These bulletins are not **SPAM**.

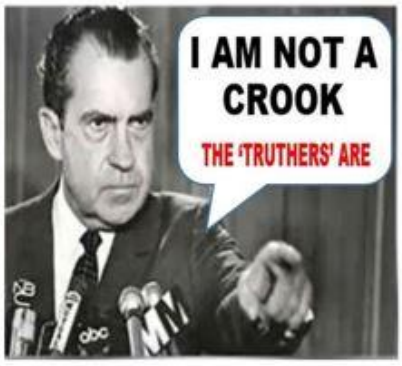

They are an earnest and honest attempt to get the FBI, Police & AZ, MT & NM State Governments to investigate 35 years of Racketeering, Thousands of Acts of Terrorism and Multiple Suspected Murders.

If you do not want to receive these bulletins then block them or better still help by forwarding them on to the FBI, Police etc.

The videos are meant as a resource for the FBI, Police, State Government's and any Victims wishing to join together to launch a Class Action Lawsuit against Patton West and her accomplices.

Geoffrey Reynolds CPA - And a Sample of Thousands of Documents

Proving Three Plus Decades of Racketeering, Terrorism & Murder by Patton West AKA 'The Rishi' Aided and Abetted by Reynolds

Question to FBI & Law Enforcement Agencies. Why has Patton West and her criminal racketeering gang not been subject to a Criminal Investigation under R.I.C.O Statutes?

The above admission by Patton West that she is a serial killer is literally the tip of the iceberg. A RICO trial should automatically be triggered by a pattern of behaviour that includes at least two 'qualifying' crimes over a ten year period. Patton West, according to our research, has REPEATEDLY committed NINE of the qualifying crimes listed below (see those outlined in red) over the past 35 years. And yet to date, she has not been the subject of either a criminal investigation or one held under RICO statutes. Why not?

Qualifying Crimes that Are Covered by the RICO Act...

A violation of RICO occurs when a person, in connection with an enterprise, engages in a pattern of racketeering activity. Racketeering activity includes:

- Arson
- Bribery
- Counterfeiting
- Distribution of a controlled substance
- Embezzlement
- Extortion
- Gambling
- Homicide
- Kidnapping
- Mail fraud
- Money laundering
- Robbery
- Wire fraud
- Witness tampering

For RICO purposes, these are considered "predicate" offenses. A person charged with a RICO violation must have been engaging in a minimum of two predicate crimes within a 10-year time frame. These predicate offenses must also have been committed in connection with an enterprise. An enterprise may be a legal or an illegal one. It could be a corporation or a mob. The enterprise must be a discrete entity.

Patton West has used several for profit and non profit corporations as 'front' company's to money launder the proceeds of crime. Her 'enterprise' is fraudulently advertised as 'World Service' and over the lat 35 years she has claimed to be able to sell 'enlightenment' for a large fee. We assume, because she has not been arrested, convicted and tried for three plus decades of racketeering, terrorism and murder that her use of religious freedom laws has muddied the waters. Though anyone looking into her criminal business model quickly comes to understand that:

1. Not a signle paying customer at her non accredited school for occult studies has ever attained enlightenment.

2. There is a clear history of theft, fraud, extortion, embezzlement, violent assault and multiple suspected murders. The murders are no longer suspected after she admitted to murdering several "for the good of humanity." in 2023.

So our next question is....

HAS PATTON WEST BEEN GIVEN A LICENSE TO KILL? AN ESTIMATED 5 TO 7 MURDERS SO FAR AND ZERO INVESTIGATIONS. NO WONDER GEOFFREY REYNOLDS WAS CONFIDENT ABOUT ANNOUNCING ONE OF PATTON WEST'S MURDERS IN ADVANCE TO A LOCAL NEWSPAPER!

That would explain why...

1. After several suspected murders Patton West is still at large.
2. After gang member Reynolds announced Watson's impending murder to a local newspaper followed up within days by a failed attempt to murder Watson Reynolds is still at large.
3. After Patton West admitted to committing several murders she has not yet been taken into custody. [Devra says she has "taken a limited number of earthly lives" for the benefit of humanity(source)]. Hello FBI & Police you have an actual admission of guilt. Why no arrests?
4. Brazilian Corinne Coffin has not been arrested for funding 33 years of racketeering, thousands of acts of terrorism and multiple murders inside the USA. This would explain why Dr. Julio Williams MD has not been arrested after funding, marketing and threatening victims who go public for 20 Years.

