These bulletins are not SPAM.

They are an earnest and honest attempt to get the FBI, Police & AZ, MT & NM State Governments to investigate 35 years of Racketeering, Thousands of Acts of Terrorism and Multiple Suspected Murders recently admitted by Patton West

If you do not want to receive these bulletins then block them or better still help by forwarding them on to the FBI, Police etc.

This material is meant as a resource for the FBI, Police, State Government's and any Victims wishing to join together to launch a Class Action Lawsuit against Patton West and her accomplices.

Above: A brainwashed and conditioned droid on bended knee before Patton West a self confessed serial killer.
Julio Williams was / is a willing accomplice in Racketeering, Terrorism and Murder and financed those crimes for 20 years!

Attention FBI, Police & AZ & MT State Governments,

In 2010 Whistleblower John Watson phoned the FBI's field office in Arizona to report a number of very serious crimes that he had either witnessed or was aware of. A female agent answered the phone and as soon as he mentioned the word 'cult' she cut in and said the following. "This is America if people want to join a cult that is there god given right." She basically ended the call with "have a nice day."

Watson did not get the chance to talk about the violence meted out by Patton West the leader of the cult.

Watson did not get the chance to talk about the murder of two of his friends by Patton West - murders Patton West admitted to in 2023 .

Watson did not get the chance to talk about the terrorist attacks used by Patton West to facilitate crime and intimidate victims into remaining silent.

Watson did not get the chance to explain that the various 'non-profit' and 'for profit' corporations being used by Patton West were all 'front' corporations used to money launder the proceeds of crime.

Watson did not get the chance to say that the leader of the cult, Devra Patton West, was guilty of three plus decades of Racketeering, Terrorism and Multiple Murders.

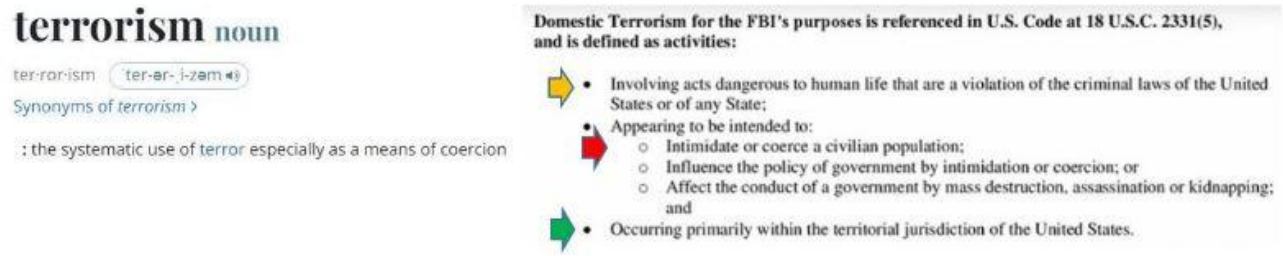

Watson did not get the chance to say that Patton West's crimes were aided, abetted, funded by the senior members of her cult / criminal racketeering gang...

Above from left to right: The rats have all recently left the sinking ship. Geoff Reynolds 2006 to 2014. Specialty - announcing murders in adavnce. Julio E Williams 2000 to 2021 - specialty a pathological liar
who pledged $2M to fund Patton West's crimes. Jack West (Patton West's former husband) - specilaty a pathological liar who warned that those who went public or to law they would be murdered. Last but by no means least Corinne Coffin early 1990's to 2021. The largest funder of Patton West's crimes with 'donations' between $1M to $2M. Both Williams & Coffin were 'officers' of Patton West's 'front' corporation
until 2021. Making them both jointly and severally liable for her crimes including racketeering, terrorism and murder. They only resigned in 2021 after Patton West defrauded the US goverment out of $150,000
in SBA (Covid disaster loans). They realized that unlike John Watson and countless other victims of organized crime at Patton West's hands the US goverment could spend unlimited resources to prosecute them.

Thirteen years later in 2023 while being interviewed by a NY Times published journalist Be Scofield. Patton West finally admitted to being a serial killer. This admission sealed the fates of Reynolds, Williams, Coffin and Jack West who were all willing accomplices in some cases for multiple decades! FBI what are you waiting for?

