These bulletins are not **SPAM**.

They are an earnest and honest attempt to get the FBI, Police & AZ, MT & NM State Governments to investigate 35 years of Racketeering, Thousands of Acts of Terrorism and Multiple Suspected Murders. If you do not want to receive these bulletins then block them or better still help by forwarding them on to the FBI & Police.

The videos are meant as a resource for the FBI, Police, State Government's and any Victims wishing to join together to launch a Class Action Lawsuit against Patton West and her accomplices.

Meet Dr. Julio E Williams MD who Funded Terrorism, Racketeering & Murder in MT & AZ for 20 Years

Dr. Julio Williams MD - A Brain Washed & Conditioned Member of Patton West's Cult / Criminal Racketeering Gang who Pledged $2,000,000 of his own Fortune to Fund her Crimes!

Above: Dr. Julio E Williams MD a brainwashed and conditioned droid on his knees before his cult / gang leader. Williams financed Patton West's crimes for 20 years and marketed her to the public as a harmless guru knowing full well that Patton West was the leader of a criminal gang and a prolific terrorist.

But before we get into Williams' crimes let us review some of the crimes committed by Devra Patton West the Self Confessed Serial Killer Williams described as, "a virtual wellspring of living divinity".

Prior to 1990 Devra Patton West was a small time crook and drug dealer who defrauded her victims one at a time taking thousands from each. After acquiring occult (hidden) knowledge between 1990 & 1991 this dangerous psychopath, armed with a hidden weapon went into the big time. Since then we estimate that Patton West has robbed, defrauded, extorted and embezzled between $30M & $50M from scores or hundreds of victims.

During a 35 year career of Racketeering in three western states NM, MT & AZ we estimate that Patton West has used her secret 'weapon' to terrorize scores or hundreds of victims and murdered 5 to 7 individuals. The murders we attribute to Patton West are not a guess on our parts as Patton West herself admitted to murdering several for the good of humanity.

Above: Patton Westr uses Shamanic Visioning and Witchcraft. Victims joining her cult are brainwashed and conditioned into submitting to her will as a prelude to becoming victims of theft, fraud, extortion and embezzlement. Those that go public, go to law or to the police are subject to 'terrorist' attacks and or murder. Because the weapon used is occult (hidden) Patton West acts with plausable deniability although in 2023 she admitted to murdering several...

Patton West has admitted to several murders: Devra says she has "taken a limited number of earthly lives" for the benefit of humanity (source)

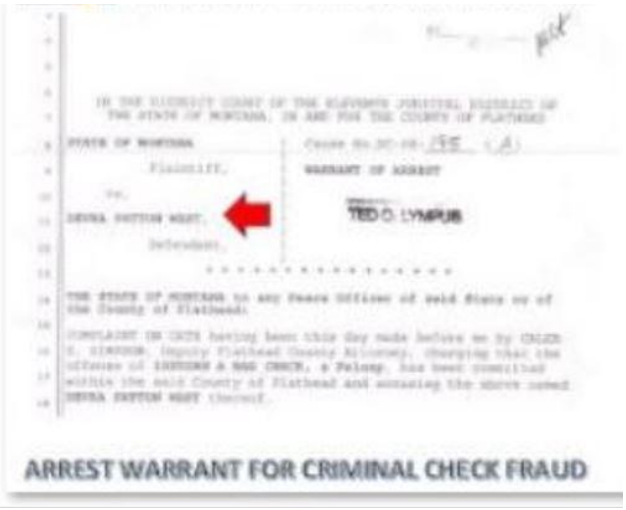

And still the FBI & Police do NOTHING! Why?

We have collected a mountain of evidence to back up our claims and stand ready to act as states witness for the prosecution. Not just against Patton West but also against the senior members of her cult / criminal racketeering gang that have variously funded her crimes inside the USA for decades, have marketed her to the public as a harmless guru, have threatened 'truthers' that went public and who tell lies in court on behalf of Patton West making it impossible for the victims to get justice.

We have catalogued many of her crimes, named many of her victims and the role of her cult / gang members AKA joint US / Brazilian Coca Cola Heiress Corinne Coffin, Julio Williams (see below), Jack West and Geoffrey Reynolds. In other words we have joined most of the dots for the FBI and law enforcement making the prosecution of these criminals relatively easy!

Here is a brief introduction into 35 years of organized crime marketed to the public as 'World Service.' First two arrest warrants issued in Montana in 2008 & 2009...

Below here are some newspaper articles from Montana. From left to right the Whitefish Pilot from July 2007. The Bigfork Eagle from August 2007. 'Spiritual Guru pleads guilty in assault from 2008 and the Ravalli Republic from October 2008. And the Guru Magazine from 2023.

The FBI & Law Enforcement should reach out to every victim mentioned below to see if they were the subject of Witchcraft / occult (hidden) TERRORIST attacks prior to or after these judgements being granted.

And there is more. This from Arizona recently...