THIRTY FIVE YEARS OF RACKETEERING, THOUSANDS OF ACTS OF TERRORISM AND SEVERAL SUSPECTED MURDERS. A CLEAR PATTERN OF R.I.C.O. BEHAVIOUR OVER DECADES BUT 'NOTHING TO SEE HERE!'

On with the Bulletin...

Patton West, AKA 'The Rishi,' is the self appointed 'Planetary Regent' that Geoffrey Reynolds has marketed, lied for and announced a murder for (in advance) during his tenure in her cult / criminal racketeering gang. Reynolds announced the impending murder of a fraud victim turned whistleblower to a local newspaper after the victim went to court and successfully sued Patton West for Fraud. Reynolds also villified the editor of same local newspaper for telling the truth about Patton West's many crimes in Montana. Unfortunately for Reynolds Patton West recently admitted murdering several victims for the, "Good of Humanity." An admission of guilt by Patton West confirms Reynolds knew Patton West was a serial killer and was happy to be an accessory.

**** [Devra says she has "taken a limited number of earthly lives" for the benefit of humanity (source)] ****

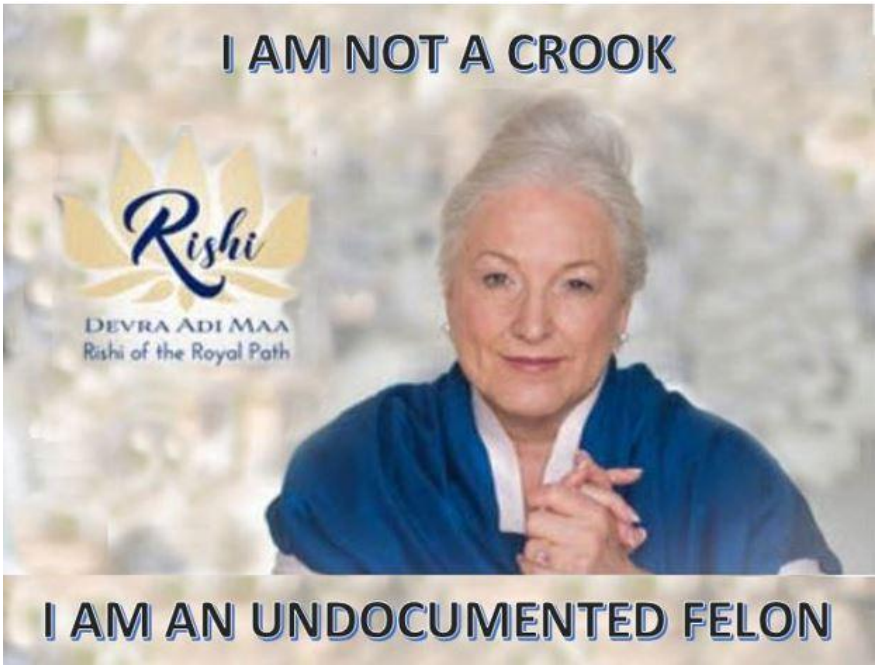

When we last heard Reynolds was working as a CPA at McSwain & Co. in Olympia WA. Reynolds should NOT be employed in a position of trust. He should be tried for racketeering, Terrorism, complicity to commit murder and then jailed!

In 2023 while being Interviewed by a New York Times Published Journalist Patton West Admitted to being a Serial Killer.

First a short recap from a recent bulletin entitled 'Undocumented Felon'...

IN REALITY, AND AFTER 33 YEARS OF RACKETEERING THOUSANDS OF ACTS OF TERRORISM AND SEVERAL MURDERS IN
THREE WESTERN STATES, PATTON WEST IS STILL AT LARGE PREYING ON VICTIMS IN SEDONA AZ - WHY?

MAYBE IT IS BECAUSE THOSE WHO GO PUBLIC ABOUT HER 'CRIMINAL' RECORD
HAVE A HABIT OF DYING SUDDENLY

[Devra says she has "taken a limited number of earthly lives" for the benefit of humanity (source)]

In this bulletin we'll look at some of the documents that indicate beyond any reasonable doubt that Patton West is a career criminal, a dangerous psychopath a murderer and suspected serial killer. Before we show the scores of documents that Patton West tried to keep off the internet because the TRUTH is bad for her criminal racketeering business model lets briefly revisit the section we included in the last bulletin dealing with several suspected murders and the two attempts to murder John Watson....

Above left to right: Patton West, the 'Revered Executor of the Divine Plan.'
Ex - husband Jack West and Geoffrey Reynolds CPA both complicit in murder, racketeering and domestic terrorism.