By 2023 Patton West had been getting away with murder literally for 32 years so believed herself to be immune from prosecution. Why because the weapon she uses to terrorize or murder her victims is not regarded as a weapon under legal statute. Hence in this regard the law has totally failed in its duty to protect the public. This failure to act has led, by Patton West's own admission, to several murders. The interview also includes statements from multiple victims of 'terrorism' at Patton West's hands. All for financial gain. More about the weapon used by Patton West to rob, defraud, extort and embezzle an estimated $30 to $50 million over the past 35 years can be found here. We call this weapon a terrorist weapon because that is exactly what it is. Here is a definition of terrorism. "The systematic use of terror especially as a means of coercion.' Patton West masquerades to the public as a minor deity when in reality she is a vicious and spiteful serial killer. The only difference between Patton West and other serial killing crime bosses is the nature of the weapon that she uses to rob, defraud, extort, embezzle, make ill, injure and murder her victims.

What follows below is one of literally hundreds of emails sent in an attempt to get a R.I.C.O investigation into Patton West and her criminal gang. After Watson a) went public about Patton West's crimes in 2006 by putting up a website and b) successfully sued her for fraud Watson became the victim of multiple failed attempts to murder him by Patton West. Additionally his immediate family members became the subject of a campaign of 24/7 terrorist attacks which are ongoing today.

What will it take to get the FBI & Law Enforcement to take this matter seriously and launch an urgent R.I.C.O. investigation? Or are Murder, Terrorism and Racketeering no longer crimes? We have all the evidence. We have joined all the dots. What are you waiting for a confession.

YOU ALREADY HAVE IT! PLEASE READ THE INTERVIEW LINKED ABOVE.

In the following bulletin we show how Patton West, who appears to be totally invisible to law enforcement, embeds herself with a community and commits crime on an industrial basis. Once it becomes obvious to the community, in which this parasite is embedded, that she is not a guru or a 'world server' but a vicious and resourceful criminal she moves on to another location. Her multiple visits to court as the defendant in mainly fraud realted crimes and the associated news articles give the game away to the public but apparently not to the FBI & Police. What follows are a brief description of her activities in Victor Montana, Lakeside Montana and Sedona Arizona.

Above: The same tried and tested and well oiled criminal business model is used in each new location.... Enlightenment this way... Me's telling the truth.

Now on to the bulletin,

RISHI DEVRA CAREER CRIMINAL, TERRORIST, SELF CONFESSED SERIAL KILLER.

FBI & POLICE - WATCH HISTORY KEEP REPEATING ITSELF!

(BECAUSE APPARENTLY SHE IS INVISIBLE TO LAW ENFORCEMENT)

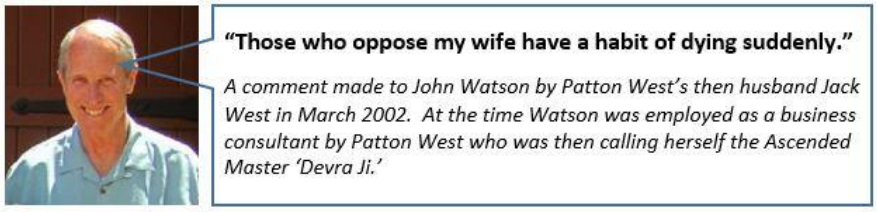

1995 to 2004 in Victor MT when she was calling herself 'Devra Ji.'

Between 1995 to 2004, Patton West operated her cult / criminal racketeering business model out of compound in Victor MT. During this time, she was calling herself the Ascended Master Devra Ji. Two of her most memorable statements from this period of time were that she was single handedly holding open the gates of time and that her two (fake) doctorates were awarded to her by the Christ in person.

Above is a three part image. In the center is the 'class of 2002' the students of Patton West's unacreddited school for occult studies and several of her 'employees.' Basically everyone, both student or employees, are all members of Patton West'sa cult. The only exception to this was John Watson who was hired for 6 months as a 'consultant.' The image on the left was an image created as part of Watson's sham consultancy. The 'consulting' was a sham because it was just a 'place holder' to keep Watson occupied while Patton West tried to brainwash and condition him into submitting to the berder's will as a prelude to having his wealth extracted from him as occurred to everyone else in the cult. The image on the far right is of millions of dollars of artwork and valuables either gifted or bought using cash donations from her students or employees or the public at large.

Theft, fraud, extortion and violent assaults were common however two of the indivuals featured in this photo were murdered by Patton West namely Lisa Swidler and Joseph Costantino. Lisa was murdered because she witnessed Dave Kushner, Mike Hendrickson and Marion Cantwell (all featured in this photo), variously defrauded or the subject of extortion. Marion was, according to a witness, kidnapped, held captive and beaten until she agreed to make a 'donation' from the sale proceeds of her home. Upon release she was told she would be murdered if she went to the police. The writer of this material can confirm that the threat to murder Marion was real. There have been three or four credible attempts to murder Watson since the first attempt in 2007 that Reynolds announced in advance to a local newspaper.