The only reason Patton West has not been jailed during her 35 year reign of terror is that both victims and witnesses are subject to terror attacks prior to any court proceedings can be scheduled. Several have been murdered as Patton West admitted in 2023. There have been several attempts to murder fraud victim turned whistleblower John Watson the first attempt being announced by Geoffrey Reynolds in August 2007. However before that in January 2007 Julio Williams sent Watson an expletive laden email in a clumsy attempt to intimidate watson into dropping his fraud lawsuit against Patton West which Watson won in 2008. At the very least this is 'witness tampering.' Here is an excerpt from Williams' email...

Subject: The line in the sand has been drowned!

Mr. Watson,

Over the last few years I have been witness to your continuous attacks to Devra West and the nonprofit. Hear me very clearly now "THE LINE IN THE SAND HAS BEEN DROWN". If what you are after is money (and /or the Victor property) it is going to take a lot of your own personal money to try and get it. I have personally allocated Two million dollars for Dr. West defense and legal expenses.

If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down. Mr. Watson, You will have your date in court. You fuck with me and you will meet your match.

Julio E. Williams, MD

Why would a total stranger to Watson allocate $2,000,000 of his personal fortune to both fund Patton West's crimes and fund her legal fees so she could outspend her victims in civil court. Watson won his fraud lawsuit in 2008 here is a link to the judgement and to the award granted to Watson. The amount granted to Watson was $736,000. Patton West hardly ever wastes her own money defending the tens of civil lawsuits brought against her for mainly fraud related lawsuits instead she uses her occult (hidden) weapon to terrorize her victims or as she admitted in 2023 murders them. We estimate that she has murdered 5 to 7 who 'opposed' her by telling the truth publicly or going to law or to the police. In fact her then husband Jack West told Watson in 2002 that if he went public about the many crimes he witnessed while working as a consultant for six months he would be murdered. Here is what Jack West said to Watson...

"Those who oppose my wife have a habit of dying suddenly."

A comment made to John Watson by Patton West's then husband Jack West in March 2002. At the time Watson was employed as a business consultant by Patton West who was then calling herself the Ascended Master 'Devra Ji.'

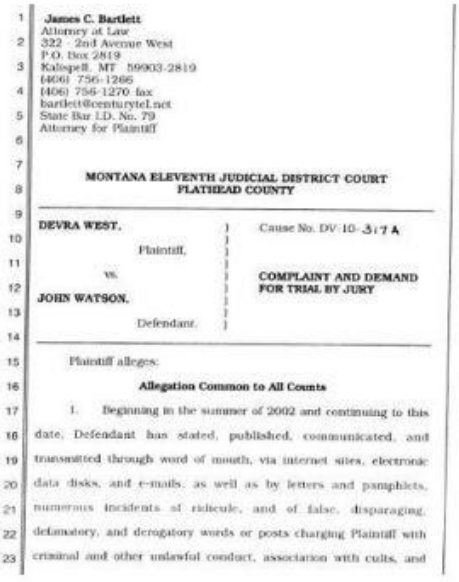

As stated elswhere senior cult member Geoffrey Reynolds, while being interviewed (on behalf of his employer Patton West) on August 9 2007, told the Whitefish Pilot news reporter that watson would be dead within 12 months or in jail for reacting to what Patton West was going to do to him, his wife and children.

When the 2007 murder plot failed Reynolds agreed to be part of a $10,000,000 extortion scam led by Patton West that Williams agreed to fund witness the statement he made in his January 2007 email to Watson wherein he pledged $2,000,000 to fund Patton West's crimes and her legal fees so she could outspend Watson in court. After Williams failed to intimidate Watson into dropping his lawsuit in January of 2007 (which watson won in 2008) and after failing to murder Watson in August 2007 Patton West appealed the judgment against her. This involved Watson having to travel to Montana from the East coast of canada to attend the appeal hearing. Prior to the 2010 appeal hearing with funding from Williams and an agreement by Reynolds to lie and make false statements Patton West set her trap. It is a fact of life that if criminals cannot intimidate you or murder you they end up buying the law they want. 'Buying' the law she wanted involved Patton West making totally false statements to the Montana court. This also involved Geoffrey Reynolds presenting a copy of Patton West's pleadings as his own to the court in which Reynolds stated under oath that he had been defamed by Watson between 2002 & 2006. In reality as an excerpt from his own website makes clear Reynolds was employed in California until September 2006 and did not know Watson existed but that was not a problem for Reynolds who is obviously a pathological liar. What he agreed to do was copy Patton West's pleadings and present them to the court as his own even though he did not arrive in Montana until September 2006 and did not know Watson from Adam!

Geoffrey Reynolds CPA perjures himself / makes false pleadings to the court as part of a $10,000,000 extortion scam.

Above: Reynolds' part of the conspiracy to 'silence' Watson was to submit totally false pleadings to the court, which in reality, were an exact copy of Patton West's. If Watson could not defend the case, Patton West gets double the pay out!

