million over 3 decades from Organized Crime. FBI & Law Enforcement do nothing!

In previous bulltins we have touched upon the form that these TERRORIST attacks take and the weapon used to achieve TERROR in her victims. At this point it is worth defining what constitutes TERRORISM and a TERRORIST attack....

terrorism noun

ter·ror·ism 'ter-ər-ˌi-zəm

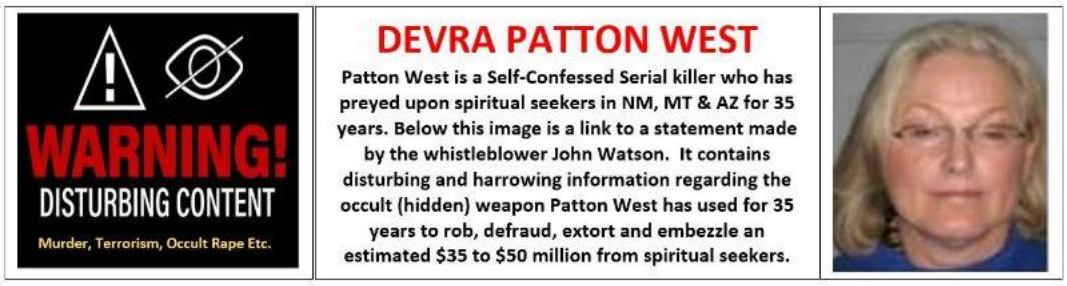

Synonyms of *terrorism* >

: the systematic use of terror especially as a means of coercion

Domestic Terrorism for the FBI's purposes is referenced in U.S. Code at 18 U.S.C. 2331(5), and is defined as activities:

- Involving acts dangerous to human life that are a violation of the criminal laws of the United States or of any State;
- Appearing to be intended to:
  - Intimidate or coerce a civilian population;
  - Influence the policy of government by intimidation or coercion; or
  - Affect the conduct of a government by mass destruction, assassination or kidnapping; and
- Occurring primarily within the territorial jurisdiction of the United States.

We are talking about 'Shamanic' visioning used as a TERRORIST weapon by Patton West to facilitate theft, fraud, extortion and embezzlement. We know Patton West attended the 'Robert Jaffe School for Energy Mastery' for 18 months between 1990 & 1991. Which is where Patton West acquired occult (hidden) knowledge which, Patton West, not being spiritual evolved went on to use the knowledge as a weapon primarily to feather her own financial nest at the expense of everyone over the past three decades. The 'Robert Jaffe School for Energy Mastery' was also a school teaching its 'students' how to form future cults of their own. The occult (hidden) weapon is also used to silence victims who go public. Like the whistleblower John Watson and many others. Watson was defrauded by Patton West in 2002 and successfully sued her for defrauding him in 2008. The Ravalli Republic newspaper covers that. Watson also put up a website to warn others to stay away from Patton West and her cult / criminal racketeering gang. As a consequence Watson has been the subject of two failed murder attempts by Patton West and he and his wife and children have been on the receiving end of an 18 plus year campaign of terrorist attacks by Patton West that are ongoing NOW!

Follow this link to review the contents of a statement sent to the FBI & Police by fraud victim turned whistleblowerJohn Watson.
WARNING the contents are deeply disturbing. While publicly masquerading as a Guru in NM, MT & AZ Patton West was using occult knowledge (black magic) to terrorize victims into emptying their bank accounts into hers. Victims and Witnesses were targeted with terrorist attacks and intimidated into remaining silent. Victims like John Watson who went public or went to law for justice were / are slated for murder.

FBI POLICE TAKE NOTE The attacks against Watson continue but he is still alive and ready to testify as are Kushner, Hendrickson & Cantwell and countless other victims of theft, fraud, extortion, embezzlement and violence. Additionally Patton West has been busy this last decade or so since arriving in Arizona after being forced out of Montana and New Mexico. Patton West is currently under investigation for a multitude of crimes committed recently including the alleged defrauding of the US government out of $500K in SBA Loans. Recently all the senior members of her cult / criminal racketeering gang Julio Williams, Geoffrey Reynolds, Corinne Coffin and Jack West have tried to put distance between themselves and Patton West. They all understand that, in respect of the $500K Patton West obtained for non-existent employees, that the US government, unlike ordinary victims, can spend unlimited resources to prosecute crime.

These bulletins are being sent out with the objective of persuading the authorities to launch a serious criminal investigation into Patton West's activities over the past 33 years in three western states NM, MT & AZ. Given 32 years of Racketeering and Domestic Terrorism across multiple states that

investigation should be held under R.I.C.O. statutes.

WHILE WE WAIT FOR THE FBI, POLICE OR MILITARY TO ACT, PLEASE READ ABOUT THE 'WELCOME MAT' PUT OUT BY ONE ARIZONA COMMUNITY FOR PATTON WEST…….

After Patton West was evicted from her rented mansion after running up $80,000 in rent arrears, she moved into a condo in a small Arizona community. Below is part of the response by that community after con artist Patton West moved into their community…..