Members of her cult were routinely bullied and mentally and physically abused. CIA mind control tactics were used by Patton West to 'force' students and employees to submit to Patton West's will, and then after they became 'compliant', each were 'harvested' for their money and for their energy. The public thought that the cash donations were being used to pay for Na Ka' Shela (above left) the property owned by the charity. In reality, most of the money was going into Patton West's pocket to fund her luxurious lifestyle. In August 2002, Patton West made the mistake of defrauding a business consultant John Watson who reported her crimes to the Secretary of State for Montana. As a result, her charity (a front corporation used to money launder the proceeds of crime)'The Circle of Divine Unity' was struck off the MT charity register in January 2004. The IRS launched a criminal investigation into Patton West's activities. Patton West, a career criminal, responded by doing the following:-

1. Ordering members of her cult to shred allthe incriminating documents.

2. By an elaborate scheme of fake loans, Patton West stole the charity's property (worth $1,250,000 in 2004) and put it in a personal trust fund for her and her eldest son, Rob Meador. In 2008, a judge broke the trust and ordered that the property be the subject of a Sheriff's Sale and sold at auction to pay past victims of crime $2,000,000 in court fines and interest.

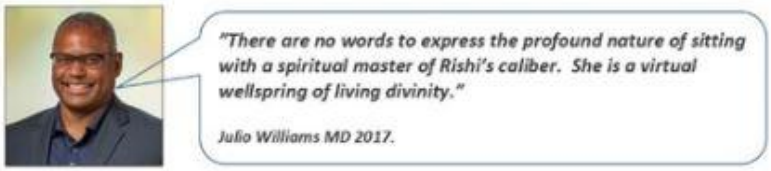

3. Patton West stole $4,000,000 worth of artwork and valuables belonging to the charity. She put the items in a lock up and then moved them to Arizona in 2014, where some were sold at auction, some sold from her website and others used as props to give the illusion that she is a successful business woman instead of a violent and resourceful career criminal.

4. Instead of declaring that she was close to bankruptcy (for the second time) Patton West declared that she was moving her operation from Victor MT to Shamballa. Shamballa being Flathead Lake MT, just 100 miles north of Victor MT. Being cash strapped, she also announced that she could only take 12 disciples to 'Shamballa' and only those prepared to commit 66% of their net worth to her. Follow the previous link and scroll down to Page 3 Paragraph 11 for that comment. Follow these three links 1, 2 & 3 to read about what happened to one of those disciples, Dr. Pat Cole MD.

2005 to 2009 when she was calling herself 'Surya Ma' – History repeats itself?

Having moved 100 miles north to 'Sham' balla lala land (Lakeside MT) Patton West, complete with a new identity Surya Ma and new fake bio / life story wasted no time creating her latest 'save the planet' fraud / extortion scam. The above image (top one of the two) were posted on Patton West's website and used to illicit donations from the public. In reality the 'Living Waters Healing Project' did not exist other than in the mind of Patton West. The multi million dollar lakeside property being featured in the enlarged bottom image belonged to Robert & Tabby Ivy, who repeatedly over a two year period, asked Patton West not to use images of their home in Patton West's brochures and on her website. Go here to read the couple's comments as given to the Whitefish Pilot newspaper reporter. Patton West fraudulently used images of the Ivy's property to appear wealthy. The lies and the fraud did not end there, as when in court in July 2007, in answer to a question, Patton West declared that her business interests were 'billion dollar' concerns. As stated elsewhere Patton West is a pathological liar and telling lies under oath to a serial killer is not a big deal. Additionally Montana is the wild west when it comes to law enforcement to perjury apparently is not a crime there. Patton West made that statement about being a billionaire while being evicted from two rental properties in quick succession, and while having a lien against her for $2,287 in unpaid employment insurance.

