These bulletins are not **SPAM**.

They are an earnest and honest attempt to get the FBI, Police & AZ, MT & NM State Governments to investigate 35 years of Racketeering, Thousands of Acts of Terrorism and Multiple Suspected Murders.
If you do not want to receive these bulletins then block them or better still help by forwarding them on to the FBI & Police.

The videos are meant as a resource for the FBI, Police, State Government's and any Victims wishing to join together to launch a Class Action Lawsuit against Patton West and her accomplices.

Jack West - Ex-Husband and 40 year Business Partner of Self Confessed Serial Killer Devra Patton West.
His Role in the Criminal Conspiracy against Fraud Victim turned whistle-blower John Watson

But before we get into Jack West's crimes let us review some of the crimes he either committed or was a willing accomplice of the crimes mitted by his ex-wife Devra Patton West. We are talking 35 years of Racketeering in Nm, MT & AZ. We are talking about thousands of acts of Terrorism used against scores or hunderds of victims for personal gain. Then there is the fact that in 2023 Patton West admitted to being a Serial Killer.

Prior to 1990 Devra Patton West was a small time crook and drug dealer who defrauded her victims one at a time taking thousands from each. here are links to two victims one of which was Jack West's business partner Jeremy Samuelson who was defrauded out of $10,000. The other being Satyya who was defrauded out of $6,000. These two victims were prior to Patton WQest declaring herself to be an Ascended Master in 1991 which shows Patton West's criminal behaviour. After acquiring occult (hidden) knowledge between 1990 & 1991 this dangerous psychopath, armed with a hidden weapon went into the big time. Since then we estimate that Patton West has robbed, defrauded, extorted and embezzled between $30M & $50M from scores or hundreds of victims.

During a 35 year career of Racketeering in three western states NM, MT & AZ we estimate that Patton West has used her secret 'weapon' to terrorize scores or hundreds of victims and murdered 5 to 7 individuals. The murders we attribute to Patton West are not a guess on our parts as Patton West herself admits to murdering several for the good of humanity.

Above: Patton Westr uses Shamanic Visioning and Witchcraft. Victims joining her cult are brainwashed and conditioned into submitting to her will as a prelude to becoming victims of theft, fraud, extortion and embezzlement. Those that go public, go to law or to the police are subject to 'terrorist' attacks and or murder. Because the weapon used is occult (hidden) Patton West acts with plausable deniability although in 2023 she admitted to murdering several...

Patton West has admitted to several murders: Devra says she has "taken a limited number of earthly lives" for the benefit of humanity (source)

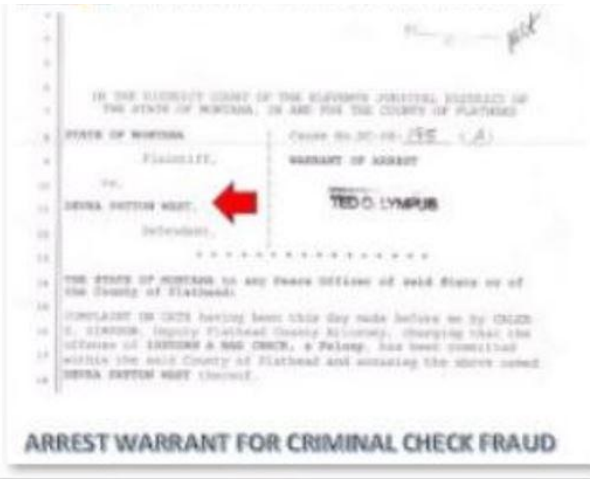

And still the FBI & Police do NOTHING! Why?

We have collected a mountain of evidence to back up our claims and stand ready to act as states witness for the prosecution. Not just against Patton West but also against the senior members of her cult / criminal racketeering gang that have variously funded her crimes inside the USA for decades, have marketed her to the public as a harmless guru, have threatened 'truthers' that went public and who tell lies in court on behalf of Patton West making it impossible for the victims to get justice.

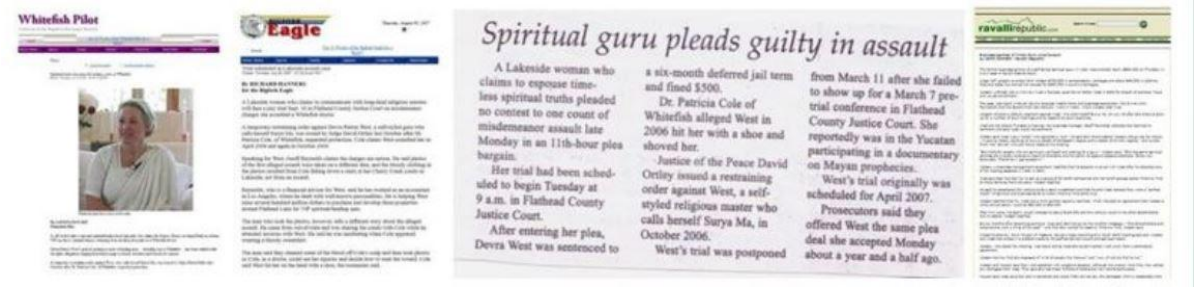

We have catalogued many of her crimes, named many of her victims and the role of her cult / gang members AKA joint US / Brazilian Coca Cola Heiress Corinne Coffin, Julio Williams, Jack West and Geoffrey Reynolds (see below). In other words we have joined most of the dots for you making the prosecution of these criminals relatively easy!

Here is a brief introduction into 35 years of organized crime marketed to the public as 'World Service.' First two arrest warrants issued in Montana in 2008 & 2009...

Below here are some newspaper articles from Montana. From left to right the Whitefish Pilot from July 2007. The Bigfork Eagle from August 2007. 'Spiritual Guru pleads guilty in assault from 2008 and the Ravalli Republic from October 2008. And the Guru Magazine from 2023.

The FBI & Law Enforcement should reach out to every victim mentioned below to see if they were the subject of Witchcraft / occult (hidden) TERRORIST attacks prior to or after these judgements being granted.

And there is more. This from Arizona recently...

The only reason Patton West has not been jailed during her 35 year reign of terror is that both victims and witnesses are subject to terror attacks prior to any court proceedings can be scheduled. Several have been murdered as Patton West admitted in 2023. There have been several attempts to murder fraud victim turned whistleblower John Watson which brings us back to Geoffrey Reynolds who announced Watson's impending murder to a local newspaper reporter on August 9 2007. The reporter took the threat seriously and shared it with a federal agent who warned Watson. A week later there was a failed attempt by Patton West to murder Watson. This was the first of 3 or 4 attempts the most recent being in 2023.

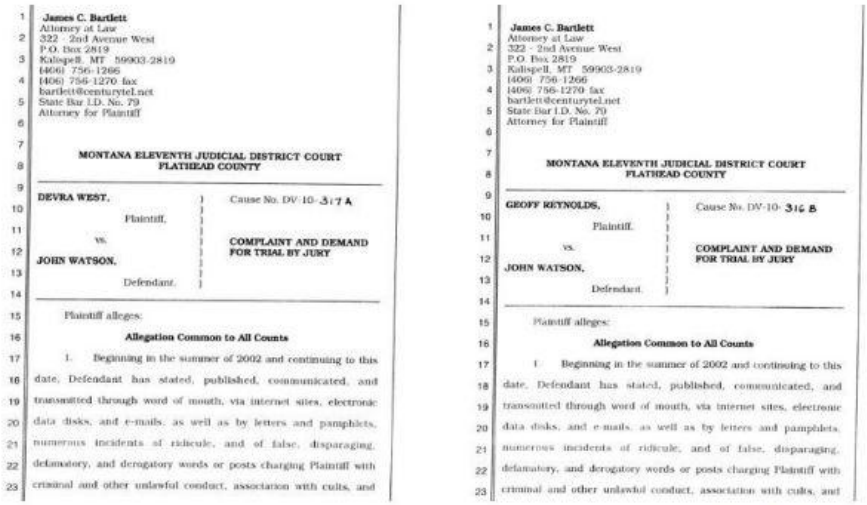

And here...