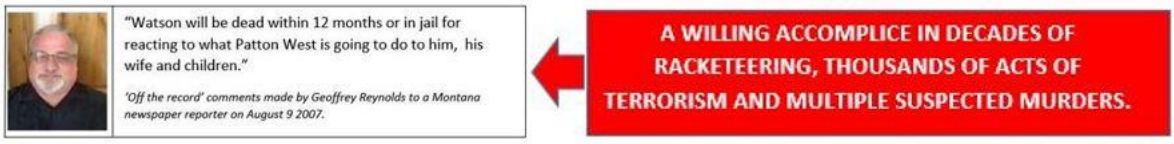

Devra Patton West is not a guru and definitely not a 'Service to Others' entity. Patton West is a criminally insane narcissist who has for 33 years operated a cult / criminal racketeering gang in three western states namely NM, MT & AZ. Above right: Jack West & Geoffrey Reynolds CPA. Jack West warned the whistleblower in 2002 that he would be murdered if he went public. John Watson, a fraud victim turned whistleblower, put up a website in 2006 to warn others about the very real dangers of associating with Patton West. He had also launched a fraud lawsuit against Patton West which he won in 2008. On August 9 2007 senior cult member Geoffrey Reynolds announced the whistleblower's impending murder to a newspaper reporter. That threat was taken seriously and shared with a federal agent investigating Patton West's 'finances' which included the front company used for fraud, extortion and tax evasion.

And yes, Patton West uses murder as a tool in her criminal racketeering 'business' model but what have the authorities done about it? Nothing. She has gotten away with murder literally for 33 years. And although the victims were all 'associates' of hers ('students' and employees) Patton West feels that she has plausable deniability! In spite of the overwhelming evidence that she is an undocumented felon. Here is some of the evidence the FBI and Police have failed to take seriously - so far...

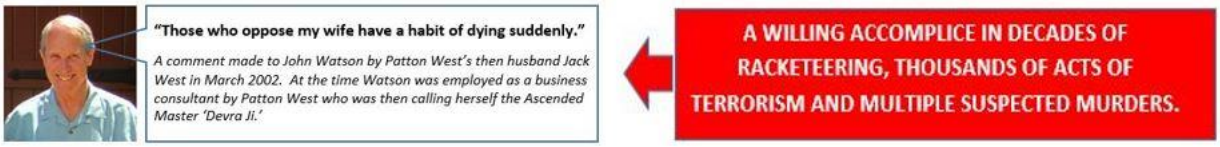

This explains why Reynolds so confidently announced Watson's impending murder to a local newspaper in August 2007. He knew that in spite of his comments no one would be able to prove Patton West did it.

And this from Patton West's ex-husband Jack West...

Proving multiple murders may be hard to do, as each of her victims will have appeared to have died from 'natural' causes. In the mind of a criminally insane narcissist the abilty to murder with impunity 'naturally results in Patton West believing she is a goddess. This explains all the Greek Goddess outfits....

Above: A criminally insane narcissist psychotic murderer masquerading as a 'World Server.'
No amount of dressing up in Greek Goddess outfits can quell the stench of a demonic infested Satanist

However there are more than enough 'regular' crimes and a 'pattern' of behaviour over 33 years such as to prosecute Patton West and her accomplices under R.I.C.O. statutes.

NOW FOR SOME OF THOSE DOCUMENTS. NOT NECESSARILY IN CHRONOLOGICAL ORDER....

NEW MEXICO - 1991 to 1995

What we do know about Patton West's time in New Mexico is that she was literally chased out of the state in the middle of the night by a victim of occult attacks who knew the police and law courts were totally unable to act. This was what Jack West, Patton West's then husband, told John Watson in 2002. Jack West told Watson that the victim chased them out of the state with a loaded a gun. Dr. Pat Cole apparently became a 'student' (read brainwashed and controlled cult member) and followed Patton West to Montana in 1995. Cole had records of the violence and mental and physical abuse meted out by Patton West upon her 'students' but from what we know Patton West broke into Cole's lock up and stole the records. What follows is the contents of an email that Rebecca West (no relation to Devil West) sent to the Flathead police in Montana.