One of Reynolds' fellow employees told the whistleblower in an email that Reynolds was duped into loaning Patton West his life savings amounting to $300,000. Reynolds knew that the only way he would get that money back was by doing exactly what Patton West told him to do. That apparently included being complicit in attempted murder.

A witness (a fellow 'employee' in the cult) stated in writing that Reynolds agreed to be complicit in Murder & Terrorism for a $300,000 'payment.'

Here is an excerpt from an email sent to John Watson by Patton West's office manager in March 2007...

ST, and Fed payroll taxes and was the reason he secretly laid-off Wendy Stuart, without confirming this choice with Devra first. He was attempting to protect his CPA license and as of last night pretends not to remember that we both saw her get hit by Devra with a large, heavy three-ring binder and fired on the spot! I also told him for the forth time yesterday evening, that in addition to her cruel verbal abuse, I had been slugged by Devra, three times in the back. I told him that I would be going to the State Unemployment Office with the truth and asked him, as my co-worker, if he would tell the truth regarding our working conditions. He said that it is his responsibility to represent his employer and he will not tell the truth unless specifically asked for the sake of keeping his job.

Devra dangles the carrot and since he has loaned her his life savings, plans to keep playing her game until it is played out or he is eventually running her property management company. He has not been paid the $300,000+ owed him and provides excuses that although he has had only four employers in his lifetime, most rich people are eccentric and in his experience their behavior can be much worse then Devra's.

But lets get back to Dr. Julio E Willaims MD and three of the crimes he committed on behalf of Patton West.

The first being to finance her crimes and fund her legal fees so she could outspend her victims in court. Below here is another excerpt from an email sent to John Watson by Patton West's office manager in March 2007. Note in the paragraph higlighted in blue the $100,000 that Williams gave Patton West in March of 2007 in the run up to Watson winning his fraud lawsuit against Patton West in 2008.

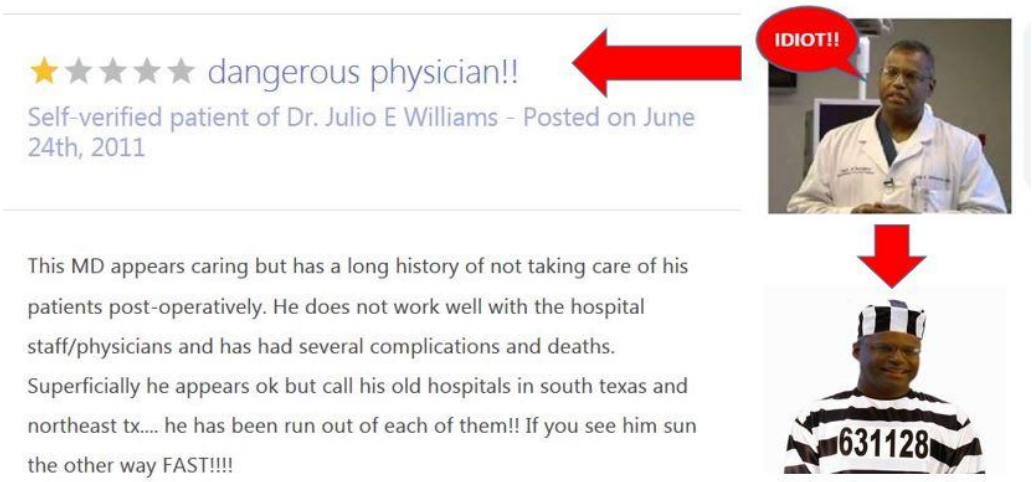

With all my heart, I hope and pray, the law firm that is currently reviewing her documents will help Dr. Cole recover her losses and/or dignity, as she has no money left after Devra extorted more than $700,000 from her.

I am aware that the only person still financially supporting Devra (the finance controller is out of money), is Dr. Julio Williams and he gave her $100,000 last week. Devra spends money so fast that this funding will not last long. I know she has hoarded all her expensive jewels, artwork and artifacts and in addition I contemplate how much money/jewels she has stashed in order to bail herself out in the event you are able to take her down completely, or if the funding does not come through.

Tanmayo's (coca-cola heiress) son contacted the finance controller yesterday demanding the monies his mother contributed be returned. This phone call is the straw that broke the camel's back for the finance controller who has finally realized that he can no longer ignore the very bad situation he has gotten himself into by loaning Devra $300,000.

The second being to 'market Patton West to the public as a doing gooding guru, a 'World Server' when Williams, a student at Patton West's unaccredited school for occult studies, knew all too well that Patton West was a vicious and spiteful career criminal who used an occult (hidden) weapon to facilitate crime. Below here are some of the public contributions that Williams made in an obvious attempt to entice new victims to join Patton West's cult. Who after being brainwashed and conditioned (like Williams) would become victims of theft, fraud, extortion, embezzlement, violent assaults and for between 5 and 7 murdered.

Before we get to Williams' contribution to Patton West's crimes I want to share a posting made about Julio Williams by one of his patients.