When the murder plot failed Reynolds agreed to be part of a $10,000,000 extortion scam led by Patton West. This involved Reynolds making totally false pleadings to a Montana court in which Reynolds stated under oath that he had been defamed by Watson between 2002 & 2006. In reality as an excerpt from his own website makes clear Reynolds was employed in California until September 2006 and did not know Watson existed but that was not a problem for Reynolds who is obviously a pathological liar. What he agreed to do was copy Patton West's pleadings and present them to the court as his own even though he did not arrive in Montana until September 2006 and did not know Watson from Adam!

Geoffrey Reynolds CPA perjures himself / makes false pleadings to the court as part of a $10,000,000 extortion scam.

Above: Reynolds' part of the conspiracy to 'silence' Watson was to submit totally false pleadings to the court, which in reality, were an exact copy of Patton West's. If Watson could not defend the case, Patton West gets double the pay out!

One of Reynolds' fellow employees told the whistleblower in an email that Reynolds was duped into loaning Patton West his life savings amounting to $300,000. Reynolds knew that the only way he would get that money back was by doing exactly what Patton West told him to do. That apparently included being complicit in attempted murder. Reynolds also told the Whitefish Pilot reporter that Watson would be dead within 12 months or in jail for reacting to what Paton West was going to do to him and his wife and children. So not only did Reynolds know about the murder plot but he also knew that a campaign of terrorism was to be launched at Watson, his wife and children. And, as Reynolds stated he knew about the criminal conspiracy that was intended to provoke Watson into reacting in self defense to stop the attacks. The plan was to have watson arrested for reacting violently towards Patton West. Watson never took the bait but the terrorist attacks have continued and are continuing now 19 years after Reynolds statement to the news reporter.

A witness (a fellow 'employee' in the cult) stated in writing that Reynolds agreed to be complicit in Murder & Terrorism for a $300,000 'payment.'

Here is an excerpt from an email sent to John Watson by Patton West's office manager in March 2007...

ST, and Fed payroll taxes and was the reason he secretly laid-off Wendy Stuart, without confirming this choice with Devra first. He was attempting to protect his CPA license and as of last night pretends not to remember that we both saw her get hit by Devra with a large, heavy three-ring binder and fired on the spot! I also told him for the forth time yesterday evening, that in addition to her cruel verbal abuse, I had been slugged by Devra, three times in the back. I told him that I would be going to the State Unemployment Office with the truth and asked him, as my co-worker, if he would tell the truth regarding our working conditions. He said that it is his responsibility to represent his employer and he will not tell the truth unless specifically asked for the sake of keeping his job.

Devra dangles the carrot and since he has loaned her his life savings, plans to keep playing her game until it is played out or he is eventually running her property management company. He has not been paid the $300,000+ owed him and provides excuses that although he has had only four employers in his lifetime, most rich people are eccentric and in his experience their behavior can be much worse then Devra's.

Then Reynolds took the lead in an attempted $30 million dollar fraudulent application for government grants. Reynolds knew that the corporation he was an officer / manager in was a front for organized crime and that the officer / directors were all appointed by Patton West and were all members of her cult. In other words none of them had discretion to act independantly and just took their orders from patton West however immorral or illegal they may be. There are at least tw witnesses that knew that if patton West got the grants she was going to use at least $2,000,000 of that money to pay off her substantial debts. here is an email from her step mother who Patton West also defrauded out of $30,000.

Subject: Devra West

I would like to know why Devra West if she had so much money and so much jewelry and so many artworks and artifacts found it necessary to con her father out of $30,000 supposedly to buy land. Why do I ask? I was married to Devra's father for 38 years. He passed away January 2007. He had been in very poor health for many years. He had also been retired for 20 years and we didn't have much money left from his retirement.

I have known Debbie (yes that is what I call her and still do) since she was 15. When she moved to Colorado with Bob Meador we spent a fortune helping her and Bob and then Tomas and then whomever all those years. She knew John (her father) didn't have a lot of money and that is why she paid for his tickets to come to visit her in Colorado and Montana.

She told us she would be receiving $33,000,000 (yes million) from an investment that was supposed to come through and she would return the money to us. Because of her I cannot pay off my house. In reading John Watson's dialog on the web I found it interesting that the amount of $30,000 was mentioned several times. If Devra West has all this money, I would like my money returned. Actually I would like $64,000 since that is what I owe on my mortgage. And make no mistake about it. John and I spent a fortune on her from the time she was 19 and living in Gardner, Colorado. I am not going to go into detail about her past life, but it hurts me to find out she had all these assets and took from her father.

I can be reached at the following.

And here is an excerpt from another email sent to the whsitleblower by Patton West's office manager...

> I know that unless the $30M comes in this week, the Naka Shela Retreat Center is lost to foreclosure along with the house that Dr. Cole bought in Lakeside, which is where Devra lives (in the basement) with her son Che, his wife Jamie, and their newborn and 7-year daughters living upstairs. Dr. Cole was forced to sign a "Quit Claim Deed" by Devra and will be yet another assault to her credit rating. My credit rating has taken a huge blow due to lack of timely paychecks, missing wages, bounced checks and caused me to be unable to refinance my home last month.

Here are two more emails 1 & 2 from Patton West's office manager which show just how much crime was being committed by Patton West against her employees. Crimes that Reynolds witnessed but refused to report to the police making him an accessory to those crimes. And yet the entries Reynolds made on his own personal website about his duties and responsibilities while 'working' for Patton West's cult / criminal racketeering gang for the most part bare no relationship to the THRUTH. Here is an example of what we mean...

Firstly, under the red arrow. Reynolds' own website makes clear that he only joined Patton West's employ / cult / criminal racketeering gang in 2006. We can confirm that his employment started in September of that year. So Reynolds made false pleadings to the Montana court. And because Watson lived abroad and could not afford to fly to the USA to defend the truth Reynolds was awarded an uncontested summary judgment in the amount of $5,000,000.

Secondly, between the blue arrows. Reynolds states that he envisioned the company's future and implemented plans and strategies to guide and direct employees to (achieve those goals). As stated Reynolds had no discretion to make any decisions. All decisions were made by Patton West. The corporation Reynolds refers to was a 'front' company whose purpose was to money launder the proceeds of crime.

Thirdly, between the yellow arrows. Reynolds takes full responsibility for all the financial systems and all financial reporting and management reports. Since Patton West was carrying out crime on an industrial basis during Reynolds tenure he just confirmed that he is jointly and severally liable for all the crimes Patton West committed between 2006 & 2014.

More lies, propaganda and bullshit from Reynolds. The above taken from his own website.

Firstly, below the blue arrows. "Our daily pledge seeks excellence in the art of service by recognizing the power of our collective commitment to health and healing of humanity." LIES, LIES, LIES!

How does Reynolds square that statement with announcing the impending murder of the whsitleblower? How does Reynolds square that statement with his announcement that Watson would be dead within 12 months or in jail for reacting to what Patton West was going to do to him, his wife and children? Go here to view the attack diary John Watson has published on-line and sent to the FBI and law enforcement agencies in AZ & MT. Read the newspaper articles linked above which details the vicious assault on Dr. Pat Cole who had her entire net worth extorted from her estimated at $1.2 million. Go to the Document Library and Audio Library and review scores of statements from ex-employees and students of Patton West's who allege they were the victims of theft, fraud, extortion and violent assaults.

Secondly, between the yellow arrows. "Our company policy is to tithe 10% of our profits to local and global healing initiatives demonstrates our dedication to advancing the health and healing sciences and is our signature trademark of compassion in action." LIES, LIES, LIES!

There were no profits. The corporation was a 'front' for organized crime and was used to money launder the proceeds of crime through that corporation and then on to fund Patton West's life style. While Reynolds had this bullshit up on his website here is the reality of what was actually happening. These two excerpts from the Bigfork Eagle newspaper...