I am the Office Manager of Surya Enterprises Unlimited Inc., which is owned by Devra Patton West. This statement is written in support of Patricia M. Cole MD whom Devra assaulted on several occasions. Several co-workers witnessed seeing bruises on her body in various locations from before the April 16, 2006 beating and my arrival May 1, 2006 leading up to the latest assault on October 12, 2006, misdemeanor assault charge still pending. This last assault was reported on October 13, 2006 to the Flathead County Sheriff's Office. Honorable Judge Ortley granted Patricia a six-year order of protection and ordered Devra West to return her personal files, which belong to her by delivering them to Attorney Jack Quatman's office. I have firsthand knowledge that these files were copied and not returned, because as the Office Manager I was directed to do so by Devra, along with my co-workers: Wendy Stuart, Heidi Escalante, and Gail Duran. I have also found many originals since Patricia's departure, which contain confidential information and are currently accessible to office personal. These files contain Pat's personal records, bank records, trust fund documents, and the documents that are Pat's as Sole-Proprietor of Surya Institute of Systemic Healing. Pat is also President of two non-profit organizations: Circle of Divine Unity Aka Sacred Archives Institute, and Global Guardianship Initiative and Devra has the legal and financial files which belong to her and contain: court documents, bank records, articles of incorporation, minutes to meetings, etc. The many boxes are stored at the office and in two storage facilities (2 units at Lakeside Mini-storage and Acorn Storage in Woods Bay, Big Fork) and at 525 Political Hill, Lakeside. These files include statements by persons who previously worked for Devra West, citing dozens of abuses and dating back to 1995 in New Mexico (most are already court documents on record in Ravalli County, MT). At least 6 boxes of these files were recently removed from Attorney Karl Rudbach's Kalispell office, all belonging to the non-profits (Pat Cole). In addition, Patricia Cole contributed some $750,000 combined assets and credit directly into Devra's personal and private accounts to pay for her living, housing, travel, staff payroll, personal assets, extravagant lifestyle, and bounced checks/fines. The information contained in these files may be relevant to Pat Cole's civil suit and Devra's non-compliance with the Judge's order constitutes withholding or potentially tampering with evidence. I am not going to be held responsible or further victimized by Devra West

On March 1, 2007 I listened along with my co-worker to Patricia talk about her abuse by Devra to Attorney Amy Poehling Eddy. I was completely appalled and disgusted at Devra's abuse of Patricia. The beatings and mental abuse occurred over an extended period of time and repeatedly. Last week I saw police photographs, which were taken of Patricia's injuries sustained from only two of the beatings. I was interrogated by Devra for nearly 1-½ hours over these photos and verbally assaulted both at the office for days and again for some 40 minutes on Friday, February 23, 2007. I have not returned to work since this date and on March 1st asked the Financial Controller, Geoffrey Reynolds to lay me off and instructed him to tell Devra to stay away from me and I will not talk to her at this time. Upon filing and reviewing the legal and financial files recently removed from Attn. Rudbach's office, I discovered close to 30 statements which contain a multitude of both verbal and physical assault accusations written by former students and employees and it is stated more than once that
there are some 40 accounts which clearly represent the pattern at which she operates. Her verbal and physical abuse and many labor relation issues extend over many years at the Naka Shela Retreat Center near Victor, MT, into Bigfork and currently 306 Stoner Loop Road, Lakeside. Upon recently talking about this situation with Patricia, I became appraised there were at least three other women physically assaulted since moving to Bigfork in the fall of 2003.