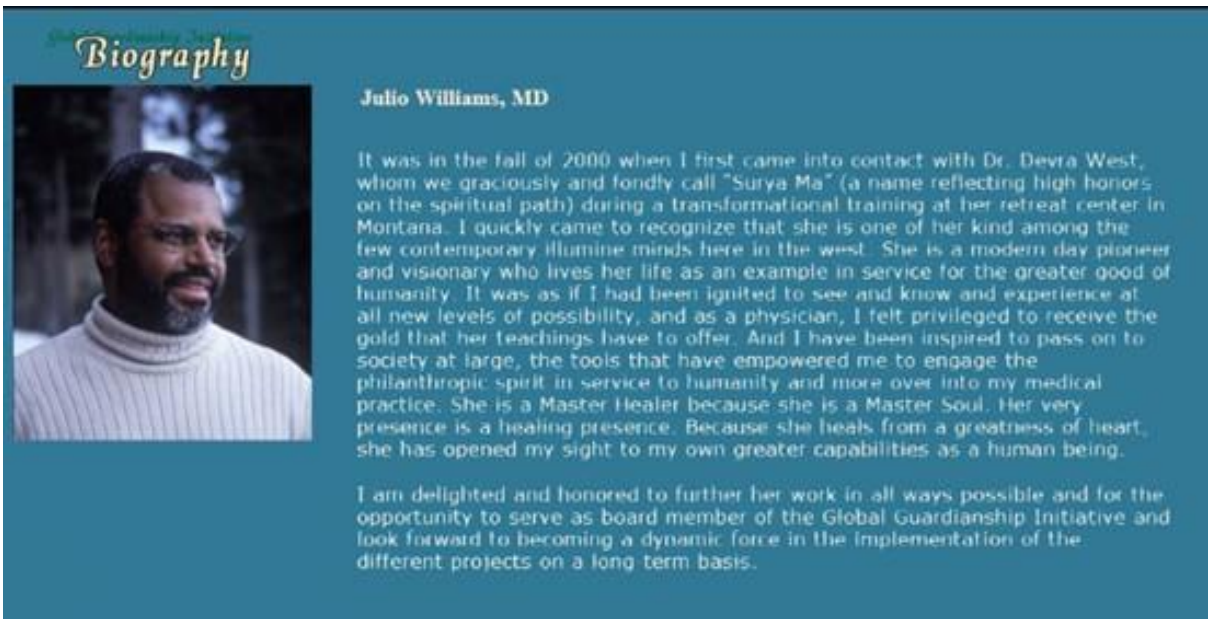

Dr. Julio E Williams MD may not care much about his patients but as we shall now see he went the extra mile in his efforts to attract as many victims as possible for Patton West...

This statement posted on her website in 2005...

I, Julio Williams MD have also been a long time student of Surya Ma and I stake my honor and credibility on defending her personal integrity and establishing the truth. I am proud to serve on the Board of Directors of the Global Guardianship Initiative.

And this is 2007...

The above posted on Patton West's website in 2007 during the time most of the crimes listed above in this bulletin were committed including a vicious assault by Patton West on fellow physician Dr. Pat Cole MD. Here is what Cole had to say to the Whitefish Pilot newspaper...

By CONSTANCE SEE
Whitefish Pilot

A self-styled clairvoyant and spiritual healer from Lakeside who claims the Osprey House on Angel Point as a future VIP spa faces criminal charges stemming from an alleged assault on a Whitefish doctor.

Devra Patton West's goal of opening a series of healing spas -- including one in Whitefish -- has been stalled while she fights allegations ranging from black magic to fraud, extortion and breach of contract.

A temporary restraining order against West, who calls herself Surya Ma, was issued by Judge David Ortley last October after Dr. Patricia Cole, of Whitefish, requested protection.

Cole was the director for one of West's ventures, The Sacred Archives Institute. They worked together for several years. In her statement to the county sheriff's office, Cole claims West abused her verbally and physically.

"She has told me that she has the 'spiritual' power and authority to 'take me out,' to be composted," Cole wrote in the temporary restraining order statement.

Cole claims West threw a lamp at her and hit her with a briefcase, cell phone and her hand.

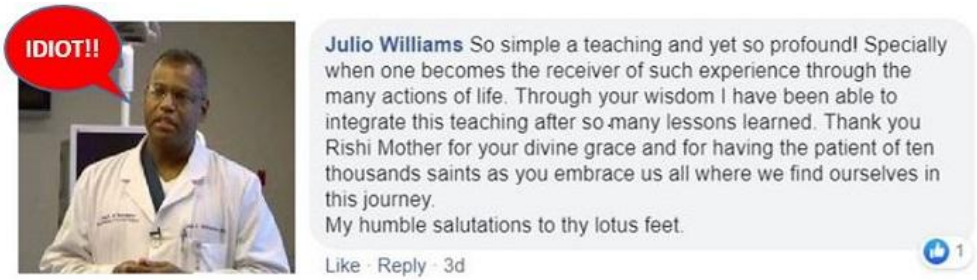

"She took off her shoe and hit me on the top of my head, causing my scalp to bleed onto my face, neck and clothes," Cole's statement reads. "She threatened to kill me with a gun to my head, 'blowing my brains out,' and advised me to commit suicide by slitting my wrists, after I'd taken out an insurance policy on myself."