> Out of six businesses mentioned in West's literature, only one remains active and in good standing with the Montana Secretary of State office -- Sacred Environme Two were never registered -- Divine Unity Foundation and Millenium Mind Institution; two were involuntarily dissolved -- Surya Enterprises Unlimited and Global Guardianship Initiative; and one was involuntarily revoked -- Sacred Archive Institute.

And this...

> Besides being evicted from her Bayside home in Lakeside and bouncing a check for the purchase of the well-known Osprey House on Angel Point, West has a $2, against her for failing to pay unemployment taxes for her Montana employees.

And here is just a small part of the chaos happening in the office that Reynolds was supposedly managing. This harrowing email entitled 'Help Me' from Rebecca West (no relation to Devra West)

Subject: RE: Help me w/ Devra Patton West

Dear John,

After more than 30 employees coming and going, (16 just since I started May 1, 2006, not counting myself, current employees or contract labor), there are currently three employees remaining. Two of the three are very much in her control due to fear and/or ignorance and have proven to me, I cannot trust them. I have been trying to get the monies she owes me before I end my contact with her, specifically a missing paycheck, overtime, overdraft charges and (wishful thinking) the bonus she promised me for the hundreds of hours of overtime I incurred. She sent her intimidating demand of me through her finance controller last evening, and I have until 5 p.m. today to talk to her. I must return and either give a 2-week notice and/or plan to be demoted from office manager to some other lowly position, (seems from historical accounting, I would become her personal care assistant).

I have written her a letter that I have been hesitant on sending her, as I know it will create a wave of violent behavior and I have little to protect myself. My only safety net per law enforcement is to write a "Letter of No Contact" and mail it. If she stalks me, and I have this letter in hand, law enforcement will respond and then maybe the Judge will order a "no stalking order" against her! I have been hiding in my home for many days now, afraid to go anywhere. This whole situation has been a horrible drain on my relationship with my partner, as he is having a very difficult time trying to understand what I am going through. In fact most "men" think it is no big deal, "if she comes after you "you can kick her ass!', what are you so afraid of?" This attitude is pervasive and includes her current finance controller, whom she has extorted from him over $300,000 since Sept 06'. He is very afraid of losing his money, wife, and children yet does not understand why I cannot come back to work and just let it roll off my back while she relentlessly screams at me and publicly humiliates me before, during and after work, and advises if she comes after me, I should just kick her ass!

I will not return and subject myself to her violent and abusive behavior! I continue to awaken from a sound sleep (on many occasions) at 3:00 a.m. and last night being one of those nights in which I have the feeling of impending doom, and is the reason I finally really took a look at your website and contacted you. I need support in how to deal with her shamanic witchcraft. Can you tell me more?

I have handed over many of the statements made by former employees of which are mostly already posted on your website to Dr. Cole in an effort to assist her. Dr. Cole was severely beaten on several occasions and proof is available. Again the crux is finding a law firm willing to take the case without a hourly payment of services.

And this...

With all my heart, I hope and pray, the law firm that is currently reviewing her documents will help Dr. Cole recover her losses and/or dignity, as she has no money left after Devra extorted more than $700,000 from her.

I am aware that the only person still financially supporting Devra (the finance controller is out of money), is Dr. Julio Williams and he gave her $100,000 last week. Devra spends money so fast that this funding will not last long. I know she has hoarded all her expensive jewels, artwork and artifacts and in addition I contemplate how much money/jewels she has stashed in order to bail herself out in the event you are able to take her down completely, or if the funding does not come through.

Tanmayo's (coca-cola heiress) son contacted the finance controller yesterday demanding the monies his mother contributed be returned. This phone call is the straw that broke the camel's back for the finance controller who has finally realized that he can no longer ignore the very bad situation he has gotten himself into by loaning Devra $300,000.

You can see that I, Dr. Cole and many others have much to lose and confidentiality between us is very important. I tried to talk to Dr. Cole about you and she feels you took your case too far...I will not pass judgment until you show me otherwise and beg of you to realize the vulnerable position I am in by living only 5 miles from her! I am more than willing to talk to your Attorney to support the situation, all I ask is for your assistance in attempting to get my hard earned monies owed me through the MT ST Wage and Labor Board. I am aware there are several other former employees that filed claims with the MT ST Wage and Labor Board and any documentation or advice to support me in this endeavor would be greatly appreciated.

I know that unless the $30M comes in this week, the Naka Shela Retreat Center is lost to foreclosure along with the house that Dr. Cole bought in Lakeside, which is where Devra lives (in the basement) with her son Che, his wife Jamie, and their newborn and 7-year daughters living upstairs. Dr. Cole was forced to sign a "Quit Claim Deed" by Devra and will be yet another assault to her credit rating. My credit rating has taken a huge blow due to lack of timely paychecks, missing wages, bounced checks and caused me to be unable to refinance my home last month.

I just spoke with the finance controller this morning, and he is telling me that unless I talk to Devra today, I can forget about the monies owed me. I reminded him that a missing paycheck and overtime are due me even if she calls it a "Bonus" and that several other people have taken her to the labor board and I would be no different. I have asked him to lay me off and to explain to her the repercussions of not paying me before I am forced to file a claim. I also told him I had no intentions of talking to her as I had already sent her a letter requesting the monies owed me, before I would be willing to talk to her. She responded a couple days ago by sending an e-mail to my private address where she stated she would not read my letter. It is obvious that she is afraid of me or she would have fired me already! I know too much, am a local resident, and have worked extensively with local law enforcement as a former Administrator of Emergency Services.

And this...

Dr. Cole and I are very afraid, but this does not preclude me from standing up for what is right even if I lose my life over it! Until last week Dr. Cole thought she was all alone and was happy just to have a normal life again. Upon contacting her for the first time last week, (since the court hearing last November), she realizes and accepts the fact that there are many other victims, including myself and it is unfair for her not to come forward in an effort to stop Devra from continuing her deceit and corruption of innocent people. Unfortunately, it always comes back to a money issue and the fact that she has hidden her assets in her home which is about to be foreclosed on. (This very much alarms me as this may be the only way to get some of the money back to those she has robbed).

I have followed the $30M CPEA funding issue closely and although the monies are earmarked for a 3-Tier Business Plan to develop Spas is the very way to pay off her debt to all of us. If she thought for a moment that she could buy her way out would do so in a heartbeat even though she vindicates herself through the Masters as needing to prove she has done nothing wrong. According to the Masters, Dr. Cole and all the others got their due punishment and their reputations need to be destroyed in the interest of saving ourselves from their evil.

I know that I can never be in the same room with her again, due to her ability to read my mind. I am not sure how she does this and would greatly appreciate any light you can shed on her abilities. I must continue filling out a job application, so I will end for now. You can trust me and I pray you will do the same for us by keeping this information confidential. We are awaiting an answer from the Attorneys as to whether they will take this case without monies being paid upfront. If not, would Jennifer Lint be willing to take our cases based on the additional 30+ people who have suffered? She must have a wealth of knowledge due to the many years of her involvement. It is too bad she quit working for you, and if it would help for me to talk to her, I would be willing to do so, but at this point only if the local attorney's are unable to do so, (we will know tomorrow).

If you align with Hendrickson's Attorney instead, would he be willing to help us? I have the ability to bring to you 30+ former employees and with your 40 former students/employees statements maybe we can stop her! Devra checks your website daily so be careful for our sake. In addition, she has her computer technician check your site daily and at this point he has turned coat, although he has been my friend for 25 years! This only goes to show everyone how powerful her web of influence has on people!

Rebecca West

So to summerize Reynolds part in what is obviously a CRIMINAL CONSPIRACY against fraud victim John Watson here is a 'timeline' of events / crimes that Reynolds agreed to commit.

1. He announced Watson's impending murder and a campaign of terrorism directed at Watson, his wife and children (by Patton West) to a news paper reporter on August 9 2007. The reporter passed the threat on to John Nielson an IRS criminal investigator who passed it on to Watson. A week later there was a failed attempt by Patton West to murder Watson.