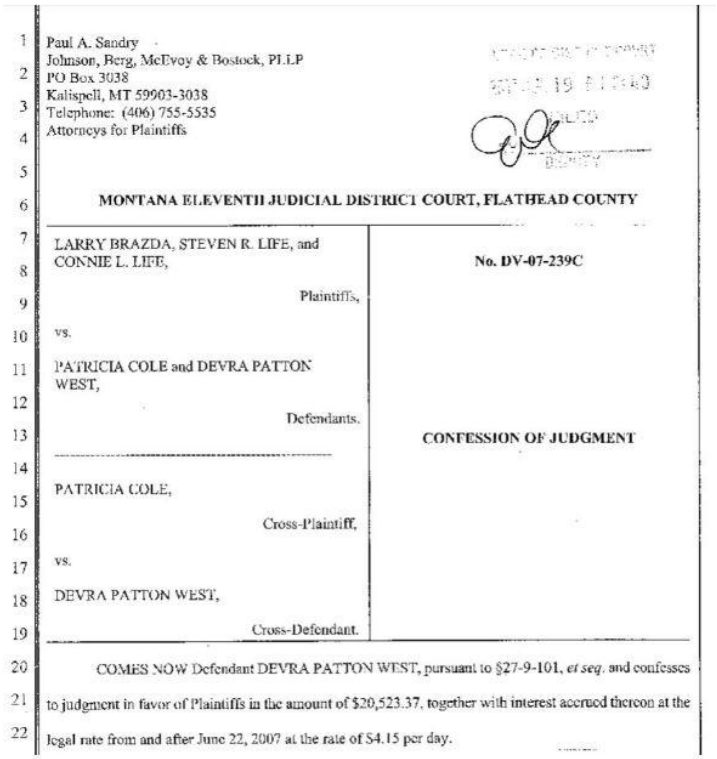

Devra is living at 525 Political Hill Drive and this place is foreclosing on the 8th of March 07.

Sincerely,

Rebecca J. West

In 2008 Patton West was found guilty of assaulting Dr. Pat Cole MD.

DR. PAT COLE'S LENGTHY JOURNEY THROUGH PATTON WEST'S MEAT GRINDER THAT SHE CALLS 'WORLD SERVICE.'

[Lies, Fraud, Defamations, Threats of Murder, Two Actual Murder Attempts, Shamanic Rape and a Campaign of Occult Violence now in its 17th Year]

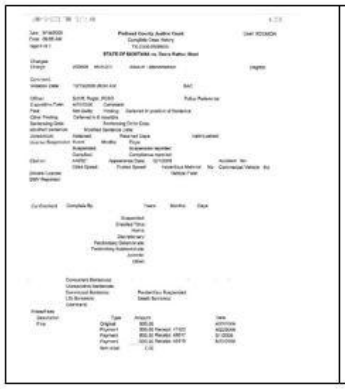

For the complete and detailed story about Patton West's assault / banrupting of Dr. Cole can be found by going here.

Below is an article published in the Whitefish Pilot newspaper in April 2008. What the article did not disclose was the fact that Patton West actually extorted $1.3 million from Cole. This included forcing Cole to sign over her home after vacating it. As the news article below shows Patton West got a six month suspended prison sentence and a $500 fine. Because Patton West uses 'Shamanic Visioning' to violently assault her victims she did not even stop the violence against Cole. So the inept courts and legal system that gave Patton West a suspended jail sentence pending her good behavior was not only a total waste of time but was a source of amusement to Patton West.

Spiritual guru pleads guilty in assault

A Lakeside woman who claims to espouse timeless spiritual truths pleaded no contest to one count of misdemeanor assault late Monday in an 11th-hour plea bargain.

Her trial had been scheduled to begin Tuesday at 9 a.m. in Flathead County Justice Court.

After entering her plea, Devra West was sentenced to a six-month deferred jail term and fined $500.

Dr. Patricia Cole of Whitefish alleged West in 2006 hit her with a shoe and shoved her.

Justice of the Peace David Ortley issued a restraining order against West, a self-styled religious master who calls herself Surya Ma, in October 2006.

West's trial was postponed from March 11 after she failed to show up for a March 7 pre-trial conference in Flathead County Justice Court. She reportedly was in the Yucatan participating in a documentary on Mayan prophecies.

West's trial originally was scheduled for April 2007.

Prosecutors said they offered West the same plea deal she accepted Monday about a year and a half ago.

Above left is a copy of a judgement against Patton West for Misdemeanour Assault. Here is a link to a badly scanned but still redable copy. On the far right is a newspaper article publicizing that fact. In the middle is a dangerous psychopath posing for the cameras in her 'Mother Mary' pose. The only reason Patton West got away with misdemeanour assault and not felony assault was because she fielded multiple cult members to tell the court she was a saint. Read what employee Carlida Finch stated to the authorities. Yes a campaign of violence was being used by Patton West to extort Dr. Cole's entire net worth is that not felony assault?. (Which Patton West succeeded in doing netting an estimated $1.3 million from Cole.) However the employee overheard patton West talking about murdering Dr. Cole. Patton West got off with a 6 month suspended jail sentence and a $500 fine which one of her 'students' would have paid for her.

When news of her conviction appeared in local newspapers Patton West had some of her goons write letters to the editors of local newspapers villifying them for telling the truth. And patton West posted this denial on her website.

Court Rules to Dismiss Bogus Assault Case:
All allegations have been expunged from court records. Irregularities perpetrated by Cole to court officials, more than indicated Cole's direct involvement in the conspiracy to entrap and discredit Dr. West. The allegations were dismissed as implausible.