Read these two newspaper articles about her crimes for more context. The Whitefish Pilot and the Bigfork Eagle were both reporting on Patton West's crimes in 2007. In 2008 the Ravalli Republic reported John Watson's win in court against Patton West for fraud. During Patton West's tenure at 'Sham' balla la la land Patton West racked up no less than two arrest warrants one for felony theft and another for criminal check fraud. Then there was a conviction for assault as evidenced by this newspaper article. Then she was forced to sell all her assets, (those she had not hidden from her creditors) at a Sheriff's Sale to pay past victims of crime $2,000,000 in court fines and interest! Then there was her multiple appearances in court, as the defendant in other fraud related lawsuits (see lower down in this bulletin). Throughout this period, Dr. Julio E Williams MD had his biography posted on her website using his perceived respectability as a physician to draw in more victims. At the same time, as he was misrepresenting Patton West as the next Messiah, Williams sent a threatening expletive laden email in an attempt to intimidate fraud victim-turned-whistleblower, John Watson, into dropping his fraud lawsuit against Patton West. These crimes are the tip of the iceberg. Most crimes go unreported because the victims, mainly employees and members of her cult, were too afraid to go to the police or to court. A summary of some of the public crimes committed by Patton West in Lakeside MT can be found here. Three summaries of Williams involvment in Patton West's cult / criminal racketeering gang can be found here and here and here. This idiot actually staked his 'honor and 'credibility' on defending Patton West's integrity and establishing the truth!

I, Julio Williams MD have also been a long time student of Surya Ma and I stake my honor and credibility on defending her personal integrity and establishing the truth. I am proud to serve on the Board of Directors of the Global Guardianship Initiative.

Once Watson put up a website to share the TRUTH with the public Williams sent the following email (this is an excerpt) to Watson in a clumsy attempt to intimidate Watson into mdropping his lawsuit against Patton West. Clearly Willaims has no honor or integrity!

Subject: The line in the sand has been drowned!

Mr. Watson,

Over the last few years I have been witness to your continuous attacks to Devra West and the nonprofit. Hear me very clearly now "THE LINE IN THE SAND HAS BEEN DROWN". If what you are after is money (and /or the Victor property) it is going to take a lot of your own personal money to try and get it. I have personally allocated Two million dollars for Dr. West defense and legal expenses.

If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down. Mr. Watson, You will have your date in court. You fuck with me and you will meet your match.

Julio E. Williams, MD

I, Julio Williams MD have been a long time student of Surya Ma (now calling herself the Ascended Master Rishi Devra) and I stake my honor and credibility on defending her personal integrity and establishing the truth.

Statement by Dr. Julio Williams posted on Devra West's website March 23 2005.

Spiritual guru pleads guilty in assault

A Lakeside woman who claims to espouse timeless spiritual truths pleaded no contest to one count of misdemeanor assault late Monday in an 11th-hour plea bargain.

Her trial had been scheduled to begin Tuesday at 9 a.m. in Flathead County Justice Court.

After entering her plea, Devra West was sentenced to a six-month deferred jail term and fined $500.

Dr. Patricia Cole of Whitefish alleged West in 2006 hit her with a shoe and shoved her.

Justice of the Peace David Ortley issued a restraining order against West, a self-styled religious master who calls herself Surya Ma, in October 2006.

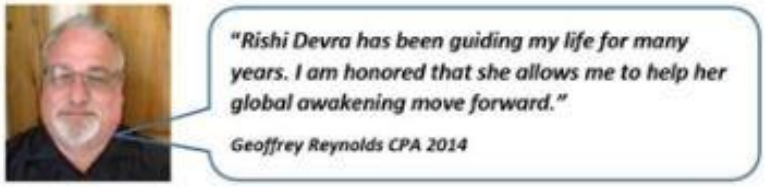

West's trial was postponed from March 11 after she failed to show up for a March 7 pre-trial conference in Flathead County Justice Court. She reportedly was in the Yucatan participating in a documentary on Mayan prophecies.

West's trial originally was scheduled for April 2007.

Prosecutors said they offered West the same plea deal she accepted Monday about a year and a half ago.

CONVICTION FOR FOR ASSAULT

During Patton West's tenure at 'Shamballa', Patton West racked up no less than two arrest warrants, a conviction for assault and was forced to sell all her assets, (those she had not hidden from creditors) at a Sheriff's Sale to pay past victims of crime $2,000,000 in court fines and interest! Then there was her multiple appearances in court, as the defendant in other fraud related lawsuits (see lower down in this bulletin). Throughout this period, Dr. Julio E Williams MD had his biography posted on her website using his perceived respectability as a physician to draw in more victims. At the same time, as he was misrepresenting Patton West as the next Messiah, Williams sent a threatening expletive laden emails in an attempt to intimidate fraud victim-turned-whistleblower, John Watson, into dropping his fraud lawsuit against Patton West. These crimes are the tip of the iceberg. Most crimes go unreported because the victims, mainly employees and members of her cult, were too afraid to go to the police or to court.