2. When the murder plot failed Patton West came up with Plan 'B' which involved trying to bankrupt Watson into submission. Their opportunity came in 2010 as when Watson turned up for the appeal hearing both Patton West and Reynolds served Watson for defamation. We explained earlier that Reynolds pleadings to the court were a pack of lies which netted him a $5,000,000 undefended summary judgment. The truth is an absolute defense against defamation but only if you acn afford to pay lawyers to defend the truth. Since Watson had moved abroad in 2005 believing he would be safer outside the US he had the additional costs of having to fly inot the US for each hearing. Patton West & Reynolds gambled correctly that he could not afford to defend their frivolous lawsuits (lawsuits without merit AKA 'Law Fare').

3. So Watson served Patton West for fraud in 2003 and won that lawsuit in 2008. Patton West sought to neutralize Watson's win in court by launching two defamation lawsuits against Watson with 'liar for hire' Reynolds behind one of them.

4. After Watson failed to attend court to defend the TRUTH Patton West got a $10,000,000 judgment against Watson ($5M for patton West and $5M for Reynolds who apparently signed his $5M over to Patton West or her husband after the court verdict). More importantly Patton West got an injunction forcing Watson's websites down which were at the time the only warning to the public about Patton West's criminal racketeering business model. If you have come this far you would have noticed the long list of crimes committed in Montana and all the associated publicity. This forced Patton West to move to Arizona where she repeated her crimes there just as she had done in New Mexico between 1991 & 1995 and Montana between 1995 & 2010.

5. Because Patton West is a pathological lairs as well as a Terrorist and serial killer she concocted a completely fictitious story around the defamation lawsuits she had brought against Watson. Instead of admitting that she had been found guilty of defrauding Watson she issued a number of postings on-line that characterized her 'win' in court not as an attempt by Patton West to neutralize watson's win in court but instead presented a story whereby she portrayed herself as the victim of cyber crime. Patton West did not refer to her and Reynolds' frivolous lawsuits AKA 'Lawfare' as a criminal conspiracy to silence Watson where terrorism and attempted murder failed. Instead Patton West claimed that a judge had independantly prosecuted Watson for cyber crime. She also characterized her 'win' as a victory for all women?? This is what psychopaths do they portray their victims as being the perpetrators of their crimes. Go here and here to review a webpage dedicated to explaining Patton West's lies, BS and propaganda.

Image '1' & '3' can be found here. Image '2' can be found here.

Image '1.' Patton West is not a doctor of anything. Yes, she bought an injunction against Watson after he won a fraud lawsuit against her. She needed the injunction to silence him after threats, intimidation against him and his family failed, and after an attempt by Patton West to murder him failed.

Image '2.' How can it possibly be a legal victory for all? Firstly, her 'victory' occurred in Montana in 2010, not in Sedona. However, part of Patton West's propaganda is to portray herself as a victim and to further leverage the 'victim' card she wants the public in Sedona to think they are / were victims of someone trying to tell the truth about a dangerous con artist, murderer and suspected serial killer. As long as Patton West is free, it is a victory for her but not for the community she is embedded within.

Image '3.' As long as Patton West continues to convince the public that her lies are their truth, she 'prevails' against Watson and countless other victims of theft, fraud, extortion, violent assaults and murder.

6. Now we get back to the other senior member of Patton West's cult / criminal racketeering gang Dr. Julio Williams who a) funded Patton West's 'lawfare' against Watson and b) put up a website that Williams paid for which portrayed Patton West as the victim. Here is a link to that webpage and below here are three excerpts from Williams' lies, BS and propaganda 'hit piece.'

The Injunction obtained by Devra Patton West

If you go to Google Images and put in the search term 'Devra West' you will end up at a page that contains this image.

And...

And...

We are humbled to witness her dignity and perseverance demonstrated throughout this ordeal. Her focus remains on her service endeavors and meditation programs and enlightened teachings, with many worthy projects in progress. We are grateful for such a positive outcome! Overall, this is a victory for everyone. Please extend this website to anyone who has been a victim of cyber-slander, stalking, and bullying.

Again, Many Thanks to All Concerned,

Now let us look at Jack West's contribution to Patton West's 24 year vendetta against John Watson for successfully suing her for fraud and for publicising her crimes in Montana which led to Patton West and here cult / gang having to move on to western state number three i.e. Arizona.

"Those who oppose my wife have a habit of dying suddenly."

A comment made to John Watson by Patton West's then husband Jack West in March 2002. At the time Watson was employed as a business consultant by Patton West who was then calling herself the Ascended Master 'Devra Ji.'

The above statement shared with John Watson in 2002. Jack West also confided that they, being himself, Patton West and their young daughter Anna West, were chased out of New Mexico at the point of a gun by one victim of terrorism that realised that the police were going to do nothing.

Below is the statement Jack West posted on his ex-wife's website in response to all the negative publicity generated by Patton West's many appearances in court as the defendant in mainly fraud related civil lawsuits. Before reading Jack West's lies, BS and propaganda you might like to review again the many crimes listed above that were committed by Patton West in Montana and subsequently in Arizona. Here is a link to a webpage dedicated to Jack West. On that page we break down each of his statements and respond with the truth. Here is Jack West's statement made in defense of his ex-wife in 2008 proving again that Jack West is a pathological liar.

Statement for Dr. Devra West, Surya Ma

To All Who Value the Truth,

My name is Jack West and as a previous board member of the non-profit Divine Unity and Sacred Arts Institute, I offer my statements to refute the despicable and unfounded accusations that John Watson has made about Dr. Devra West-Surya Ma. Even though I am her ex-husband, I am stepping forward because I am outraged that he has orchestrated an implausible raft of tabloid-style allegations, based solely on his own malicious scripting of trumped-up gossip and calculated deception. There is nothing in his account of Dr. West's circumstances that bears any resemblance to the truth of her situation. She remains as utterly free of wrongdoing and as ethically virtuous as any human being can be. I encourage you to visit our rebuttal site www.surya-source.com/rebuttal.

The Truth of Watson's Malevolence

Watson's entire psychotic slander campaign smacks of a modern day, Salem Witch Hunt that has been deliberately plastered all over the Internet. He understands extremely well the power of a calculating, character assassination, combined with small town prejudice and well-crafted, malicious gossip. For years now, he has lied to state and federal authorities. He has also lied to Dr. West-Surya Ma's entire constituency of students, supporters and allied organizations. Despite his scheme to line-up his entirely fabricated "sources," whose accounts he has personally orchestrated and even authored, he will fail in his demented charade. He can readily incite a vigilante attack amongst those who have been grossly prejudiced by his twisted manipulation of reality by calling her a "cult leader", but he cannot change the truth of his underlying agenda. Extortion is extortion. I assure you, that he is nobody's savior or champion. ***He's in it for the money and his sick need for self-aggrandizement. The consensus stands that he is a money-mongering cad and egomaniac. His accusations of Dr. West are solely projections of his own reflection, himself.***

Mr. Watson, a former consultant to the non-profit that sponsored Dr. West's work, attempted to quickly position himself in control of the organization, her assets and her capacity of talent and genius. From the moment he saw her prolific potential for large financial support, he set his course to execute what was literally a hostile take-over. Hired solely as a consultant and nothing more, his arrogance drove his immediate scheme to assign himself a virtual swath of unauthorized privileges, entitlements, as well as unauthorized job positions and titles, entirely outside of normal procedure and absolutely outside of Dr. West's knowledge and legal authority. He scammed everyone present, until the criminality of his agenda was found out. He has also since falsely assigned his cohorts titles and positions that never existed and were never held, to make his character assassination sound credible.