TRUTH: Cole's misguided attempt to entrap Dr. West was a ploy motivated by Cole's need to cover-up her own in-depth financial fraud, as well as to hide her medical malpractice issues that had been divulged to Dr. West. Cole, a medical doctor, resented Dr. West's refused to allow her to attend a healing training program, due to Cole's lack of morality and professional integrity.

In 2008 Patton West was found guilty of defrauding the whistleblower John Watson. The decision was published via an article in the Ravalli Republic newspaper.

Patton West's response was to issue a statement on her website basically denying that she had lost in court. Did we say patton West was a pathological liar?

Millennia Mind Dispute with John Watson:
Devra Surya Ma's legal team has filed for an appeal for the sanction ruling stemming from a technical error and timing matter. Additionally, contrary to Watson's claims of a "Big Win", lawsuits have been filed against John Watson for his many threats and criminal acts against Dr. West and her family members and will be diligently pursued by Dr. West's legal team.

TRUTH: No business contract between Dr. West and John Watson has ever existed. **The legal dispute was fabricated by Watson to leverage an extortion scam**. Any and all business proposals made by Watson were declined. Dr. West has no intentions of enabling an extortion scam, therefore no settlement of any kind will be entertained.

By the way 'Dr. West' is not a doctor unless you count the two doctorates Patton West says the Christ awarded her in person. Read what one of her 'students' had to say about her education.

Devra's education and titles -- she used to openly and regularly mention in front of all of us at events (a couple of hundred people -- yes, there used to be that many of us in the early years!) how she'd dropped out of high school (she was pregnant with her first son) and years later got her GED. She never went to college.

She suddenly started putting Ph.D. and later added D.D. after her name around 2001. When asked where she obtained these degrees, she said Christ had awarded them to her. It's around that time I decided to leave. Now she's apparently told the person who wrote the Whitefish article (July '07) she's a grad of some college in Redlands!

Ex-student.

Chris Hoffman, Sheriff of Ravalli County

However after her charity was struck off in January 2004 Patton West set about hiding all the charity's assets. What members of her cult and members of the public did not realize was that the hundreds of thousands of dollars they donated to the charity were actually being donated to Patton West. Prior to the 2008 Sheriff's Sale (above) Patton West put the charity's main asset, a Log Mansion on 20 acres in Victor Montana, into a trust fund for herself and her oldest son Robe Meador. However in 2008 the judge presiding over the Sheriff's Sale 'broke' open the trust fund and forced the sale of the property THAT BELONGED TO THE CHARITY to pay for Patton West's PREVIOUS court fines and interest totalling $2,000,000.

Also in 2004 or thereabouts Patton West stole an estimated $4,000,000 (as valued in 2004) in art work and valuables from the charity most of which were gifted to the charity or paid for out of charitable donations. In 2014, presumably well after the statute of limitations on theft had expired, all of these items turned up on her website for sale or were heading to auction...

Under oath in October 2009 Ms. West stated in her statement that while she recognized the list of artwork and valuables drawn up by Whistle-blower and her bookkeeper in 2002, she stated that these items no longer existed and were never her own.

On her current website, on the **'art gallery'** page: art work and valuables, that very closely resembles the items stolen from the charity. She cannot explain how she has all of these assets, unless she won the lottery and bought all of those items sometime after giving her deposition statement in October 2009.

It is worth noting also that Chris Haywood made a claim against an insurance company for damages after allegedly being injured in a car accident (see below). The problem with his story is that a neighbour saw him wake boarding up Flathead Lake MT shortly after his claim was paid out. You can listen to an audio recording of the neighbor Michelle Fetveit's statement about this matter by going here. As a bonus the neighbor became aware that after getting into a dispute with Patton West over water rights she started to be woken up at 3.00 am and was obviously being targeted by Patton West using occult knowledge.

Patton West has made it clear that she intends to hand over the 'mantle' (her criminal racketeering business model) to her daughter Anna West. Anna West has watched her mother rob, defraud, extort and violently assault members of her cult. Anna West is fully aware of the arrest warrants, the conviction for assault and the tens of visits to court as the defendant in mainly fraud related lawsuits we must assume that Anna West is part of the 'family' business AKA Racketeering, Domestic Terrorism & Murder.

Patton West also found guilty of defrauding Wells Fargo Bank...

If you have any information related to this individual, please send us a tip.

In the above is an Arrest Warrant for Felony Theft. Note the glasses never worn in any photos on her websites. Iguess all her Greek Goddess outfits were at the dry cleaners! Not to worry below here are an assortment of the garb worn when this criminally insane narcissist is at work. Work being Racketeering, Domestic Terrorism & Murder.