Photos taken after the alleged beating were submitted to the sheriff's office.

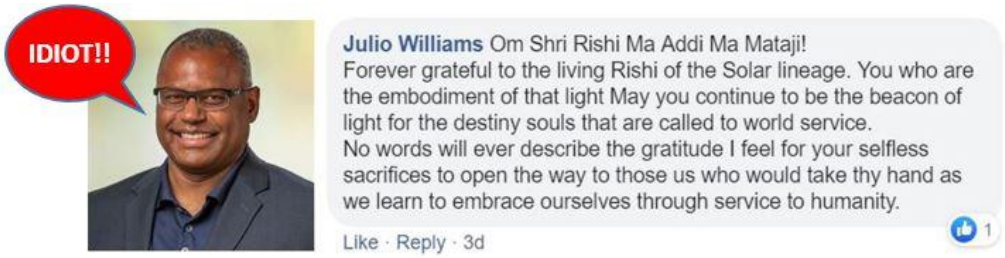

While all of this was going on Williams was churning out the following lies to counter the truth being published in multiple newspapers. Try and explain Williams' dishonest and deceitful testimonials with what you have just read above?

> *"For me, coming into Rishi Devra's presence has opened the doors to my spiritual life in an all new way, allowing me to palpably experience love and to know that love should be the basis of all healing. Her training sessions have helped me to merge the world of modern medicine with the ancient wisdom of the "Sacred Art of Healing" as it was once practiced and passed on to humanity by the Masters and mystics of ancient times."*

And this...

And this...

And this...

After Patton West was forced to leave Montana in 2010 she relocated to Sedona Arizona at which time Williams made the following two statements which were posted on Patton West's website...

In the first it was made clear that julio Williams MD used his own home as a venue for fraud and extortion. Basically Patton West presented herself as being able to cure cancer. In reality Patton West, having identified wealthy potential victims who attended her 'Private Sessions' or 'Private Audiences' would convince the target that they had Cancer. The target would not know they had cancer and most did not believe her diagnosis. However Patton West would, in the days and weeks following the meeting target the victim using her occult weapon (terrorist weapon). After the victim started getting serious headaches and pains they became a believer and paid Patton West for the 'cure.' As the following image shows Williams was on hand as a physician to convince the target that Patton West was being 'genuine.' Here is an image describing 'Sacred Sunday with Rishi.'

Above: Dr. Julio E Williams MD (a pathological liar and a 20 year member of Patton West's cult / criminal racketeering gang) made his home available as a venue for 'Sacred Sundays with Rishi.' At Dr. Williams' home Patton West was selling cures for cancer for a fortune. $500,000 was the going rate in 2002. Of course Patton West & Williams cannot call her fraud / extortion 'miracle cures' so she and Dr. Willaims call them 'Divine Grace Healings.'

In 2002 Patton West was paid $500,000 by one victim as witnesses Diane Stoner and Kathleen Francisco stated while being intereviewed by John Watson. Here is a link to their testimony. None of the money went through Patton West's charity (front corporation) and Patton West immediately went on a spending binge. Over a decade later and while in Arizona Patton West had a 'Pay Portal' up that could receive single donations of up to $500,000. Either a coincidence or the way she received the proceeds of crime. I mean who in their right mind would donate hundreds of thousands of dollars to a serial killing psychopath if they had a choice?

And this from Williams in 2014...

GOLDEN FLAME FOUNDATION

The above was posted on Patton West's website. The document shows that Williams was a director of the 'Golden Flame Foundation'. It along with the 'Omni Institute for the Divine Sciences' were both 'front' corporations used by Patton West to money launder the proceeds of crime. As the corporate filings for 'Omni Institute for the Divine Sciences' shows Williams was the President of that 'front' corporation until 2021. Williams only resigned after Patton West defrauded the US goverment out of $150,000 in SBA (Covid Disaster Loans) claiming the money for non existent employees.

The third being to buy a website so that he could portray Patton West as the victim of Watson instead of the truth that Patton West was a career criminal and that watson was just one of scores of victims of Racketeering, Terrorism and Murder.

So to summerize Williams' part in what is obviously a CRIMINAL CONSPIRACY against fraud victim John Watson here is a 'timeline' of events / crimes that both Reynolds & Williams agreed to commit.

1. Reynolds announced Watson's impending murder and a campaign of terrorism directed at Watson, his wife and children (by Patton West) to a news paper reporter on August 9 2007. The reporter passed the threat on to John Nielson an IRS criminal investigator who passed it on to Watson. A week later there was a failed attempt by Patton West to murder Watson.