Because Dr. West was out of the country for the majority of his six-month consultancy, he was able to get away with it. We regret failing to immediately expose and expel him, at the first signs of unethical, abuse of professional boundaries. There are many among Dr. West's supporters, including myself, who now deeply regret that she has taken the full brunt of our neglect to recognize his debauchery far sooner and have him arrested. Many of her long term supporters distanced themselves, due to the gossip and slander that Watson perpetrated at first behind the scenes and later in a full scale rape and plunder of her reputation. He first plants the seeds of mistrust via gossip and suspicion

reputation. He first plants the seeds of mistrust via gossip and suspicion and then fans them into the bonfire of full-scale accusations, as if his self-authored fabrications are true. If anyone is the victim of this situation, it is Dr. West. Anyone who thinks otherwise has been grossly misled and used as a pawn in his game.

The Truth of the Financial Accusations

It is Dr. West, who worked seven days a week for a pittance of a salary that was often not paid at all, solely to uplift and improve the lives of others. I will add that her meager salary and alleged "lavish life style" that Watson claims was ill-gained, came directly from her own personally generated finances and enormous generosity to the Divine Unity/Sacred Arts Institute organization in the first place. What Watson refers to as "the charity," is in fact an organization that was founded solely to advance and further her work. It was run primarily on her own money.

I was involved from the very beginning of the non-profit, when her work was first recognized internationally as being of major significance. Far from living high on the hog on the charity as Watson has claimed, her personal belongings outfitted the entire Montana retreat center from top to bottom. She gave over 80% of her self-earned livelihood from her teaching activities to the non-profit and its projects for over ten years. She was the driving force, financial backbone and sole viability of the non-profit, despite the organizations professed mission statement to finance and administrate her work. The non-profit was founded solely to advance her work. That was our sole mission statement. We were her sponsor and it was our job not hers to run the non-profit. We were not the owner of her intellectual material, nor can we take credit for the profound nature of her seminars and retreats. If anything, we did not even begin to do justice to the success and significance of her work.

Watson fails to mention that the cost of running the programs, many of which were student projects, was far more than the donations that were received. His claim that Dr. West pocketed donations earmarked for projects is a pathetic lie. The exact opposite is true. She personally took up the slack over and over again when donations were far less than project costs. Proceeds form her teaching seminars should not have been expected to cover the costs of other projects. Conversely, her teaching monies should have been earmarked by the non-profit solely for her teaching activities.

Instead of providing the active financial and administrative support that she deserved, the non-profit ended up sucking her dry and mismanaging her hard earned money, as well as its operations from A-Z. More than anyone, I regret that the high demand and rapid growth of her work, quickly outmatched our business expertise. ***She gave the organization many millions of dollars via proceeds from her teaching activities and resigned in January 2003 with a large debt being owed to her in unpaid wages and loans. She resigned absolutely empty-handed.***

The Truth of the Montana Retreat Center

Dr. West did not "steal the retreat center from the charity" as Watson so vapidly proclaims. The non-profit BOD transferred the ownership of the retreat center to her by unanimous vote, of its own free-will volition, in part to repay our enormous debts to her and in part because we were in default on our mortgage after she resigned, because we had never bothered to generate any income in order to finance and maintain the property. I assure you, she did not want or ask for the transfer. Due to our stupidity and ineptitude, the non-profit ran the property into ill-repair and substantial debt, defaulted on mortgage and loan payments after she departed, failed to pay property taxes, and neglected to maintain the land and buildings. She had already moved to her new location and had no intention of ever living at the retreat center in the future. Due to her largeness of dedication, she stepped in and was willing to shoulder the property at her own expense as a last resort. She did this altruistically, because of her desire to see the retreat center returned to its original condition and mission statement. I might also add that the center was originally purchased solely for her work and her seminars in any case.

And more...

I know for a fact that she did all that she could to steer all of us in the right direction to no avail. She advised for years that it was essential that the non-profit become financially sovereign and income producing through related enterprise. However, no one amongst us engaged adequate fiscal responsibility, including myself. She was never expected to be involved in daily operations. She was a meditation teacher, not a financial manager. I am not proud of the fact that we as individuals and as a group were simply not willing to take responsibility for creating a workable framework that made her relationship with the non-profit legitimate, balanced or beneficial to her expressed and assigned purpose. Despite our pathetic failures and short-sightedness, she since has set an example of grace and dignity through out this degrading circus act orchestrated by Watson, which he has hypocritically posed as a legitimate dispute.

The Truth of Watson's Greed Driven Scam

Although the non-profit hired Watson as a consultant, he never operated in the ethical capacity of a consultant. He took advantage of our trust, quickly becoming greed-minded and opportunistic after witnessing Dr. West's prolific success and financial capacity. He cunningly seeded dark-minded gossip far and wide to create a faction amongst us and to due our dismal lack of responsibility to our own mission statement, many fell prey to his scam. The gossip is now so over-the-top that it depicts her life as a low-life circus act, rather than the profound life and teachings of a Master Teacher, which is the prevailing and indisputable fact, where anyone to actually be a witness to the TRUTH.

He can trot out all the gossiping, hearsay, bull "sources and attackers " he wants. All of his proposals including those relating to the Millennia Mind project were flat-out declined, all of which assigned himself great wealth entitlement for investing not a cent. Not only did Dr. West decline his shady scheme, so did all of the benefactors who considered the proposal. She told me that she had no intention of signing the literally wacko documents he had drawn up, the night she reviewed them. ***He brought absolutely nothing to the table in the way of relevant expertise or seed capitol. We suspected that his mental instability went far beyond his obvious obsession with self-aggrandizement within a few months.***

Now, he has made a full time job of making threats, fabricating slander and demanding money each step of the way, along with his cohorts for whom joining his attack campaign offers an easy monetary windfall. He has consistently falsified testimony to legal authorities and newspapers, by crafting a calculated attack that bears no resemblance to Dr. West's circumstances. With each attack, he sends profane e-mails demanding to be paid off. This is an extortion scam plain and simple. He has threatened Dr. West's life and threatened any one who gets in his way, from family members to employees, to personal and professional constituents. He boasts that he has the right to take justice into his own hands and met out punishment as he sees fit. His website is now his legendary legacy to manic, delusional ranting and is nothing more than his platform as an internet-stocker. He obsession with Dr. West is demented and malevolent. ***Anyone who takes the time to look beyond the headlines of his tabloid-style website pages, can see how implausible and far-fetched it is.***

Mr. Watson's greed-based mentality was the antithesis of Dr. West's altruistic focus. ***Watson saw Dr. West's genius, as only a cash cow waiting to be milked.*** Fortunately for all concerned, she immediately said a polite, "no-thank you," removing herself from all contact with him, with remarkable lady-like dignity.

Cult Accusations- No cult exists:

The statements that Mr. Watson offers here are so far fetched; I hardly know where to begin. He screams "cult leader" with glee, full well knowing the power of attention-getting, sensationalist branding. I assure you, that after one of Dr. West's conferences was over, everyone departed and took their flight back home. If a seminar or workshop ended at 5:00 PM, attendees are expected to vacate the property by 5:30 PM. There has never been any cult, absolutely no cult members or cult compound. Dr. West would never tolerate anything like that. No one

And more...

would have ever attended our programs, if it had any resemblance to being a cult. ***From the start of his sordid extortion scheme, he threatened that he would use the "cult branding" tactic to get a pay off. The cult story has no basis what so ever, moreover Watson knows he is lying.***

Assault Accusations- The Remarkable TRUTH:
Dr. West has maintained incredible focus in order to continue to move the profound significance of her life's work forward, despite the distraction of having to answer the barrage of bogus charges that have been hurled at her by Mr. Watson's vigilante, "cult-bashing" brigade. He has fraudulently framed her up time and time again. ***Dr. West has never pleaded guilty nor has she been found guilty of assault. The claim was part of the scam and it was dismissed by authorities, period.*** The absurd claims trotted-out by Dr. Pat Cole is a perfect example of one of Watson's orchestrated entrapments. We all know that Pat was trying to cover-up her host of criminal malpractice misdeeds and the hefty debts she had racked up, not to mention out-right theft and misappropriations of large sums of money. Pat has made a very big mistake, by over-lording her medical license to discredit Dr. West, or that she could continue to hide her more than tarnished MD title. Even the county officials, who carefully reviewed the case, saw enough holes in her implausible story to dismiss it. Pat Cole has allot to answer for, as do the others who have sought to cover up their sordid vices. That anyone would join in on the gang-bang by giving credibility to the immoral and criminal conduct of Pat Cole is unconscionable.