One of the lawsuits Patton West lost during this time frame was the fraud lawsuit that business consultant, John Watson, brought against her in 2003 and won in 2008. From 2003 to 2008, there were countless examples of defamation by Patton West that were posted on her website. Watson was the victim of threats, false witness statements (that Patton West pressured her employees and students to write), and was the subject of a campaign of intimidation (terrorist attacks) by Patton West (which is ongoing). In August 2007, Watson was the subject of a failed murder plot by Patton West, which senior cult member Geoffrey Reynolds announced a week in advance to a news reporter while being interviewed by the Bigfork Eagle newspaper.

Why would Geoffrey Reynolds CPA, who had no 'dog in the fight' risk everything in a conspiracy to 'neutralize' fraud victim-turned-whistleblower John Watson, who was a perfect stranger. Why would Reynolds announce Watson's impending murder to a journalist a week before Patton West's failed attempt to murder Watson? Why would Reynolds join with Patton West in a $10,000,000 extortion scam against Watson that involved Reynolds totally falsifying his pleadings to a Montana court? Why would Reynolds 'front' a $30 million plus fraudulent application for a government grant for a Spa development that he knew Patton West would use to pay of her multi million dollar debts? One answer is that Reynolds was duped (like many before him) to loan his $300,000 life savings to Patton West. The price for getting that money back was agreeing to participate in the plot to murder Watson and many other serious crimes.

And why would joint US & Brazilian Coca Cola Heiress Corinne Coffin AKA Tanmayo fund Patton West's crimes for 30 years?

IMPORTANT INFORMATION

Thousands of Acts of TERRORISM inside the USA & Several Suspected MURDERS.

Why has this Brazilian Coca Cola Heiress Corinne Coffin been funding Racketeering, Domestic Terrorism and Murder inside the USA for 30 years to the tune of $1M to $2M?

All the crimes listed above occurred during Coffin's tenure in the cult / criminal racketeering gang. That includes the two arrest warrants and the conviction for assaulting Patton West's business partner Dr. Pat Cole MD while extorting her entire net worth. On the subject of business partners Coffin was briefly the business partner of John Watson as they were both shareholder / directors in the Millennia Mind scam. After Watson was constructively dismissed and defrauded by Patton West Coffin refused to speak to Watson. This confirmed to watson at the time that Coffin was a willing accomplice in the crimes committed against Watson. The fact that Coffin remained onboard with patton West and continued to fund her crimes until 2021 adds credence to that. What puts the final nail in Coffin's coffin (pardon the pun) is that for the last 5 or 6 years Watson has sent literally hundreds of emails to Coffin (and Wiliams, Reynolds and Jack West). The emails informed her that he was and had been the subject of terrorist attacks by Patton West for the past 19 years.

Those terrorist attacks are ongoing NOW today. As Coffin, Williams, Reynolds and Jack West know all too well!

Coffin was also aware that Watson had been the subject of 3 or 4 failed attempts by Patton West to murder him. Coffin, like Wiliams, Reynolds and Jack West have also received copies of each of hundreds of bulletins sent out to the authorities and the public in Sedona AZ. Coffin like Wiliams, Reynolds and Jack West do not reply to any of them. Neither do they report any of these crimes as they are bound to do under the law. They are all willing accomplices in racketeering, Terrorism and Murder and they all hope Patton West can murder Watson before the FBI & Police finally get their act together!

Patton West's numerous visits to court, Watson's website put up to counter Patton West's lies and the three newspaper articles published by the Whitefish Pilot, Bigfork Eagle and Ravalli Republic newspapers rendered Patton West's criminal racketeering business model dead in the water in Montana.

So after being chased out of New Mexico in 1995 at the point of a gun by one victim who realized that the police were going to do NOTHING Patton West moved to Montana. Rinse & Repeat. Because of all the negative publicity, the many newspaper articles, her many visits to court as the defendant in fraud related lawsuits and Watson's website - operating in Montana was no longer viable.

And because Patton West's crimes seem to be totally invisible to the FBI, Law Enforcement and State Governments they just moved to another state!

Patton West and the senior members of her cult / criminal gang moved to Arizona in 2010. Rinse & Repeat.

2010 to Present day. Now she is calling herself 'Rishi Devra.' History repeats itself - again!

Is it any wonder that in 2010 and upon arrival in Arizona, Patton West changed her name from the Ascended Master Surya Ma to the Ascended Master Rishi Devra. She launched a series of websites, the the most recent one being therishi.com now taken down. Each of her websites showcased a fake life story / bio which fails to mention any of her crimes in Montana or New Mexico. In addition to her new identity upon arrival in Arizona, she awarded herself several new titles and accolades. Below is a snapshot of one of her many current (but totally fictitious) personas.