2. When the murder plot failed Patton West came up with Plan 'B' which involved trying to bankrupt Watson into submission. Their opportunity came in 2010 as when Watson turned up for the appeal hearing both Patton West and Reynolds served Watson for defamation. We explained earlier that Reynolds pleadings to the court were a pack of lies which netted him a $5,000,000 undefended summary judgment. The truth is an absolute defense against defamation but only if you can afford to pay lawyers to defend the truth. Since Watson had moved abroad in 2005 believing he would be safer outside the US he had the additional costs of having to fly inot the US for each hearing. Patton West & Reynolds gambled correctly that he could not afford to defend their frivolous lawsuits (lawsuits without merit AKA 'Law Fare'). Lawsuits financed by Julio Williams!

3. So Watson served Patton West for fraud in 2003 and won that lawsuit in 2008. Patton West sought to neutralize Watson's win in court by launching two defamation lawsuits against Watson with 'liar for hire' Reynolds behind one of them.

4. After Watson failed to attend court to defend the TRUTH Patton West got a $10,000,000 judgment against Watson ($5M for Patton West and $5M for Reynolds who apparently signed his $5M over to Patton West or her husband after the court verdict). More importantly Patton West got an injunction forcing Watson's websites down which were at the time the only warning to the public about Patton West's criminal racketeering business model. If you have come this far you would have noticed the long list of crimes committed in Montana and all the associated publicity. This forced Patton West to move to Arizona where she repeated her crimes there just as she had done in New Mexico between 1991 & 1995 and Montana between 1995 & 2010.

5. Because Patton West is a pathological lairs as well as a Terrorist and serial killer she concocted a completely fictitious story around the defamation lawsuits she had brought against Watson. Instead of admitting that she had been found guilty of defrauding Watson she issued a number of postings on-line that characterized her 'win' in court not as an attempt by Patton West to neutralize watson's win in court but instead presented a story whereby she portrayed herself as the victim of cyber crime. Patton West did not refer to her and Reynolds' frivolous lawsuits AKA 'Lawfare' as a criminal conspiracy to silence Watson where terrorism and attempted murder failed. Instead Patton West claimed that a judge had independantly prosecuted Watson for cyber crime. She also characterized her 'win' as a victory for all women?? This is what psychopaths do they portray their victims as being the perpetrators of their crimes. Go here and here to review a webpage dedicated to explaining Patton West's lies, BS and propaganda.

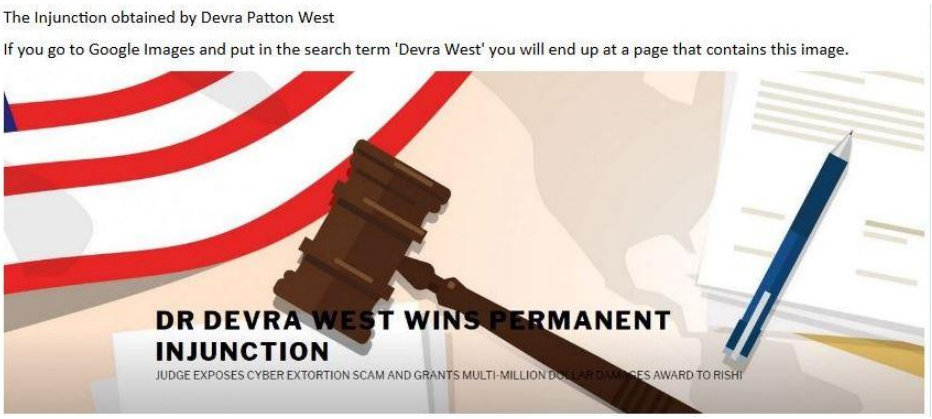

Image '1' & '3' can be found here. Image '2' can be found here.

Image '1.' Patton West is not a doctor of anything. Yes, she bought an injunction against Watson after he won a fraud lawsuit against her. She needed the injunction to silence him after threats, intimidation against him and his family failed, and after an attempt by Patton West to murder him failed.

Image '2.' How can it possibly be a legal victory for all? Firstly, her 'victory' occurred in Montana in 2010, not in Sedona. However, part of Patton West's propaganda is to portray herself as a victim and to further leverage the 'victim' card she wants the public in Sedona to think they are / were victims of someone trying to tell the truth about a dangerous con artist, murderer and suspected serial killer. As long as Patton West is free, it is a victory for her but not for the community she is embedded within.

Image '3.' As long as Patton West continues to convince the public that her lies are their truth, she 'prevails' against Watson and countless other victims of theft, fraud, extortion, violent assaults and murder.

6. Now we get back to the other senior member of Patton West's cult / criminal racketeering gang Dr. Julio Williams who a) funded Patton West's 'lawfare' against Watson and b) put up a website that Williams paid for which portrayed Patton West as the victim. Here is a link to that webpage and below here are three excerpts from Williams' lies, BS and propaganda 'hit piece.'

And...