Above: No amount of dressing up like a Greek Goddess can turn a psychopathic killer into a 'Service to Others' entity. The idea thata patton West is a 'World Server' is a big joke. Every perosn she has abused mentally and physically and robedd, defrauded, extorted money from and embezzled from other's trust funds was in service to self.

Scores of victims of mental and physical abuse, theft, fraud, extortion and violent assault. Many threats of murder, attempted murder and, if ex-husband Jack West is to be believed several murders including Lisa Swidler in 2005.

Above: Some of the victims from Patton 'World Service' efforts in Montana. We suspect that this is the tip of the iceberg as anyone becoming a member of Patton West's cult was treated like livestock and 'harvested' by the Master Abuser when needed.

DA - 08 – 0259 Mathew West d/b/a Top to Bottom Construction (Plaintiff) V Devra West & Chris Haywood (Defendants). Neither Devra West nor Chris Haywood participate in the court proceedings choosing to ignore them. Eventually the

court gives default judgement to the plaintiff at which time both mother and son suddenly engage in the process and appeal. The appeal is denied and the plaintiff was **granted judgment**.

DV – 05 – 31 Chris Haywood (Plaintiff) V The Travelers Indemnity Company of America, Auto Owners Insurance Company (Defendants).

In **his submission to the court** Chris Haywood asserts that he sustained serious injury and that he was likely to have medical issues going forward that would incur future medical costs. The submission also states that Chris Haywood had settled with one insurer in the amount of $50,000 and was seeking another $50,000 in this action from the defendants. In addition, after having obtained custody of his infant daughter from his first wife, Kendal, after his mother Devra West had mounted a campaign of character assassination, false witnesses and violent intimidation against her, Chris Haywood was claiming $400 a month in child support from his ex-wife on the basis that he was **disabled**.

And yet their next door neighbor in Lakeside MT where Chris Haywood and his mother were living stated that she saw Chris Haywood 'wake boarding' up and down the lake shortly after the accident occurred? Please follow the link to listen to her audio statement where she asserts that he is definitely not disabled, was wakeboarding and mowing his lawn etc.

Liar for Hire, Geoffrey Reynolds CPA in his pleadings in court, asserted that whistle-blower had defamed him beween 2002 and 2006 when in reality, Reynolds did not travel from Arizona to work for Devra West in Montana until early 2006! This is called ***PERJURY***.

Statement from Devra West - "Be Informed Know the Truth"

Statement from Devra West - "Watson Extortion Conspiracy Unravels"

In 2005, shortly after the whistleblower issued legal proceedings against Devra West for fraud, Williams co-authored with Dr. Pat Cole MD (the same doctor who would be terrorized later by Devra West!) and another student, a **defamatory statement** posted on West's website, basically character assassinating the whistleblower and painting Devra West as a saint!

Statement about Bookeeper/'Controller' who resigned rather than make up ***FALSE* invoices** showing
Dr. Pat Cole owed money to Devra Patton West. Also describes abuse of Pat Cole at West's hands.

Devra West was creating the illusion in her brochures and online, that she was a wealthy guru (endorsed by Williams). In actual fact, Devra West, as explained in the Whitefish Pilot news article, was penniless, with a lien against her for unpaid employment insurance, and was being evicted from two rental properties in quick succession! This did not stop Devra West, who appeared in court on July 12, 2007, claiming that her businesses were **multi-billion dollar affairs**!

Page 1 of 1

Devra was arrested for writing a bad check for $6,500,000.00 to Robert and Tabby Ivy in an attempt to possess their home. Devra coveted the Ivy's home for years and illegally used photos of their home in her marketing materials! Who would do something so crazy? The answer is someone who has Narcissistic Personality Disorder. The Ivys were harassed by Devra West for years, eventually they relented and agreed to sell Devra their home. Of course Devra could not afford their home, so she wrote them a bad check!

DEVRA PATTON WEST– AKA DEBORAH LYNN PATTON, DEBORAH WEST, DEBORAH PATTON WEST

DEVRA IS A NARCISSIST, AND CULTURALLY APPROPRIATES INDIAN CULTURE AND RELIGION.

What meaning do these names and titles have? Surya is the Sun God, chief of the Navagraha (the nine Classical planets). Surya is the supreme solar deity in Hinduism. Devra uses these Hindu Gods and Goddesses names as her own made up titles. Devra is not a Sun God, however; her use of these supreme beings names shows her extreme level of narcissism and self entitlement.