The Truth will Prevail this Test of Discernment
Meanwhile, many people have increased their respect and admiration for Dr. West-Surya Ma, as a result of her resolve and strength in the face of this attack. I count myself, her ex-husband among those whose respect has only increased. ***Her light cannot be touched and her goodness will not be lessened by Watson's venomous promotion of hatred, prejudice and persecution.***

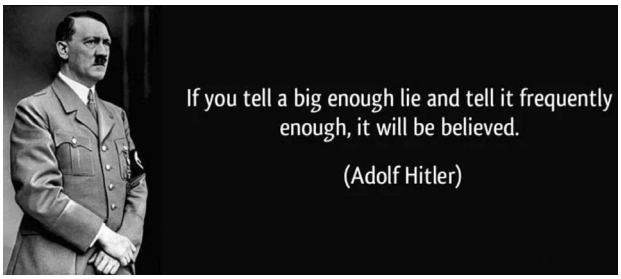

Dr. Devra West-Surya Ma has suffered enough! Yes, I'm angry. I'm angry that her many years of sacrifice is being rewarded by betrayal and ridicule. I'm angry at the waste of time, money and energy that has been expended on this farce. I am shocked at anyone who believes the sick, web of deception that Watson and Cole have perpetrated. What employer, project, enterprise or organization can function under these circumstances? Only someone of Dr. West's caliber could carry on in the midst of this outrage and still stay focused on her "service to others" above all else. She is an example to us all. This is why she will endure.

Respectfully Submitted,

Jack West

As Hitler stated...

Jack West is a compulsive liar just like his ex-wife Devra West and he has been a willing accomplice to her criminal activities for some thirty or more years if his ex-friend, Jeremy Samuelson is to be believed. To demonstrate just how much of a compulsive liar Jack West is, we need only compare the statement he made above in 2008, shortly after the **Whitefish Pilot** news article was published. Let's analyze some of his statements point by point with the FACTS.

1. He starts off with the statement, "**To all who value the truth.**" Jack West, as we are about to see, would not recognise the truth if it hit him between the eyes.
2. "**She remains as utterly free of wrongdoing and as ethically virtuous as any person can be.**" If you the reader have got this far you will know that Devra West is a compulsive liar, has allegedly committed acts of theft, fraud, extortion, violent assault, attempted murder and quite possibly murder.
3. In his statement above, Jack West does was all compulsive liars attempt to do which is to assert that the victim is guilty of the crimes committed by the perpetrator! Devra Patton West is the one who believes she is an Ascended Master, Devra West stated to the **Whitefish Pilot** newspaper that she was descended from General Patton, Devra West asserts that she can **single handedly hold open the gates of time**, Devra West is the one that has appeared as the defendant on multiple occasions in **fraud related lawsuits**, Devra West has an arrest warrant for **criminal check fraud**, Devra West has an arrest warrant for **felony theft** and Devra West was **convicted** of assaulting her business partner, Dr. Pat Cole MD (while extorting $1.3 million from her).

Yet 'liar for hire' Jack West, in spite of all the evidence, asserts that the whistleblower is the one into "**self-aggrandizement**" and 'liar for hire' Jack West asserts that the whistleblower is a "**money mongering cad and an egomaniac.**"

4. I'll leave you the reader to decide whether Devra West, and I quote Jack West, "**worked 7 days a week solely to uplift and improve the lives of others.**" All the evidence points to the fact that she made every life she ever touched a misery; please review the lists of victims at the bottom of this page and

go to the 'Documents Library' and 'Audio Library' to read and listen to the statements of Devra West's ex-employees and students from her reign of terror as 'Devra Ji' and 'Surya Ma' who will tell a different story.

5. If Devra West had any money of her own it was derived from crime and once acquired by her it was salted away into precious gems or precious metals or into offshore bank accounts and was never put back into her 'business model.' This can be easily proven by reading A. J. White's statement wherein it speaks about Devra West stealing $80,000 from the charity to fund her son's legal fees and then read the Whitefish Pilot and Bigfork Eagle newspaper articles wherein it is made clear that Devra West has a lien against her for unpaid employment insurance and that the whole point of the vicious beatings she gave Dr. Pat Cole MD was to extort her entire net worth estimated at $1.3 million that Geoffrey Reynolds then money laundered through her business.

The final clincher, that Devra West never earned any money, apart from what she defrauded from members of her cult and the charity she ran was her own statement made under oath in 2009, which can be read by going here. In that statement, Devra West, between the Ascended Master titles 'Surya Ma' and 'Rishi Devra,' admitted she was $2,000,000 in debt and had no money of her own!

6. This claim, that Devra West pocketed donations destined for the charity 'The Circle of Divine Unity' was made by A. J. White and related to an incident well before the whistleblower was recruited as a consultant in 2002. It became clear from the investigation by the Montana government, that Devra West was defrauding her charity. This is why it was struck off the register in November 2003. Follow this link to review the 'Revocation Certificate' issued by the Montana government. After the charity was struck off, Devra West stole the charity's main asset, a property on 20 acres at Fred Burr Road, Victor MT and put it in a personal trust for her and her son, Rob Meador. This later became the subject of a Sheriff's Sale in 2008, to force Devra West to pay her creditors $2,000,000 in court judgments and interest.

Additionally, and at the same time, Devra West stole $4,000,000 in artwork and valuables (as valued in 2002) belonging to the charity and hid them in a storage unit, only to have them reappear in 2014 at auction in Carefree AZ and for sale from her omniawakening.org website. Like the property, the artwork and valuables were paid for mainly by public donation. Go to the Devra Ji page of this website for more details. While being deposed by the whistleblower's lawyer in 2002 and while giving her statement under oath, Devra West stated that the items she later sold from her website at auction did not exist! You can view items matching those on a list that the whistleblower and Devra West's bookkeeper, Cheryl O'Brien listed as assets belong to the charity by following this link to the 'art gallery' Devra West's current website or you can view this pdf showing many of the valuables.

7. As established here and elsewhere, Devra West **never had an income** from other sources other than the charity and the students and employees that she bled dry. As explained in the 'Devra Ji' tab on this website, Devra West took every penny she could from the charity, all the while leaving behind bogus invoices. She did this knowing that at some point, the charity would be bankrupted / run into the ground financially, at which point she would then 'clean up' by claiming the charity's remaining assets (paid for by public donation) as payment for the bogus invoices. Which is exactly what happened. Later in 2007, while extorting $1.3 million from Dr. Cole MD, Devra West tried to force her bookkeeper to 'manufacture' false invoices to make it look like the money stolen from Dr. Cole MD was received as part of normal business revenue - the bookkeeper resigned rather than falsify the records. Along comes 'bottom feeder' Geoff Reynolds, who has no qualms about money laundering, murder or criminal conspiracy.
8. The whistleblower never had a greed driven scam; this is just another attempt by 'liar for hire' Jack West to attribute the crimes of Devra West to the victim. The whistleblower was defrauded out of wages and shares a fact that is clear and Devra West admits if you go listen to the full length audio recording of the interview between him and Devra West in March 2003.
9. Devra West is not a doctor; unless you count the doctorates she says the 'Christ' awarded her in person. Once again, Jack West lays the crimes of Devra West at the whistleblower's feet. The email below from one of West' students / employees Anandra George makes it clear that she and other employees were threatened with the sack unless they each produced a false statement about the whistleblower that Devra West could use in court against him in the fraud lawsuit he brought against her.

Below here is a copy of Anandra George's letter to Watson's lawyer retracting the lies she was forced to write on pain of being fired if she refused!