The Regent of the Spiritual Hierarchy for the Western Hemisphere.

THE SAGE OF SEDONA and the RISHI OF THE WEST!

The Rishi (The Teacher), The Mataji (The Divine Mother) & The Regent (The Western Regent).

The Mother of Ten Thousand Suns.

She has been preparing for thousands of years to guide humanity

As the light that shines behind leaders and world servers from across the globe.

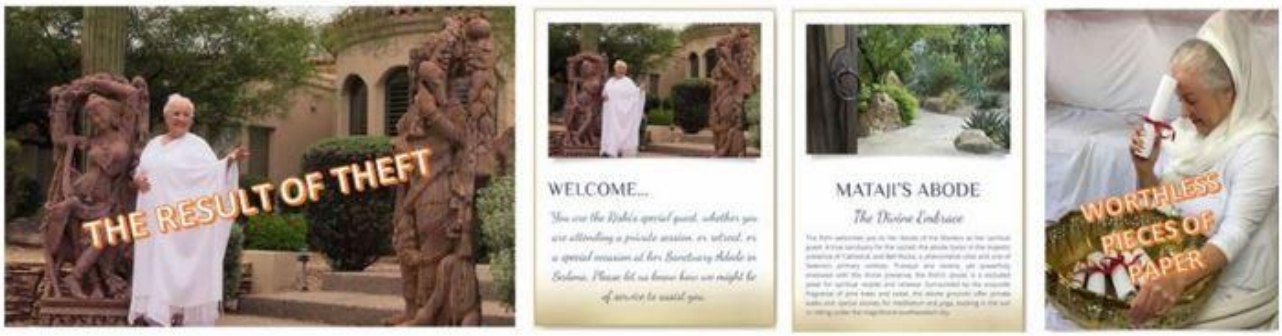

As a Planetary Regent her auspicious presence offers the rare opportunity for private audiences etc...

As an instrument of mercy she offers the phenomena of Divine Grace Healing and the karmic resolution of divine dispensation.

Just as in Victor MT & Lakeside MT patton West's luxurious lifestyle was funded by the victims in her cult who were either bullied into 'donating' to her many fictitious good causes that never saw the light of day or were victims of theft, fraud and extortion often occassioned with violence. And just as happened in Montana twice eventually the money dried up and Patton West ended up being evicted from her mansions... Here below is an image depicting the property she was evicted from in 2021. That would be the same time that Williams and Coffin who had been funding her crimes for decades, decided to leave the sinking ship.

The rent for the above property was $9,100 a month. Patton West was $80,000 in rent arrears before she was evicted on December 15 2021. According to witnesses, she managed to pay the rent arrears by defrauding the government out of $150,000 in **Covid Disaster Relief funds**. We heard from witnesses in Sedona that Patton West was residing in a local hotel. Her $8,000 a month hotel bills are being paid out of the **Covid Disaster Relief funds** she fraudulently applied for, saying she would use the money to secure the jobs of non-existent employees and or create new jobs. Crime has always paid well for Patton West! And it will do as long as she remains invisible to the FBI & Law Enforcement.

Please note above, the statuary she is posing in front of. Like the Greek Goddess outfits and fake diplomas, it is all part of a well choreographed illusion / deception that Hollywood would be proud of. The artwork and statuary represents a tiny fraction of the artwork and valuables she stole from the Victor MT charity and hid in a lock up to hide it from her Montana creditors prior to the Sheriff's Sale to force her to pay past victims $2,000,000 in court fines and interest. The artwork and valuables were valued at $4,000,000 in 2002. This is the artwork and valuables that Patton West stated in court in 2009 was not hers and did not exist anymore having been stolen, left behind or carried off. Go here to read her statement and scroll down to Pages 60 & 61. More recently Patton West has been accused of stealing artwork from a local Sedona artist. As stated previously Patton West is a parasite that literally lives off the finances and energy of those who wander into her cult believing this psychopathic serial killer is capable of delivering enlightenment. Patton West is not shy about telling everyone what their role is....

Above: Had the authorities interviewed some of the scores of victims of organized crime over the past three decades they would have learned that Patton West success as a career criminal, murderer and suspected serial killer was made possible by her use of occult knowledge. After outstaying her welcome in New Mexico and Montana Patton West is now 'working' Sedona Arizona.

Recent news from Arizona.....

In another repeat of history, witnesses allege that Patton West is in the process of being charged with stealing **artwork and valuables** from a victim in Sedona AZ. Patton West likes artwork and collectables because along with jewelry and precious metals, they are easy to hide from the authorities, IRS and her many creditors. Much of her ill gotten gains never goes near a bank.