And...

We are humbled to witness her dignity and perseverance demonstrated throughout this ordeal. Her focus remains on her service endeavors and meditation programs and enlightened teachings, with many worthy projects in progress. We are grateful for such a positive outcome! Overall, this is a victory for everyone. Please extend this website to anyone who has been a victim of cyber-slander, stalking, and bullying.

So a failed murder attempt, a campaign of terrorism (ongoing), a criminal conspiracy to extort $10,000,000 from Watson with Patton West, Reynolds and Williams blatantly lying to the courts and the public so that Patton West could continue her criminal racketeering business model in Arizona after being forced out of NM & MT. For these reasons we ask that the FBI, Law Enforcement issue an arrest warrant for Patton West, Julio Williams and the rest of Patton West's cult / criminal racketeering gang...

Finally, If you have come this far you will have realised that Dr. Julio E Williams totally lacks both honor and credibility...

PATTON WEST FORCED TO SELL HER ASSETS AT A SHERIFF'S SALE TO PAY PAST VICTIMS OF CRIME $2,000,000 IN COURT FINES AND INTEREST. WILLIAMS PLEDGES $2M OF HIS PERSONAL FORTUNE TO FUND HER LEGAL FEES!

I, Julio Williams MD have been a long time student of Surya Ma (now calling herself the Ascended Master Rishi Devra) and I stake my honor and credibility on defending her personal integrity and establishing the truth.

Statement by Dr. Julio Williams posted on Devra West's website March 23 2005.

Spiritual guru pleads guilty in assault

A Lakeside woman who claims to espouse timeless spiritual truths pleaded no contest to one count of misdemeanor assault late Monday in an 11th-hour plea bargain.

Her trial had been scheduled to begin Tuesday at 9 a.m. in Flathead County Justice Court.

After entering her plea, Devra West was sentenced to a six-month deferred jail term and fined $500.

Dr. Patricia Cole of Whitefish alleged West in 2006 hit her with a shoe and shoved her.

Justice of the Peace David Ortley issued a restraining order against West, a self-styled religious master who calls herself Surya Ma, in October 2006.

West's trial was postponed from March 11 after she failed to show up for a March 7 pre-trial conference in Flathead County Justice Court. She reportedly was in the Yucatan participating in a documentary on Mayan prophecies.

West's trial originally was scheduled for April 2007.

Prosecutors said they offered West the same plea deal she accepted Monday about a year and a half ago.

For all the reasons given above we ask that the FBI, Law Enforcement issue an arrest warrant for Patton West, Dr. Julio E Williams MD and the rest of Patton West's cult / criminal racketeering gang...

LAST SEEN AT ESSENTIA HEALTH FARGO ND, HENDRICK MEDICAL CENTER ABILENE TX AND YAKIMA REGIONAL MEDICAL & CARDIAC CENTER.

Above from left to right: Dr. Julio Williams MD as he appeared in a promotional video. Williams cannot wash his hands of his involvement in Devra West's cult / criminal racketeering gang. Apart from 'marketing' Devra West to the public as a 'miracle healer' he is also part of her 'black opps.' team. His threats to a whistleblower who was suing his cult leader for fraud and his current complicity in a plot to murder that whistleblower is well document in over 300 emails. Dr. Williams on bended knee before the leader of his cult Devra Patton West.

PART 13* - THE EVIL SECRET OF PATTON WEST'S POWER OVER OTHERS REVEALED!

Above: A criminally insane narcissist apparently given a license to kill by the authorities. The weapon she used to terrorize and murder her victims is not recognized as a weapon under legal statute. So this serial killing psychopath has been given a free pass - up until now!

Because the occult (hidden) 'weapon' used to facilitate three decades Racketeering, Thousands of acts of Terrorism and Several Murders is not regarded as a weapon under 'Legal Statute' Patton West has gotten away with crimes on an industrial basis (so far) for three decades. As you read this Patton West is carrying out more terrorist attacks against truthers and victims in the belief that she has 'plausable deniability.'

For over 30 years Patton West has stuck up her middle finger against law enforcement and the courts. As we are about to show Patton West subverts every court case she is involved with targeting victims and witnesses a like with terrorist attacks to intimidate them into withdrawing their lawsuits or intimidating victims and witnesses into not giving evidence against her! While the FBI and Law Enforcement looked the other way for three decades this is what Patton West has gotten away with...

1. Multiple Murders (5 to 7). [Devra says she has "taken a limited number of earthly lives" for the benefit of humanity (source)] FBI & Law Enforcement do nothing!

2. Three decades of Racketeering. Numerous examples given below. FBI & Law Enforcement do nothing!

3. Thousands of acts of Terrorism against scores or hundreds of victims. FBI & Law Enforcement do nothing!

4. Evidence indicates that Patton West has acquired $30 to $50 million over 3 decades from Organized Crime. FBI & Law Enforcement do nothing!