Retraction of Statements given by Anandra George regarding John Watson v. Devra West

To the attention of Mr. Dave Mc Lean:

I, Anandra George, wish to retract statements given by me in the case of John Watson v. Devra West. The statements were made under duress from Ms. West, my employer at the time.

Ms. West edited the statements herself, and verbally threatened to fire me if I did not include the information that she supplied me with. At no time was I privy to the details of the private discussions between John Watson and Ms. West, and therefore any statements I made should have no bearing on the case

.

This statement is given freely on Monday, October 1st, 2007.

Signed,

Anandra George

During the court procedings regarding Watson's fraud lawsuit Patton West maintained that she never had any business agreements with Watson. Which lies Patton West continued to publish after Watson won his fraud lawsuit against Patton West.

Millennia Mind Dispute with John Watson:
Devra Surya Ma's legal team has filed for an appeal for the sanction ruling stemming from a technical error and timing matter. Additionally, contrary to Watson's claims of a "Big Win", lawsuits have been filed against John Watson for his many threats and criminal acts against Dr. West and her family members and will be diligently pursued by Dr. West's legal team.

TRUTH: No business contract between Dr. West and John Watson has ever existed. **The legal dispute was fabricated by Watson to leverage an extortion scam**. Any and all business proposals made by Watson were declined. Dr. West has no intentions of enabling an extortion scam, therefore no settlement of any kind will be entertained.

However in court when Patton West spewed the same lies a document was produced by Watson's lawyer that refuted Patton West's claims that Watson was never employed by Patton West. The document was signed by Jack West.

RE: John Watson
334 Meadowood Lane
Victor, MT 59875

Dear Sirs,

This letter is to acknowledge that John Watson has been working with our organization for several months. He is in the process of setting up a number of corporate entities for us. He will be employed by one or more of those corporations for a salary that is in the process of being negotiated. It is our understanding that this salary amount will be in the neighborhood of $75,000 - $100,000 per year when finalized. If you have any questions or would like to speak further regarding his employment, please feel free to contact me at the number shown below.

Sincerely,

Jack West, Director
Circle of Divine Unity

736 Fred Burr Rd. ❖ Victor, Montana 59875 ❖ (406) 961-0007

The above letter was written by Jack West in 2002 at the beginning of John Watson's 6 month agreement to act as a business consultant. When brought up in court in 2008 Jack West got up and stated that watson had forced him to write the letter. Watson's lawyer responded with. That letter was sent to the INS (Immigration and Naturalization Service) as part of Watson's process of becoming a permanant resident in the USA. Any false statements to the INS maybe subject to a ten year prison sentence. At which Jack West retracted his statement.

Elsewhere pathological liar Jack West was making other statements on-line on behalf of his ex-wife and long term partner in crime. The following image contained one statement that was actually true. In that Jack West admitted that Watson was hired as a consultant (in the hope he could be brainwashed and conditioned like Williams, Cole and countless others) as a prelude to having his wealth stolen to be used to fund Patton West's lifestyle costs and delusions of grandeur. The rest of the statement is a pack of lies and right out of the narcissist / psychopath playbook in that they portray their crimes as being committed against them by their victim!

The last paragraph is a total pack of lies but explains exactly what Patton West has been doing and getting away with for decades. Again neither Patton West or Jack West are 'doctors' of anything unless you think that the two doctorates that Patton West said were given to her by the Christ in person are real? Neither can she give her ex-husband a doctorate but lets face it they have been getting away with these deceptions for a long time.

Jack West – Con Artist and Accomplice to Organized Crim

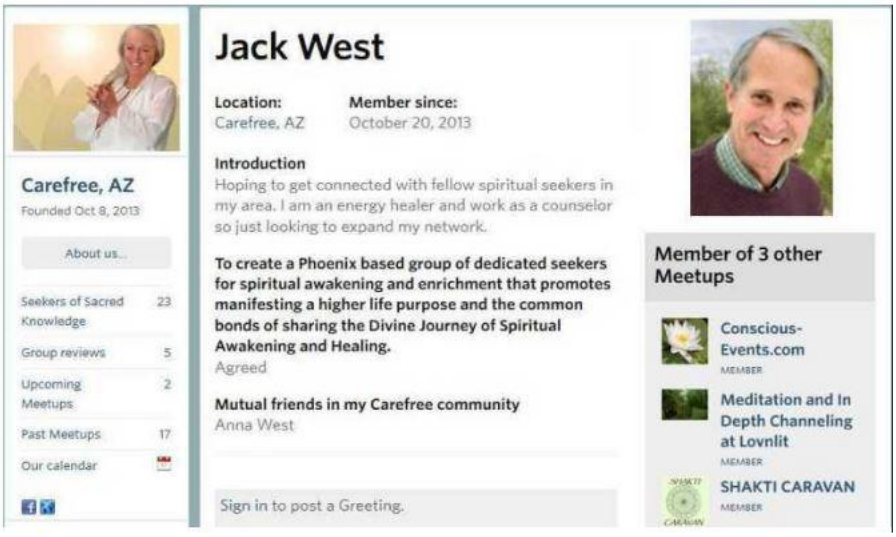

So compared to maultiple murders, terrorism and decades of racketeering blatant lies to the public or in court are small beer. Again I ask the reader to go back up this bulletin and review the number of crimes committed by Patton West that went public. Understanding that what you are looking at is the tip of the iceberg as 95% of her victims walk away empty handed once they becaome the subject of a campaign of occult (hidden) terrorist attacks.

Go here to review a diary of attacks against Watson over the past few years understanding that these 'terrorist' attacks started in Decmeber 2006 and have continued unabated over the past 19 years.

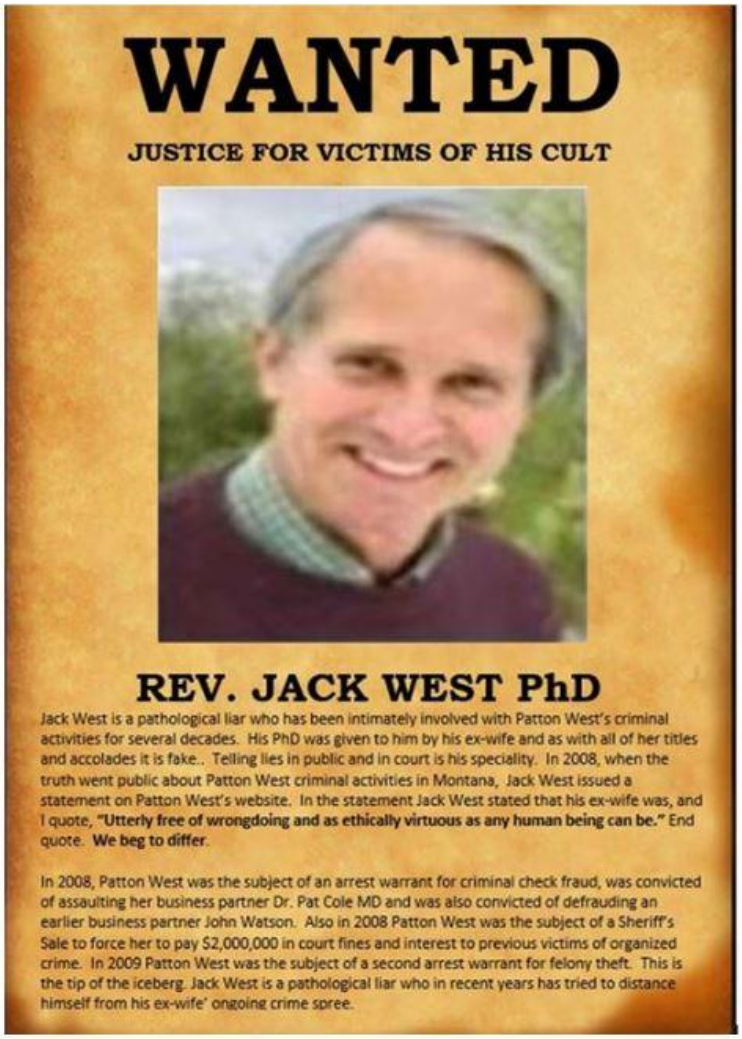

Those that persevere like Watson are faced with liars for hire from Patton West's cult that are prepared to lie under oath when giving false witness statements to the court. Like Anandra George mentioned above. They are also faced with the fact that cult members like Julio Williams MD are willing to pledge millions of dollars to pay for Patton West's legal fees thus outspending most victims. Then there is Geoffrey Reynolds who used a copy of Patton West's pleadings and presented them to the court as his own when in fact he could not have been defamed by Watson as Reynolds was living and working in California during the period he maintained he was defammed in Montana!