Witnesses allege Patton West is being investigated for fraudulently applying for and receiving Covid Emergency Relief Funds and using those funds to pay off her rent arrears of $80,000. Patton West is also using the Covid Disaster Relief funds to pay for her $8,000 a month hotel bills. While looking for more modest accommodation. Jail soon?

Patton West's accountants allegedly reported her criminal activities to the IRS. Patton West probably owes tens of millions of dollars in back taxes to the IRS, local taxes in AZ, NM & MT.

Witnesses allege that Patton West is down to her last 'follower' having destroyed several marriages (divide and conquer) and bankrupted at least one family. This was achieved by putting a demonic entity into one of her followers Lalita Jordan. You can read all about it by going here. You can see a video of Patton West performing the demonic initiation by going here and scrolling down past the 24 part video series entitled Rishi the Movie. Having totally taken control of Lalita Jordan the brainwashed 'follower' had no choice but to give up the coordinates of her her disabled mother's trust fund which wasemptied into Patton West's bank account. This is called embezzlement. Lalita's mother was now destitute and homeless because she could no longer pay the care home monthly fees.

So in summary below are a list of some of the crimes that went public in Montana and a short list of some we know about in Arizona. This is the tip of the iceberg as 95% of her victims walk away empty handed after being subject to a campaign of terrorist attacks.

WARNING disturbing information. Go here to see what that terrorism looks like! The terrorism used by Patton West to rob, defraud, extort and embezzle and estimated $30M to $50M over the past three plus decades. Coffin, Williams, Reynolds and Jack West are complicit in these terrorist attacks against John Watson and an untold number of victims over the past 35 years.

The FBI & Law Enforcement should reach out to every victim mentioned below to see if they were the subject of TERRORIST attacks prior to or after these judgements were granted.

And there is more. This from Arizona recently...

To discredit those telling the truth about her criminal past in Montana & New Mexico, and to position herself in Arizona as a victim of fraud, Patton West has published a number of totally false postings on-line that assert that she is a victim of a non-existent cyber scam. Patton West alleges that the person who told the truth about her in Montana which forced her to leave that state (the person she defrauded, tried to murder and tried to bankrupt) has an international arrest warrant issued against him. To counter these lies, we have added a new webpage to both our websites. You can review our debunking of Patton West's assertion that she won a fictitious 'cyber scam fraud case' by following these links:-

https://omniawakening.net/nonexistent.html

https://therishi.info/nonexistent.html

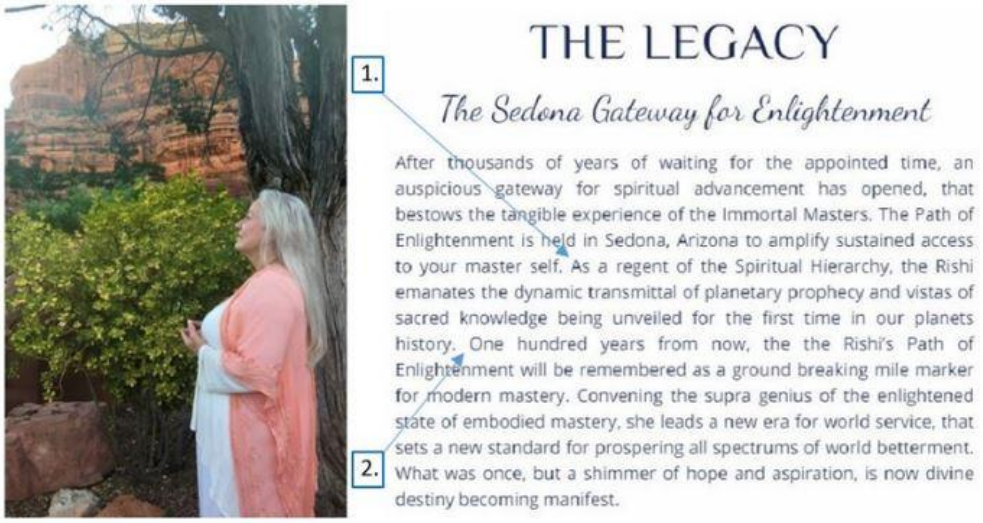

For thirty five years, Patton West has operated her criminal racketeering business model in three western states, right under the noses of the authorities. Patton West has terrorized scores or hundreds of victims who, after being duped in to becoming her disciples, on the promise of enlightenment, became the victims of financial and violent crimes. Many of them coerced into 'donating' tens of thousands of dollars and some coerced into taking out loans and mortgages for her. Victims tempted to go public are TERRORIZED into silence by the use of Patton West's occult (hidden) weapon..