There are two forms of Surya :

- The “Arka” is worshiped primarily in India’s Northern and Eastern areas. There are temples dedicated to the “Arka” form of Surya known as the Konark Temple in Orissa, Uttararka, and the Lolarka temple in Uttar Pradesh Balarka temple in Rajasthan, India.
- Mitra form of Surya is also known as “Mitra” for its life-nourishing properties. The Mitra form of ‘Surya’ is worshiped chiefly in Guja rat. Devra’s use of the name Surya denotes appointing herself as a God or Goddess, and she refers to herself as the Hierophant of the Solar System. Devra’s use of a God’s name is wholly grandiose in nature and is cultural appropriation. “Devra” Deborah Patton West is not a god, a saint, or an ascended master, nor can she bestow enlightenment upon her followers.

DEVRA PATTON WEST, SEDONA, ARIZONA.

Devra is attempting to find followers in Sedona, Arizona, and lure spiritual seekers into her web using the Sedona mystique, as many other cult leaders have tried. Contrary to Devra’s assertions, she is not a guru, she is not an enlightened being, and she is not highly regarded by any organization, Sedona residents, or Sedona leaders.

Devra has been rejected by the Sedona community, she is unwelcome at the Unity Church of Sedona. No community members have accept Devra.

Sedona rejects cult leaders and charlatans and Sedona has a lenghty history of cult leaders attempting to use the Sedona mystique to prop themselves up. The Sedona community is so disgusted with cult leaders that people placed Devra West warning signs all over town.

Devra West is unwelcome in Sedona, Arizona. People plastered hundreds of signs all over Sedona rejecting Devra West.

Ask yourself what kind of person asks for $500,000. donations, dresses in white robes, stages photo shoots with flowers sitting on a dais like an enlightened being and simultaneously refers to themselves as a Goddess, God, and Spiritual Mother? Why does one single, older woman require a 5,000 to 7,000 square foot house regardless of the cost?

WATSON VS. WEST

RAVALLI COUNTY, MONTANA

Case no. DV-03-145

John Watson beat Devra West in court, contrary to Devra's false assertions. Watson was awarded $730,000.00 in compensatory damages and $6,209.27 in attorney's fees. Devra West intentionally lied to Watson to obtain free labor from him, this is normal behavior for West. Most people who are harmed by Devra West run away and do not spend their time and money to get a judgment. Watson was never able to collect his judgment against West.

Former cult member, Dr. Julio Williams, bank rolled Devra West in filing a subsequent lawsuit against Watson in Arizona. Watson could not afford to defend this lawsuit, so he lost in a default judgment. Devra West then created a fake website called Cyber Integrity, calling herself Dr. Devra West and claiming Watson was the criminal and she was a victim!

Sadly, on occasion there are still some people who read Watson's websites and choose to believe Devra.

This website exists to lay out some basic facts to warn people not to attend any event held by Devra West, not to invite this woman to any event, and to never donate money, time or pay for any classes offered by Devra.

"If you ever saw me heal, you'd be down on your knees crying like a friggin' baby" -Devra West (image via therishi)

Devra West has captivated public attention with her unique blend of spirituality. However, beneath the surface of these lofty claims, a darker narrative unfolded, one rife with accusations of manipulation, intimidation, and financial exploitation. At the heart of West's appeal was her promise of spiritual awakening. Followers are drawn to her magnetic personality and her

assurances of personal transformation. She eventually established a community where her teachings were central, blending traditional spiritual practices with her own unique methods. This community, to outsiders, appeared dedicated to higher learning and self-improvement, but former members tell a different story.

Allegations began to surface from ex-followers who accused West of employing psychologically manipulative tactics to maintain control over her followers. These accounts describe an environment of fear and submission, where questioning West's authority or teachings was not tolerated. Some former members detailed how West demanded significant financial contributions, leading them to financial ruin. These contributions, they claimed, were presented as necessary sacrifices for their spiritual journey, but were allegedly used to fund West's lavish lifestyle.

The legal battles that ensued added another layer to the controversy. West faced lawsuits and legal actions from former followers seeking justice and reparation for the alleged abuses they suffered. These legal confrontations often became heated, with West and her legal team aggressively defending her practices and her character. Despite the mounting controversies, West maintains a loyal following. Her supporters view her as a misunderstood visionary, unfairly targeted due to her unconventional approach to spirituality. They argue that her methods, though unorthodox, were effective in bringing about profound personal transformations.