This is a criminal gang and if they cannot inimidate you or murder you they will 'buy' the law they want.

So for telling Watson in 2002 that, "Those who opposed his wife had a habit of dying suddenly," (the word 'those' implies at least two murders prior to 2002). For repeatedly lying under oath while giving evidence in court during Watson's fraud lawsuit. For using Jack West's voice to deliver a 'voice to skull' message to Watson informing him that he would be dead in exactly one weeks time. A week later a failed attempt by Patton West to murder Watson occurred just as Jack West predicted. And for the lengthy statement Jack West posted on his ex-wife's website which defamed Watson and sought to portray his wife as a victim.

For these reasons we ask that the FBI, Law Enforcement issue an arrest warrant for Jack West and the rest of Patton West's cult / criminal racketeering gang...

PART 13* - THE EVIL SECRET OF PATTON WEST'S POWER OVER OTHERS REVEALED!

Above: A criminally insane narcissist apparently given a license to kill by the authorities. The weapon she used to terrororize and murder her victims is not recognized as a weapon under legal statute. So this serial killing psychopath has been given a free pass - up until now!

Because the occult (hidden) 'weapon' used to facilitate three decades Racketeering, Thousands of acts of Terrorism and Several Murders is not regarded as a weapon under 'Legal Statute' Patton West has gotten away with crimes on an industrial basis (so far) for three decades. As you read this Patton West is carrying out more terrorist attacks against truthers and victims in the belief that she has 'plausable deniability.'

For over 30 years Patton West has stuck up her middle finger against law enforcement and the courts. As we are about to show Patton West subverts every court case she is involved with targeting victims and witnesses a like with terrorist attacks to intimidate them into withdrawing their lawsuits or intimidating victims and witnesses into not giving evidence against her! While the FBI and Law Enforcement looked the other way for three decades this is what Patton West has gotten away with...

1. Multiple Murders (5 to 7). [Devra says she has "taken a limited number of earthly lives" for the benefit of humanity (source)] FBI & Law Enforcement do nothing!

2. Three decades of Racketeering. Numerous examples given below. FBI & Law Enforcement do nothing!

3. Thousands of acts of Terrorism against scores or hundreds of victims. FBI & Law Enforcement do nothing!

4. Evidence indicates that Patton West has acquired $30 to $50 million over 3 decades from Organized Crime. FBI & Law Enforcement do nothing!

In previous bulltins we have touched upon the form that these TERRORIST attacks take and the weapon used to achieve TERROR in her victims. At this point it is worth defining what constitutes TERRORISM and a TERRORIST attack....

terrorism noun

ter·ror·ism 'ter-ər-ˌi-zəm

Synonyms of *terrorism* ›

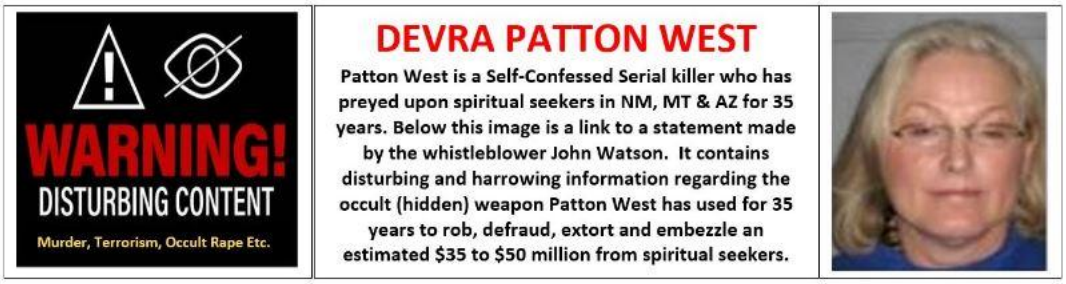

: the systematic use of terror especially as a means of coercion

Domestic Terrorism for the FBI's purposes is referenced in U.S. Code at 18 U.S.C. 2331(5), and is defined as activities:

- Involving acts dangerous to human life that are a violation of the criminal laws of the United States or of any State;
- Appearing to be intended to:
  - Intimidate or coerce a civilian population;
  - Influence the policy of government by intimidation or coercion; or
  - Affect the conduct of a government by mass destruction, assassination or kidnapping; and
- Occurring primarily within the territorial jurisdiction of the United States.

We are talking about 'Shamanic' visioning used as a TERRORIST weapon by Patton West to facilitate theft, fraud, extortion and embezzlement. We know Patton West attended the 'Robert Jaffe School for Energy Mastery' for 18 months between 1990 & 1991. Which is where Patton West acquired occult (hidden) knowledge which, Patton West, not being spiritual evolved went on to use the knowledge as a weapon primarily to feather her own financial nest at the expense of everyone over the past three decades. The 'Robert Jaffe School for Energy Mastery' was also a school teaching its 'students' how to form future cults of their own. The occult (hidden) weapon is also used to silence victims who go public. Like the whistleblower John Watson and many others. Watson was defrauded by Patton West in 2002 and successfully sued her for defrauding him in 2008. The Ravalli Republic newspaper covers that. Watson also put up a website to warn others to stay away from Patton West and her cult / criminal racketeering gang. As a consequence Watson has been the

subject of two failed murder attempts by Patton West and he and his wife and children have been on the receiving end of an 18 plus year campaign of terrorist attacks by Patton West that are ongoing NOW!

Follow this link to review the contents of a statement sent to the FBI & Police by fraud victim turned whistleblowerJohn Watson.
WARNING the contents are deeply disturbing. While publicly masquerading as a Guru in NM, MT & AZ Patton West was using occult knowledge (black magic) to terrorize victims into emptying their bank accounts into hers. Victims and Witnesses were targeted with terrorist attacks and intimidated into remaining silent. Victims like John Watson who went public or went to law for justice were / are slated for murder.

FBI POLICE TAKE NOTE The attacks against Watson continue but he is still alive and ready to testify as are Kushner, Hendrickson & Cantwell and countless other victims of theft, fraud, extortion, embezzlement and violence. Additionally Patton West has been busy this last decade or so since arriving in Arizona after being forced out of Montana and New Mexico. Patton West is currently under investigation for a multitude of crimes committed recently including the alleged defrauding of the US government out of $500K in SBA Loans. Recently all the senior members of her cult / criminal racketeering gang Julio Williams, Geoffrey Reynolds, Corinne Coffin and Jack West have tried to put distance between themselves and Patton West. They all understand that, in respect of the $500K Patton West obtained for non-existent employees, that the US government, unlike ordinary victims, can spend unlimited resources to prosecute crime.

These bulletins are being sent out with the objective of persuading the authorities to launch a serious criminal investigation into Patton West's activities over the past 33 years in three western states NM, MT & AZ. Given 32 years of Racketeering and Domestic Terrorism across multiple states that investigation should be held under R.I.C.O. statutes.

WHILE WE WAIT FOR THE FBI, POLICE OR MILITARY TO ACT, PLEASE READ ABOUT THE 'WELCOME MAT' PUT OUT BY ONE ARIZONA COMMUNITY FOR PATTON WEST…….

After Patton West was evicted from her rented mansion after running up $80,000 in rent arrears, she moved into a condo in a small Arizona community. Below is part of the response by that community after con artist Patton West moved into their community…..