To review statements given by scores of victims, go to the documents page and the audio recordings page on two websites put up to warn the public about the real dangers of associating with this evil, despicable creature, who masquerades as a 'world server.' For a one stop destination to get an understanding of just how evil Patton West is, read the harrowing email her ex-office manager sent to the whistleblower in 2007. The email sent by Rebecca West (no relation to Devra West) is entitled 'Help Me.' If this is not TERRORISM, I do not know what is. To learn how Patton West has been able to TERRORIZE people for 31 years and get away with it (including several suspected murders) follow the link to read about her secret weapon. Those who do not believe that Patton West has a secret weapon, should ask themselves how it is that she has managed to remain at large for 31 years. As Sir Arthur Conan Doyle in one of his Sherlock Holmes novels stated, "When you have eliminated the impossible, whatever remains however improbable, must be the truth."

Here are what we call "Alternative Facts." Or evidence that Patton West is criminally insane....

1. She is 'sanctified' to embody the role of the 'Regent of the New Americas.'This, in spite of being chased out of New Mexico in 1995 at the point of a gun. This, in spite of being forced to leave Montana in 2010 after two arrest warrants, a conviction for assault and being forced to pay $2,000,000 in court fines and interest to past victims of crime. This is either a miracle or total bullshit.

2. As a revered executor of the Divine Plan, she is assigned the "Great Work" of guiding humanity etc. Do you think the Divine Plan and "Great Work" involves countless acts of theft, fraud, extortion, mental and physical abuse, one murder, a well-documented attempted murder (of a whistleblower) and several suspected murders? She is either telling the truth or this is more bullshit and part of a well-oiled criminal plan. Or she is mentally ill!

We say...

1. As a "regent of the spiritual hierarchy" etc. This is just bullshit like her assertion that she is The Regent of the Masters(i.e. above Jesus Christ), The Western Regent (spiritual overlord to the western hemisphere), The Mother of Ten Thousand Suns, The Mataji, Divine Mother, she has been preparing to lead humanity for thousands of years, is holding open the gates of time and who received her two doctorates from the Christ in person etc.

2. Five years from now, Patton West will be recognized as one of America's most vile and despicable villains. A ruthless and cold blooded criminal who, using her occult hidden knowledge has robbed, defrauded extorted money from, and mentally and physically abused countless victims. Then, there are the several suspected murders her ex-husband, Jack West, maintains she is guilty of. This, confirmed by the whistleblower John Watson who Patton West tried to murder in 2007 and two or three times since. .

Let's call the above "Alternate Facts." All part of a massive wire and mail fraud scam. All apparently allowed under Religious Freedom Laws. And all totally invisible to the FBI & Law Enforcement.

FBI TAKE NOTE – Countless acts of theft, fraud and extortion. One well documented kidnap and false imprisonment (Marion Cantwell). One well documented count of attempted murder (John Watson) announced by Geoffrey Reynolds to a local newspaper one week before Patton West made a failed attempt on the life of John Watson. An expletive laden threatening email sent by Julio Williams to Watson in an attempt to intimidate and coerce Watson into dropping his lawsuits against Patton West. Both accomplices Reynolds & Williams were strangers to Watson but both were under Patton West's full control.

Patton West's ex-husband, Jack West, told watson in 2002 that those who opposed his wife had a habit of dying suddenly. He implied there were at least two other murders. In 2023 we no longer have to use the phrase 'suspected' murders as Patton West, while being interviewed by a NY Times published journalist, admitted to murdering several "for the good of humanity."

In 2023 while being interviewed by a NY Times published journalist Be Scofield. Patton West finally admitted to being a serial killer.

AND, EVEN TWO PLUS YEARS AFTER PATTON WEST'S ADMISSION THAT SHE IS A SERIAL KILLER AND AFTER 35 YEARS OF RACKETEERING IN NM, MT & AZ PATTON WEST STILL REMAINS INVISIBLE TO THE FBI & LAW ENFORCEMENT. HOW IS THAT POSSIBLE?

A QUESTION FOR FBI & LAW ENFORCEMENT. Does Racketeering across multiple U.S. states fall under your jurisdiction? What about kidnap and false imprisonment? What about serial killers? If so why have you ignored Devra patton West and the senior members of her cult / criminal racketeering gang for 35 years?

There were no less than SEVEN websites dedicated to jailing Patton West. Unfortunately some have been taken down after the owners became the target of terroist attacks by Patton West.