In previous bulltins we have touched upon the form that these TERRORIST attacks take and the weapon used to achieve TERROR in her victims. At this point it is worth defining what constitutes TERRORISM and a TERRORIST attack....

terrorism noun

ter·ror·ism ˈter-ər-ˌi-zəm

Synonyms of *terrorism* ›

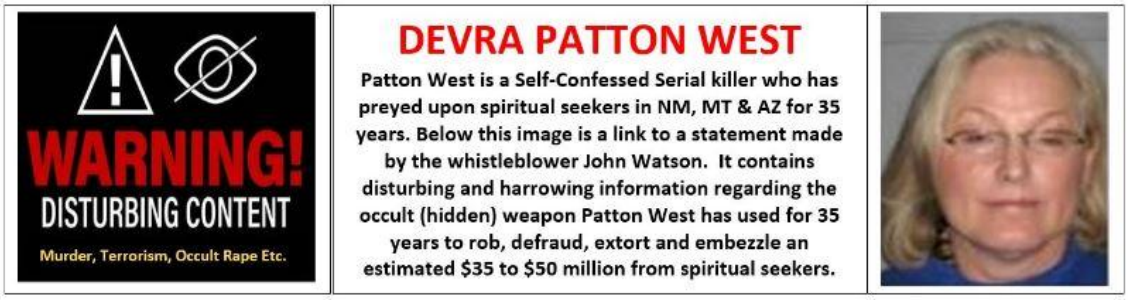

: the systematic use of terror especially as a means of coercion

Domestic Terrorism for the FBI's purposes is referenced in U.S. Code at 18 U.S.C. 2331(5), and is defined as activities:

- Involving acts dangerous to human life that are a violation of the criminal laws of the United States or of any State;
- Appearing to be intended to:
  - Intimidate or coerce a civilian population;
  - Influence the policy of government by intimidation or coercion; or
  - Affect the conduct of a government by mass destruction, assassination or kidnapping; and
- Occurring primarily within the territorial jurisdiction of the United States.

We are talking about 'Shamanic' visioning used as a TERRORIST weapon by Patton West to facilitate theft, fraud, extortion and embezzlement. We know Patton West attended the 'Robert Jaffe School for Energy Mastery' for 18 months between 1990 & 1991. Which is where Patton West acquired occult (hidden) knowledge which, Patton West, not being spiritual evolved went on to use the knowledge as a weapon primarily to feather her own financial nest at the expense of everyone over the past three decades. The 'Robert Jaffe School for Energy Mastery' was also a school

teaching its 'students' how to form future cults of their own. The occult (hidden) weapon is also used to silence victims who go public. Like the whistleblower John Watson and many others. Watson was defrauded by Patton West in 2002 and successfully sued her for defrauding him in 2008. The Ravalli Republic newspaper covers that. Watson also put up a website to warn others to stay away from Patton West and her cult / criminal racketeering gang. As a consequence Watson has been the subject of two failed murder attempts by Patton West and he and his wife and children have been on the receiving end of an 18 plus year campaign of terrorist attacks by Patton West that are ongoing NOW!

Follow this link to review the contents of a statement sent to the FBI & Police by fraud victim turned whistleblowerJohn Watson.
WARNING the contents are deeply disturbing. While publicly masquerading as a Guru in NM, MT & AZ Patton West was using occult knowledge (black magic) to terrorize victims into emptying their bank accounts into hers. Victims and Witnesses were targeted with terrorist attacks and intimidated into remaining silent. Victims like John Watson who went public or went to law for justice were / are slated for murder.

FBI POLICE TAKE NOTE The attacks against Watson continue but he is still alive and ready to testify as are Kushner, Hendrickson & Cantwell and countless other victims of theft, fraud, extortion, embezzlement and violence. Additionally Patton West has been busy this last decade or so since arriving in Arizona after being forced out of Montana and New Mexico. Patton West is currently under investigation for a multitude of crimes committed recently including the alleged defrauding of the US government out of $500K in SBA Loans. Recently all the senior members of her cult / criminal racketeering gang Julio Williams, Geoffrey Reynolds, Corinne Coffin and Jack West have tried to put distance between themselves and Patton West. They all understand that, in respect of the $500K Patton West obtained for non-existent employees, that the US government, unlike ordinary victims, can spend unlimited resources to prosecute crime.

These bulletins are being sent out with the objective of persuading the authorities to launch a serious criminal investigation into Patton West's activities over the past 33 years in three western states NM, MT & AZ. Given 32 years of Racketeering and Domestic Terrorism across multiple states that investigation should be held under R.I.C.O. statutes.

WHILE WE WAIT FOR THE FBI, POLICE OR MILITARY TO ACT, PLEASE READ ABOUT THE 'WELCOME MAT' PUT OUT BY ONE ARIZONA COMMUNITY FOR PATTON WEST…….

After Patton West was evicted from her rented mansion after running up $80,000 in rent arrears, she moved into a condo in a small Arizona community. Below is part of the response by that community after con artist Patton West moved into their community…..
